

# meet MRS. CLARK

LIBRARIAN

Hello! I am the librarian here at Dillard!  
My favorite part of being a librarian is  
sharing great books with students!  
I grew up just outside of Buffalo, NY.  
After college, my husband Adam and

I moved to NC to start a new  
adventure! We have lived here ever  
since. We have two awesome kids,  
Lilly and Andrew. As a family we  
LOVE being outside to ride our  
bikes, hike, and explore.  
I am looking forward to a GREAT  
school year!

Please feel free  
to contact me at

I am from Jamestown, New York

I started working at Dillard in  
2017

I graduated from  
Malone University,  
University of North Carolina at  
Greensboro

If I didn't work here, I would be

A Starbucks Barista, A Public  
Librarian, A Stay-At-Home Mom

The best thing about working at  
Dillard Drive ES is

getting to know ALL of the students!
