

# meet MRS. PROCTOR

STEM

Hello! I have lived in Raleigh almost my whole life. I was born here, went to schools in Wake County, and graduated from college in Raleigh. I lived in Brussels, Belgium for two years in 2008. When we were there, we traveled to lots of amazing places in Europe. I have taught both 3rd and 5th grades before moving into the Technology/STEM specialist role. When I'm not at school, I enjoy running, cooking, and eating with my family and friends. My husband and I have one teenaged son and a crazy mutt dog. We enjoy going to the lake and the beach in the summer.
