

1. **Caniacs Club**

Study, discuss and analyze the past, present and future of the NHL Carolina Hurricanes. We will review the history of the 'Canes, review highlights of games played during the week, write fan letters to players / staff, create posters, even communicate with the 'Canes via Twitter. We will be an extension of the Storm Surge at Pine Hollow! Caniacs strongly encouraged to sign-up. -Mr. Sotomayor

2. **Chess Club**- Calling all chess pros as well as those who have never played! Learn to play chess or teach others how to play. CHECKMATE! -Ms. Miller & Ms. Scott

3. **Classic Movie Club** - Do you like movies? We do!! Movie club is about looking at movies through a different lens. Movies are made to be enjoyed, but they also tell stories with themes and have deeper messages for their audience. We will look at Silent Movies, the "Talkies", and some films considered the greatest of all time that are older than you...and us! Be a part of looking at what laid the foundation for the epic movies we have today! -Mr. Ver Vers & Mr. Collins

4. **Coding Club**- Calling all Coding Computer and tech skilled students!! Beginners and experienced coders are welcome. Coding Club will introduce you to coding and will use a site called Code.org® dedicated to expanding access to computer science in schools and increasing participation from students' boys and girls. Code.org is supported by generous donors including Microsoft, Facebook, Amazon, the Infosys Foundation, and Google. Don't forget to bring your Chromebook. -Mr. Ferrell

5. **Comic Book Club**- If you enjoy reading comic books or graphic novels, watching DC or Marvel movies, drawing or writing, Comic Book Club is what you've been looking for! Half fan club, half art club, Comic Book Club will give you the opportunity to read and talk about your favorite comic books, graphic novels or movies and the chance to practice your drawing and storytelling skills with your friends. -Ms. Allen & Ms. Larsen

6. **Crochet Club-** Crochet is a craft that uses yarn and a crochet hook to create a variety of projects. Want to learn how to crochet? Do you already crochet and want some time during club time to crochet with others? Join us in the library and make your own crochet creations!

-Ms. Ziller & Ms. Hyatt [Club Photo](#)

7. **Drop Everything and Read (DEAR)-** Book Club provides quiet, independent reading time to start your day. If you love to read and want more time to dive into great books, then this is the club for you! In addition to reading, students will also be encouraged to share book suggestions with the group and talk about what they're reading with each other at the end of club meetings. -Mrs. Pedersen and Ms. Kirby-Griffin

8. **Friendship Bracelets Club-** Come learn how to make different types of friendship bracelets and hang out with friends. We will make bracelets that we can keep, give away, and send to local Children's Hospitals in the area. -Ms. Carson & Ms. Schmid

9. **GAME ON!** In this club students will work with Scratch, board games, and research the industry to focus on the mechanics of game development to create a simple product. -Ms. Tunstall and Ms. Lauer

10. **Games With Friends-** A club in which all students will play a game they enjoy. They can teach each other card games, play board games, and more. Club members are encouraged to bring their own games if they'd like. No inappropriate games will be allowed, no betting/ gambling allowed, and if students bring their own games, they cannot use them inappropriately during the school day or they may be taken away by staff. This will be a relaxed and fun atmosphere. -Ms. Conder & Ms. Edwards

11. **HIIT (High Intensity Interval Training)-** Fitness class at a high level for athletes and students that want to challenge their physical capabilities. -Ms. Wagner and Ms. Desai

12. **Historic Games Club-** Are you interested in history? Have you ever wondered how the ancient Sumerians entertained themselves four and half thousand years ago? Would you like to know how the game Snakes and Ladders mirrors Hinduism, or how the Vikings tossed bones of defeated enemies in a game sort of like cornhole? Well, if you like history and games, the Historic Games Club might be for you. In this club you will do research around ancient board games like the Royal Game of Ur and Egyptian Senet. You will learn about the game, then how to play it and then challenge your club mates to tournament play... both in online versions and in real life. We might even create our own versions that you will be able to take home and challenge your friends and family. -Mr. Hutchinson & Ms. Elliott

13. **Karaoke Club-** Calling all singers and music lovers! Karaoke Club is going to sing along to all of our favorites from pop songs, classic rock, Disney classics, Broadway, and more. Students will get to select their favorite songs to sing along from week to week. Once a month we will pull out the microphone and let students do some **optional** solos to take the stage and perform for the club! No singing experience is necessary!" -Ms. Cain & Mrs. Kreitman [Club Poster](#)

14. **Meditative Coloring Club-** Meditative coloring is an opportunity to spend time calmly and peacefully coloring a variety of images designed to help with stress. Students will be provided with fun and engaging coloring sheets as well as all necessary coloring supplies. Students are welcome to bring their own supplies as well. This club is designed to help all participants decompress from the day-to-day stresses middle school presents. -Ms. King & Ms. Levine

15. **Musical Theatre-** Love theatre? Then join us for Theatre Club! We will review the biggest shows from the past and try our hand at writing our own. See you on stage! -Ms. McKee & Mr. Powell

16. **Origami Club-** It's amazing to watch one ordinary piece of paper transform into a 3D form. Come join me in learning simple to complex folds that will bring a variety of 3D forms to life.

-Ms. Stern & Ms. Bromenschenkel [Club Photo](#)

17. **Pilot Girls Play Sports-** In this club, you will explore and develop your skills as a female athlete. You will build self-esteem and confidence while engaging in your favorite sports. -Mr. Newby and Mrs. Roberts

[Club Photo](#)

18. **Pilots United-** This is a national program that is dedicated to forming relationships between all students. The ultimate goal is to create an atmosphere of acceptance and respect at our school and community. Getting to know and support a person with an intellectual disability can enrich the lives of all students and teach them valuable lessons about acceptance, inclusion, and respect. We will play games, cook, and learn about one another in fun and exciting ways! -Mrs. A. Hagadorn

19. **Pinterest Club-** Crafting, knitting, and creating the best crafts and keepsakes we can! For beginners to professional crafters, we'll be doing a range of activities from making friendship bracelets, jewelry, hats/scarfs, pinatas, wall art, key chains, and much, much more! Don't be afraid of glitter or glue and come see what we can create! -Ms. Eshelman and Ms. Sliva

20. **Pokemon Card Club** - Students will be able to bring their Pokemon cards to trade with one another. This club is designed to foster communication, teamwork, friendship and higher levels of thinking associated with learning tactics and game play. -Mr. Frazee & Mr. Boettinger

21. **Rock Painting Club** - Painting rocks... not just for the artistic. Use this opportunity to take your mind away from the stressors in life, relax, and tap into your creativity. -Ms. Cochran & Ms. Person-McNair

22. **Strategy Games-** In groups of 3-4, you will collaboratively play a game where strategy is involved. If and when you figure out the strategy, you're sure to win! -Ms. Hayes & Mr. M. Hagadorn

23. **Student Council-** Are you interested in helping be a leader of the school? Do you like to plan activities for students like spirit week, food drives for the community, dances and more? In Student Council students have the opportunity to lead committees and collaborate together to accomplish tasks for the good of the PHMS community. This requires all students to be willing to work hard and contribute ideas. If you have any questions please contact Mrs. West. -Ms. West & Ms. Kennedy

24. **True Crime Club-** Do you love trying to figure out "whodunit" while reading mysteries, watching detective shows, or listening to true crime Podcasts? If you are guilty of having these interests, then this club is for you! As part of the True Crime Club, you will become a student detective in a crime scene investigation. You will enter the world of forensic science and work together to solve cases by observing, experimenting, and discussing theories. -Ms. Watson & Ms. Chase

25. **Walking club-** This exciting and exhilarating club allows members to travel on foot at a moderate speed by moving the feet alternately so that there is always one foot on the ground. Must have a distance tracking device and understand that we will be walking the track in all temperatures - dress appropriately. Wear appropriate footwear. -Ms. Newton & Mr. Jones & Ms. Davis

26. **Yard Games Club-** Enjoy cornhole, ladder golf, and other fun yard games? Join us on Fridays for some laid back fun. -Ms. Kimball and Mr. Osterstrom

27. **Yoga Club-** Yoga club focuses on giving you tools you can use to reduce stress in your lives, promote a positive body image, and increase strength and flexibility. Each class will include a series of yoga poses, breathing exercises, and meditation practices. Classes will include discussions on how to apply what you learn in yoga class to help you at home, school, and with friends. Each class ends with a period of relaxation and aromatherapy. A limited number of yoga mats will be provided; therefore, students are encouraged to bring their own, however this is not a requirement. -Ms. Corpening & Ms. Richards
