

HOLLY GROVE ELEMENTARY SCHOOL

PARENT / STUDENT HANDBOOK

2025-2026

<http://wcpss.net/hollygrovees>

HOLLY GROVE ELEMENTARY SCHOOL MISSION STATEMENT

Holly Grove Elementary School will provide a relevant and engaging education and will graduate students who are collaborative, creative, effective communicators, and critical thinkers.

HOLLY GROVE ELEMENTARY SCHOOL VISION STATEMENT

At Holly Grove Elementary School, we will work together to provide a safe and positive learning environment in which everyone will grow to reach his/her full potential.

Office Staff

Principal—	Benjamin Cline
Assistant Principal—	Lara Fricke
Administrative Intern—	Stacey Hale
Lead Secretary—	Mary Anne Lang
Data Manager —	Christina Stomp
Receptionists —	Lacey Parker
	Stephanie Buchan

Parent Teacher Association (PTA)

The Parent Teacher Association at Holly Grove Elementary will strive to make every child's potential a reality. We provide families with a powerful voice to speak on behalf of every child, while providing the best tools for parents to help their children become successful at school and in life. The PTA sponsors numerous activities throughout the school year, but they are only as successful as the degree of parental and teacher involvement. Information about upcoming events like "Laps for Holly Grove" and other volunteer opportunities will be in school newsletters and Facebook. All stakeholders are strongly encouraged to join the HGES PTA. HGES Staff membership will permit all teachers to receive the benefits of the organization.

PTA Executive Board Members:

President Jackie Stearns
VP of Hospitality Rachel Kerfonta & Kerry Karan
VP of Fundraising Jessica Williams
VP of Community Engagement Emily Harper & Megan Savage
VP of Volunteers Whitney Bascom
VP of Communications Kyla Harol
Secretary Danielle Petty
Treasurer TBD

School Day Procedures

Building Hours

Operational hours are from 8:30 am-4:30 pm
(Students arrive at 8:45 am and dismiss at 3:45 pm)
YMCA Before-School Care is from 7:00 am- 8:45 am
YMCA After-School Care is from 3:45 pm- 6:00 pm

Arrival Procedure

- Students are NOT permitted to be on campus EARLIER THAN 8:45 am (unless enrolled in the YMCA before-school program between 7:00 am and 8:45 am).
- Parents are not to let students out of cars until they are directed by staff.
- All students who are eating breakfast must report directly to the school cafeteria when they arrive.
- No student should be roaming the campus in the morning. Teachers are asked to address any student found outside of the appropriate areas.
- Students should report directly to their classroom upon arrival or after breakfast. The instructional day begins immediately at 9:15 a.m. Morning work is an important part of ongoing practice and will consists of activities, such as reading, enrichment, and journal writing Students who ride a late bus will not be penalized for incomplete morning work.
- Students who arrive after 9:15 am MUST have their parent/guardian check them in the main office at the front desk. Students are not allowed to enter without a parent/guardian.

Attendance & Absences

Attendance at school is important to a child's achievement and success in school. We encourage regular attendance of your child at school.

When your child is absent from school, please let your child's teacher know as soon as you can because a written note from the parent is required within 2 days of the student's return to school. The note should include: the student's first and last name, the date(s) missed, the reason(s) for the absence(s), parent/guardian signature, and work and home phone numbers for verification. According to Wake County School Board Policy, the absence must be for one of the following reasons:

1. Illness or injury
2. Quarantine of the child by the State Board of Health
3. Death of an immediate family member
4. Medical or dental appointments
5. Court proceeding (*if the student is a party to the action or under subpoena as a witness*)
6. Religious observance
7. Educational opportunity with prior approval by the principal (*Parents should request approval at least 5 days in advance and absence must be a timely and reasonable amount of days, by completing Form 1710, which is available in the school office.*)

All other absences will be considered unexcused. Students who are frequently absent will be referred to the school social worker and/or school nurse in order to help with problems that interfere with children's attendance.

Family trips/work trips will be considered unexcused absences and are not considered educational opportunities. Therefore, these trips should not be submitted as a request for Educational Leave. Students will be given the opportunity to make up work missed due to absences. Work will not be provided prior to absence. **For more information, please review the Board of Education policy on attendance in the Wake County Public Schools Handbook.**

Attendance Plan

Holly Grove Elementary School has an attendance committee to monitor student attendance and will intervene with appropriate action when attendance and/or tardies become excessive. This committee will:

- Educate parents and staff about the attendance and tardy policies and procedures of WCPSS and Holly Grove Elementary School.
- Inform parents of their child's attendance at set intervals.
- Educate parents and students about the importance of regular school attendance to show the connection between regular attendance and school success.
- Include the following people: Student Information Data Manager, School Counselor, School Social Worker and an Administrator.
- Meet at the beginning of the school year and monthly to review attendance data.

Plan of Action:

3 Unexcused Absences: A letter will be sent home with an attendance profile attached. Letter signed by an Administrator.

6 Unexcused Absences: A letter (form 1700) will be mailed home with attendance profile attached. The letter will be signed by an Administrator.

10 Excused and/or Unexcused Absences: A letter will be mailed home with attendance profile attached, signed by an Administrator. The Attendance Committee will review information to determine if a referral is needed for an appropriate staff member (School Nurse, School Counselor, School Social Worker, Administrator) or for follow up with the family.

15 Unexcused Absences: School Social Worker will make a referral to the Truancy Diversion and Intervention Program (TDIP) through the court system.

Tardiness

Promptness to school is very important. Students are admitted to homeroom class at 8:45 a.m. All students must report directly to homeroom upon arrival (if not getting breakfast.) Students arriving after 9:15 a.m. are considered tardy and must report to the office **with their parents** to pick up a class admittance slip before going to the classroom. Students are considered absent if they arrive to school after 12:30 p.m. or leave prior to this time. No staff will be on outside duty or hallway duty after 9:15 a.m.

Check-in/Check-out

- To conform to NC Attendance Procedures, parents/guardians must report to the office to check in or check-out their child arriving or leaving campus.
- Only parents/guardians with proper identification can check a student out of school. Holly Grove Elementary will not allow students to be checked out of school by other relatives, including siblings, or friends, unless we have prior parental approval/the person is on the Emergency Contact Form AND the person is of age (has an official NC License/ID.)
- **Parents reporting to the main office for check-out after 3:15 p.m. will be asked to wait until school dismissal at 3:45 p.m.**
- Also, try to schedule all non-emergency doctor and dentist appointments during after-school hours. If your child must leave school early, write a note to the teacher, stating what time your child will be picked up and who will be picking him/her up.
- The person who is to pick up your child must be on the Student Locator Card (Form 1728B) and/or Student Emergency Card that parents fill out at the beginning of the school year. The person picking up your child for early dismissal must report to the office (not the classroom) to sign out the student. **If there is not a court order or separation agreement concerning custody of the child, either parent (or legal guardian) has the same right to see the child at school or have the child released to him/her.** If you have any questions, you may call the school office at (919) 577-1700.

Delays and Closings

- WCPSS procedure for responding to inclement weather is as follows: If the weather prevents school from being held, you should hear or read an announcement from WCPSS (Principal or designated official) and/or news media outlet that states, "WCPSS schools are closed."

Visitors & Volunteers

- All visitors and volunteers must sign in and out at the front office. An ID and a telephone are required to sign into the new WCPSS kiosk.
- Any person volunteering on our campus or chaperoning a school sponsored field trip **MUST** be registered with WCPSS and be granted volunteer clearance following a criminal background check.
- Volunteers must also sign in at the office and wear appropriate identification.
- Pre-printed badges will be provided for volunteers and must be returned to the front office before leaving campus.
- Prior to leaving the office, the receptionist will verify the visitor's / volunteer's purpose on campus.
- If a staff member sees a visitor or volunteer out of area, the staff member should intervene to help maintain a safe and orderly school environment for the students and staff of Holly Grove.
- Parents volunteering are not to bring younger or older children/siblings, or family members.

Classroom Celebrations

Student health and wellness is of the utmost importance at Holly Grove. We recognize that proper nutrition is related to a student's physical well-being, growth, development, and readiness to learn, and we are committed to providing a school environment that promotes student wellness, proper nutrition, nutrition education, and regular physical activity as part of the total learning experience.

Consistent with WCPSS Board Policy 6140, HGES only permits the serving of snacks at classroom celebration events that meet the USDA ***Smart Snacks in Schools*** guidelines found by [clicking here](#).

Birthday and Other Individual Student Celebrations

Occasionally, parents may wish to acknowledge a birthday or other event at school. While these events are primarily home events, parents may recognize a child's special day in one of the following ways:

- 1) Be a guest reader/visitor in the child's classroom and then donate the book to the classroom library.
- 2) Volunteer in the classroom on that day (Volunteer clearance required.)
- 3) Send a ***Smart Snacks in School***-approved snack to the class on the child's special day for everyone to enjoy.

Please do not bring balloons or other decorations, more than one snack per student, goody bags to send home, or gifts to school. Please do not bring full-sized cupcakes, nut products, or sugary drinks. Only store-bought items are allowed.

Party invitations should be mailed from home to home and should not be brought to school for distribution. Teachers will not distribute party invitations to/for students. Additionally, teachers will not share contact information with parents with other parents per WCPSS guidelines.

Academics

Integrity/Honesty

- All HGES students are expected to present only their work to each teacher.
- Work presented as the student's own should not be copied from any other student, the internet, a book, an article, or any other reference material.
- Students will receive additional information from their teachers and the Technology Specialist regarding plagiarism.

Intervention Team

- The Intervention Team is a team made up of teachers, counselors, administrators, and extensionists who meet weekly to discuss ways to support and strengthen students.
- Team members discuss questions and concerns, generate solutions, and implement a course of action.
- Teachers, extensionists, parents/guardians, and administrators can submit referrals.

Homework Policy

Homework should be considered a worthwhile use of time outside of regular school hours to extend classroom learning. Students are encouraged to read 20 to 30 minutes each night. Homework usually will not be assigned on evenings when school activities have been scheduled. **Chromebooks for kindergarten, first graders and second graders will remain on campus.** Other students can leave them at school, as well as take them home. **Please keep in mind that WCPSS devices are to be used for instruction only (not gaming, entertainment, etc.) Please monitor your child at home if your child is using their Chromebook.** 4th and 5th grade students will be required to complete IXL assignments weekly.

Standards Based Grading Practices

At Holly Grove Elementary School, we believe that all students deserve the opportunity to receive an education that prepares them for middle school, high school, college and beyond. To this end, we will create an environment that is supportive of all students as they work towards mastery of the NC Standard Course of Study/Common Core Standards.

Rubric for Standards Assessment

*Please note that not all standards provide a level 4 opportunity.

	Language Arts	Mathematics
4	<ul style="list-style-type: none">• Demonstrates proficiency of the standard with complex texts that are written beyond grade level• Consistently applies and extends the standard while reading• Consistently applies the standard with a high level of independence	<ul style="list-style-type: none">• Consistent performance beyond proficiency• Works independently• Understands advanced concepts• Applies strategies creatively• Analyzes and synthesizes• Shows confidence and initiative• Justifies and elaborates responses• Makes critical judgments• Makes applications and extensions beyond proficiency; applies Level 3 competencies in more challenging situations
3	<ul style="list-style-type: none">• Consistently demonstrates expected proficiency of the standard with grade appropriate text• Consistently applies the standard while reading• Begins to apply the standard independently	<ul style="list-style-type: none">• Exhibits consistent performance• Shows conceptual understanding• Applies strategies in most situations• Responds with appropriate answer or procedure• Completes tasks accurately• Needs minimal assistance• Exhibits fluency and applies learning• Shows some flexibility in thinking• Works with confidence• Recognizes cause and effect relationships• Applies models and explains concepts

2	<ul style="list-style-type: none"> • Inconsistently demonstrates expected proficiency of the standard with grade appropriate text • Has difficulty applying the standard while reading • Applies the standard only with teacher guidance 	<ul style="list-style-type: none"> • Exhibits inconsistent performance and misunderstandings at times • Shows some evidence of conceptual understanding • Has difficulty applying strategies or completing tasks in unfamiliar situations • Occasionally responds with the appropriate answer or procedure • Frequently requires teacher guidance • Demonstrates some Level 3 competencies, but is inconsistent
1	<ul style="list-style-type: none"> • Does not demonstrate proficiency of the standard and is successful only with text written well below grade level • Cannot apply the standard while reading • Does not have the requisite concepts and skills to participate in grade level instruction 	<ul style="list-style-type: none"> • Exhibits minimal performance • Shows very little evidence of conceptual understanding and use of strategies • Frequently responds with inappropriate answer and/or procedure • Very often displays misunderstandings • Infrequently completes tasks appropriately and accurately • Needs assistance, guidance, and modified instruction

Interims/Report Cards

- Parents/Guardians must be informed at the beginning of the year of the grading scale and rubrics for assessing projects and other such learning activities (book reports, PowerPoints, presentations, etc.)
- Students are given their report cards to take home at the end of each nine-week grading period.
- If your child has an IEP, they will also receive a progress report.
- Interims are distributed about the fifth week of the quarter.

WCPSS Promotion Standards & Retention

- Students in WCPSS are required to meet promotion standards to progress to the next grade level.
- Multiple criteria shall be used for assessing students' progress.
- **Principals have the authority to promote and to retain students based upon the standards set by the Wake County Board of Education and the State Board of Education**
- Parents may consult Board of Education Policy 3420 for additional information.

Communication

Conferences - Parent/ Teacher

- The parent-teacher partnership is essential to academic success. Therefore, it is imperative that we strive to remain proactive and keep families well-informed.
- Teachers will schedule conferences with parents after the first and third reporting periods. If a parent needs to conference with a teacher at another time, they may contact the teacher.
- Teachers will communicate with parents/guardians if a student is doing unsatisfactory work or is misbehaving, and that communication should include conferences designated to identify and discuss the problem as well as strategies to eliminate or minimize the issues. Do not rely solely on report cards, interim reports, or email messages. Contact your teacher if you have any concerns as well.
- Teachers do not have phone access during the day. If you need to communicate during the day, you can email/Talking Points the teacher. If it is an EMERGENCY, please call the MAIN OFFICE at 919-577-1700.
- It is not appropriate to have informal "conferences" or talks with teachers if you are volunteering at events or during school activities as it distracts staff from instruction and supervision. Rather, set up a time to meet with the teacher formally.
- Concerns should be addressed directly to the teacher before reaching out to administration.

School Messenger

- HGES continues its great tradition of excellence by providing students and parents with as much information as possible regarding academic and non-academic programs.
- Mr. Cline shares a weekly message through a computer-generated school messenger system, which highlights dates and times for each week's significant school activities. Messages are sent out on Fridays at noon.
- The School Messenger computer program simultaneously sends the message to each student's and staff member's household during the preceding weekend.
- BE SURE TO KEEP DEMOGRAPHIC INFORMATION CURRENT IN POWERSCHOOL to receive updates and messages.

Teacher Instructional/Informational Web Sites or Newsletters

- Every teacher will have a website or newsletter that will contain information pertinent to their class such as curriculum, resources, homework assignments, agendas, handout materials, grading practices, activities, events, etc. Teachers may use Talking Points or email for communication, as well.

Tuesday Folders

- Students and school information to parents will be sent home in the folder EVERY Tuesday. This is a means to provide weekly feedback on academic and behavior progress. Using these folders to communicate will prevent surprises at report card time.
- The folder may contain samples of your child's work, assignment sheets, and other valuable information regarding your child's progress and needs. In many cases, a signature is required for the folder. Please review the contents of the folder carefully and send it back the next school day.
- We will strive to have HGES and PTA information and special notices sent home to parents on Tuesdays only.

Locator Information

At the beginning of the year, your child's teacher will send a "locator information" form to be completed and returned as soon as possible. The information on the form is **very important** and will be filed in the school office. Please complete the form as soon as possible, giving the name and phone numbers of relatives, neighbors, or friends who can be contacted, in case of an emergency, when you cannot be reached. **If these arrangements change during the year, please notify the office and the teacher.** We also require signatures on the form from your identified emergency contacts.

Please let these individuals know that they are required to show a picture ID. If you are not able to get the emergency contact's signature, it will be obtained when they show their picture ID.

Change of Address or Phone Number

Parents must inform the school office in writing of any change in address or phone numbers so that we have accurate, up-to-date information for all students. In order for your address to be changed on the WCPSS Infinite Campus, please also provide the school office with a copy of your current utility bill showing your new information. **All** parents must give a phone number (home, work, mobile, etc.) where they can be reached during the school day in the event of an emergency.

Telephone Use

Telephones are available in the office for students' use for emergencies only. Students will be called from class only in emergency situations; otherwise, messages will be given to your child's teacher. **Please do not call or text your child during the instructional day, as all devices should be turned off, and it may require a device to be confiscated.**

Transportation

Buses

School transportation is a privilege, not a right. Students should always observe the directives of the school bus driver while riding a school bus or other school vehicle. Students shall board and leave the bus only at their designated bus stop. Students must ride the bus they are assigned per Board Policy 7125/Section F. **All requests for students to ride a bus they are not assigned will be denied, therefore alternative arrangements will need to be made.** If there are concerns with behavior or safety, please contact HGES. HGES is not responsible for routes, drivers, or other concerns related to stops etc., so please direct any bus transportation questions or concerns to the WCPSS Transportation Department at the following links:

- Transportation Department Main Page: <http://www.wcpss.net/Domain/30>
- Transportation Question/Concern Form: <http://www.wcpss.net/Page/43>
- Holly Grove Elementary Bus Routes: <http://webarchive.wcpss.net/school-directory/bus/routes/457.html>
- Holly Grove Elementary Live Bus Updates & Locations - *Here Comes the Bus App*:
<https://www.wcpss.net/herecomesthebus> OR
<https://www.wcpss.net/Page/1905>

Bus safety is everyone's responsibility. All students will participate in a bus evacuation drill during the first week of school. Please review the following bus safety rules with your student(s):

1. Show respect for the driver.
2. Enter and leave the bus without pushing or crowding.
3. Be always seated while the bus is in motion.
4. Talk using a quiet tone of voice and without profane or abusive language. Do not yell out of the windows.
5. Keep the bus clean and avoid littering.
6. Refrain from consuming food or beverages on the bus.
7. Remain in your seat without placing any part of your body out of the window, without climbing or jumping over seats, and without throwing objects.
8. Refrain from horse playing or aggressive behaviors on the bus.

The following conduct or violation of any other rule of the WCPSS Code of Student Conduct while on school transportation is specifically prohibited and may result in temporary or permanent suspension from all school transportation services. The driver of the school bus will report promptly to the principal or assistant principal any misconduct on the bus or disregard/violation of the driver's instructions by students. The principal or assistant principal will follow the guidelines set by WCPSS as they relate to bus misconduct and may exclude a student from the bus for disciplinary reasons. Parents will provide the student's transportation to and from school during such exclusion.

Delays, changes, or cancellations of bus routes can be monitored by clicking <https://www.wcpss.net/Page/1905>. HGES will try our best to notify when we are made aware of significant to the best of our ability. WCPSS is exploring using an application to notify parents.

Disciplinary Procedures

FIRST OFFENSE:

The assistant principal or principal will conference with the student regarding appropriate bus behavior and give him/her a warning not to repeat any inappropriate behaviors.

SECOND OFFENSE:

Another disciplinary conference will be held with the student. The assistant principal or principal will call the parents regarding the incident, and a report will be sent home with the student that will need to be returned with the parent's signature.

** If a student is involved in a fight, dangerous activity, or displays extreme disrespect towards the driver, he/she could be suspended from the bus on the 1st or 2nd offense.*

THIRD OFFENSE:

Another disciplinary conference will be held with the student. The parents will be called, notified of the situation, and given the number of days that the student will be suspended from the bus. *(It will be the parent's responsibility to transport the student to and from school for the entire suspension period. Absences from school during the suspension period will be considered unexcused.)* Any further infraction will result in an additional suspension from the bus.

Improper conduct on the bus will result in that privilege being denied. Inappropriate behavior that distracts the bus driver's attention is NEVER permitted.

* To be fair and consistent with all students, suspensions from the school bus are final. No alternative or substitute consequence to suspension will be made regardless of the child's transportation difficulties during the suspension.

* By notifying parents of a child's misconduct, it is hoped that the parents will work with schools to correct bus problems so that a suspension will not be necessary. Parental assistance will certainly help improve bus behavior. Parental concerns about a student's bus behavior should be referred to the Assistant Principal at (919) 577-1700.

Carpool

Our carpool system is designed to offer safe and efficient arrival and dismissal of students who come daily in private vehicles. Safety is our primary concern, not speed. Please be patient.

General Information

- Each participating family must communicate their intentions of carpool usage to HGES. Afterwards your family will be issued a carpool number. There is one number per family.
- Families re-use the same number from year to year. Tags are to be returned to the HGES front office if you change schools, move, or wish to no longer carpool. Additional tags are available for \$2.00 fee (3 tags in a set, first TWO tags are complimentary). We highly encourage and prefer exact change.
- Please display the tag throughout the carpool and until the child is in the car. If you do not have a carpool number displayed, you will be asked to park and go to the office to sign your child out.
- All carpool students must be dropped off and picked up at the front carpool loop. For safety, NO students are to be dropped off in parking lots. Therefore, drop off the child first in the carpool, then park your car if you are coming into the building for meetings or to volunteer.
- Holly Grove Schools have two lanes: the left lane is for Holly Grove Middle, and the right lane is

for Holly Grove Elementary. Please do not try to use the other lane to cut or break the line.

- Please be sure your children know how to fasten and unfasten the seatbelt/car seat, so they can enter and exit the car quickly.
- Please have your children gather their belongings prior to getting out of the car. Give all hugs, kisses, and reminders prior to unloading.
- For the safety of the students, **ALL STUDENTS MUST EXIT FROM THE PASSENGER SIDE OF THE CAR.** This may require you to move car seats.
- **DO NOT** pass stopped cars in the carpool loop.
- Please **DO NOT** talk or text on cell phones as you pull into the loading area. This jeopardizes the safety of students, staff, and other parents in the loading zone.
- Please note that staff and Safety Patrol may open the doors to provide additional assistance and/or to expedite the flow of traffic. However, this is not an expectation or requirement, but a courtesy extended by attendants.
- All students should stay in the car and not lean out of windows or sunroofs.
- Please pull up close behind the car in front of your car and follow HGES staff directions.

Morning Procedures

- 8:45 a.m. - 9:10 a.m. (*this ensures that students will not be late for class that begins at 9:15 a.m.*)
- **DO NOT LET CHILDREN OUT OF THE CAR PRIOR TO THE APPEARANCE OF HGES STAFF** **this will be at or after 8:45 (we use school time, not individual times - wait for the bell)**
- The lead car should pull all the way down closest to the media center entrance door to allow for more vehicles to unload.
- Pull up in line as far as possible. Do not leave large gaps in the line. Do not stop at the walkway to the building.
- Do not pull out of line to attempt to exit the line before cars in front of you move forward. This is very dangerous as students could unload from both sides of cars.
- Students are to exit from the passenger side of the car **only**.
- Students dropped off habitually early will be required to sign in students in the front office after 8:45 a.m.
- Do not drop students off outside if after 9:15 - you must sign them in.

Afternoon Procedures

- Cars should line up single file in the order of arrival. Do not leave cars unattended in the carpool line. Do not pass cars.
- Your carpool number must be prominently displayed in your front window until you have your child in the car. If someone other than you is picking up your child, they **MUST** have that number.
- As cars arrive at the school they need to go to the **END** of the carpool line.
- School personnel will walk down the line of cars to enter your carpool number into the system. Your number will be displayed for the students in the order in which you line up.
- Students are dismissed from their classrooms. Students view their highlighted number on the Computer Screen or Promethean Board and then proceed to the corresponding placement outside. **Please stress to your children that it is extremely important that they pay close attention to the screen to identify their number and then come quickly to the carpool line.** Cars idling in the loading zone waiting for students delay everyone further back in the line.
- Students must wait on the hedgehog sidewalk logo until their car has made a full stop in the loading zone.

- **Students are expected to be picked up by 3:55 p.m.**
- Students not picked up on time must be signed out in the office, for safety and documentation purposes. Families who are chronically late will be required to use the bus as a mode of transportation or secure an after-school daycare provider.

Walkers / Bikers

In accordance with state law, WCPSS does not automatically provide school bus transportation to students attending. School Board Policy directs the Transportation Department to evaluate whether to provide transportation within 1.5 miles based on walkability and cost factors. Based on these factors, no transport/walk zone boundaries are established. If your student resides in the no transport/walk zone, the parent or guardian is responsible for providing transportation to and from school. Parents are urged to discuss safety rules and to observe their children walking/riding bicycles to school. Children should wear safety helmets when riding their bicycles and scooters as required by law.

Approved Walker/Biker Neighborhoods: Autumn Park, Grove Park Village & Holly Grove Middle School

- Parents/Guardians must sign a *Walker/Biker Permission Form* yearly.
- Parents/Guardians must accompany their child(ren) to and from school. If you wish to have your child released and unaccompanied by an adult, you must request and approve this method in writing.
- **Arrival:** 8:45 a.m. - 9:10 a.m. (*this ensures that students will not be late for class that begins at 9:15 a.m.*); All walkers/bikers will enter the main campus and continue along the sidewalks to the main entrance of the school. (*Pre-school walkers/bikers will use the bus loop entrance in the a.m./p.m.*)
- **Departure:** At 3:45 p.m., all walkers/bikers will be dismissed. Parent/Guardian pick up will occur at the media center. Students will be released when a staff member ensures that the parent/guardian that is listed on the *Emergency Locator* form is the person picking the student up by verifying proper ID. If a child is being released to another family member or friend, the office must be notified and will be verified with proper ID.
- Participants and families will receive a numbered tag as a form of identification, matching and safety.
- WCPSS Employees at Holly Grove Middle will be required to follow the procedures listed. A HGES staff member will not walk students to the middle school for convenience.
- Parents/Guardians who live outside the "walk zone" Must apply and will be provided a Pink tag. K-5 students must be picked up by a legal guardian.
- A walker/biker never gets into a parked car on campus.
- An alternate dismissal plan may be implemented during inclement weather.
- Lock all bikes and or scooters on the racks to deter crime.
- Any inappropriate conduct by a parent or guardian during walker dismissal may result in the loss of privilege.
- Please walk bikes through the carpool loop for the safety of all students, staff, and visitors.

Van/Bus Riders for Daycares and Camps

Families that have registered with outside care providers will have access to ride their method of transportation before and after school. These providers will use the bus loop to drop off and pick up students. Providers may drop off between 8:45 a.m. – 9:10 a.m. (*This ensures that students will not be late for class that begins at 9:15 a.m.*) At the conclusion of the school day, students will remain in their classrooms until their van/bus has been noted as arrived on the TV screen. Students will proceed to the bus loop to board their vehicle to leave with their provider. Pick up is between 3:45 PM – 4:15 PM.

Below is a list of our known providers:

<ul style="list-style-type: none">• Active Tracks• Beyond School Age Care• Holly Springs Parks & Recreation—Hunt Center	<ul style="list-style-type: none">• Kraft Family YMCA* (onsite at HGES)• Kiddie Academy
---	--

**Please contact the before or after school daycare/camp provider if you have questions about transportation or services.*

Transportation Changes

Teachers will document each student's normal mode of transportation (bus/carpool/van rider/walker/biker) at the start of the school year. Changes to this transportation method must be made in writing and in a note or email to the student's teacher. In addition, we recognize that emergencies occasionally arise during the school day which necessitates a change to a student's mode of transportation. In this exceptional instance, a change may be made via phone call to the front office **prior to 3:00 p.m.** For safety reasons, the sooner we are notified the better. The HGES cannot authorize any method of WCPSS transportation that has not been assigned or documented by WCPSS for a student. Students will be placed on their normal mode of transportation unless noted by parents, do not have students inform teachers as this will not be accepted.

Field Trips

Current educational philosophy recognizes the desirability of using the total community environment as a learning laboratory. To this end, teachers may schedule field trips for their classes. These trips enable students to see people at work and serve to broaden the students' total educational experience. The field trip's cost will include transportation costs and any other fees associated with the trip. Every effort will be made to assure both the suitability of any trip away from school and the reasonableness of any cost involved in the trip. For this reason, all field trips must have the approval of the principal. Before a student can go on a field trip, a Wake County permission sheet signed by the parent must be on file in the office. Verbal permissions and handwritten notes are not accepted. All volunteers on field trips must be approved volunteers to be a chaperone. There are two kinds of field trips: (1) an off-campus field trip is defined as any planned activity that necessitates the student leaving the school grounds during the instructional day (2) and on-campus field trip is defined as any planned activity by an outside organization during the instructional day. Trips are an extension of learning and students are required to travel with their class to the destination. However, if students do not have permission to go on a trip, those students will be placed in another classroom for their instruction.

Dress Code

According to the WCPSS Board of Education (Policy 4316), "students are expected to adhere to standards of dress and appearance that are compatible with an effective learning environment. Presenting a bodily appearance or wearing clothing which is disruptive (tails, costumes, or other items,) provocative, revealing, profane, vulgar, offensive, obscene, or which endangers the health and safety of the student or others is prohibited." Examples of prohibited dress or appearance include, but are not limited to, the following:

To promote these goals, students may not wear or carry clothing, jewelry, book bags, or other personal articles that:

1. Depict profanity, vulgarity, obscenity, or violence;
2. Promote the use or abuse of alcohol, tobacco, or illegal drugs
3. Are prohibited under Policy [4309](#) III-2 (Gang and Gang Related Activity) or any other provision of the Code of Student Conduct;
4. Threaten the health or safety of staff or students; or
5. Are likely to create a substantial disruption of the school's educational process or operations. Specifically:
 - a) Students must wear clothing that covers their skin from chest to mid-thigh with opaque (non-see-through) fabric in front, back, and on the sides.
 - b) Students must wear shoes except when changing for physical education, athletic practices or events or when specifically directed otherwise by a teacher or administrator.
 - c) Clothing must cover undergarments (waistbands and straps excluded).
 - d) Breasts, genitals and buttocks must be covered with opaque (non-see-through) fabric.
 - e) Clothing must be suitable for all scheduled classroom activities including physical education, science labs, wood shop, and other activities where unique hazards exist.
 - f) Head coverings (including hats, hoods, sweat bands, and bandanas) are generally prohibited in the school building. However, students may wear head coverings in the school building as an expression of sincerely held religious belief (e.g., hijabs or yarmulkes) or cultural expression (e.g., geles) or to reasonably accommodate medical or disability-related issues (e.g., protective helmets).

Furry tails and other costume items are not permitted. Specific guidelines/Exceptions are given for Book Character Days, Hedgie Reward Days etc. by the administration or teachers prior to such events.

At HGES, teachers are expected to use their professional judgment when determining if a student's clothing is likely to cause a distraction or a disruption in the learning environment.

For more information, see https://boardpolicyonline.com/bl/?b=wake_new&s=208219#&&hs=622447.

Consequences for Inappropriate Student Dress

- **Teachers** are asked to address dress code violations in the morning; they should not wait until the end of the day when enforcement is more difficult.
- *Students who fail to comply with the school dress code will telephone their parent/guardian from the classroom to bring appropriate clothing.*
- Students who fail to get a change of clothing will have the opportunity to find a change of clothing from the donation area in the office.
- WCPSS policy states that students will be given the opportunity to change their clothing or call home for appropriate clothing the first time. Repeat violations are considered non-compliance and will result in a behavior referral. Teachers are asked to document when a student fails to comply with the dress code.
- Repeat offenders will be subject to disciplinary action.

Cafeteria / Lunch Procedures

Cafeteria - General Procedures

- Instructional Assistants will supervise students during lunch, including the lunch line, while students are eating, and during dismissal/trash disposal time.
- Once seated, students are to remain in their seats. If a student wants an additional item, he/she must raise their hand and be recognized by an adult before getting back up.
- **Free and reduced forms are to be completed yearly.**
- The noise level in the cafeteria must not be excessive.
- Prepayment to student lunch accounts is completed in the morning.
- Parents/Guardians can also load lunch accounts with money by visiting www.MySchoolBucks.com or calling (855) 832-5226.
- All leftover monies carry over from year to year and beyond elementary school as long as the student is in WCPSS.
- The cafeteria manager will provide reminders when a child is almost out of lunch money, and the school social worker will reach out to families that have unpaid bills.
- Students may access the PTA lunch fund up to two times without repayment. (*See receptionist for details.*) After accessing funds twice, students will be given fruits, vegetables, and water provided by the cafeteria.
- One snack may only be purchased during lunch. Students may not be sent to the cafeteria to purchase snacks during the school day.
- A complete lunch consists of a main dish/protein (meat), vegetable, fruit, and milk.
- On Early Release or delay schedules students will be provided lunch at a modified lunch schedule time.

Summary of meal prices:

Breakfast: Full Price \$ 1.75

Lunch: Full Price \$3.50

** Adult meals and snacks are price a la carte.*

Eating Lunch with Students

If Parents want to eat lunch with their child, please do as follows:

Check out your child, sit on benches in front of the building or go off campus, sign your child back in.

Please try to adhere to the established lunch times. Please do not ask to sign out other people's children or friends.

Recess (Physical Education)

The State of North Carolina requires that all students have directed and structured physical education each day. The policy requires 150 minutes per week including Physical Education class. Weather permitting, students should be taken outside for at least fifteen minutes daily. A balance of structured games, skills, fitness, and some free time is appropriate. Our recess period is 25 minutes.

Weather Conditions

- When the heat index is predicted to be between 90° and 94° degrees, student activity outside should be limited to 15 minutes or 20 minutes with breaks.
- When the temperature is predicted to be 95° degrees or higher, students are not taken outside after 11:30 a.m. The student activity is limited to 15 minutes.
- When the day is designated as Code Orange Day, student activity is limited to 15 minutes.
- When the day is designated as Code Red Day due to air quality, students should remain indoors all day.
- Teachers encourage students to drink water on hot days. They need to drink water to avoid dehydration. Please ensure all students have a water bottle.
- Students will go outside all year long. Please ensure that your students are dressed appropriately for daily outside play.

Health Information

Medication Rules and Procedures

If a medicine is necessary for a student's well-being and ability to function in school and cannot be scheduled outside of the school day, it can be administered to or taken by the child at school.

A. School officials may administer medication to students if the Parent Request and Physician Order for Medication Form (1702) is completed.

B. The principal shall be responsible for verifying the request and physician's orders and for monitoring the administration and maintenance of medication. The following conditions apply when medication is to be administered by school personnel:

1. In the case of long-term medications, requests should be updated at the beginning of each school year and any time there is a change in dosage prescribed.
2. No one at the school can be required to administer medication. The school system, however, is responsible for the administration of medication for long-term, chronic illness.

3. The public health nurse will review any new medications received on Form 1702 during her regular visits.
4. No medication will be given by a school official unless it is in a container dispensed by a pharmacy with the pharmacy's label containing the student's name, name of medication, the date the prescription was filled, and directions clearly marked.
5. The public health nurse will be involved in instructing school personnel in proper procedures for administering any injection ordered by the physician.
6. Medication should be kept in a locked place in the main office.
7. If Form 1702 is received by the school for medication administration, the name and dose of medication, period of administration, person administering medication, and the doctor's name should be recorded on the Health Card in Section V.
8. The person administering medication should keep a written record of dates of administration.
9. Any self-medications must be accompanied by doctor's orders and the student must show that they can administer medication themselves and to the school nurse.

Please note: No medication will be administered without the 1702 Form or a medical plan developed through the doctor's office. All medications must be brought to the school by the parent and NOT THE STUDENT. If this is not possible, arrangements must be made with the principal or the bus driver to transport the medication.

**If your student has medication that has to be given by injection, please call the school nurse to develop a plan.

A new State Law requires every child entering public schools in NC for the first time to receive a health assessment. This assessment must occur within 12 months prior to entering school and must be provided to the school within 30 calendar days of the child's first day of attendance.

***Remember that school screenings do not take the place of regular check-ups by your child's physician.

Kindergarten Health Assessment

The 1993 General Assembly session amended the law to assure that all students entering Kindergarten have a Kindergarten Health Assessment. Assessments must occur between the first of January prior to school entry and the date of school entry. Students will have 30 calendar days from entry to school to have the Health Assessment completed. Kindergarten teachers should check students' folders immediately and inform the school nurse of students who are missing Health Assessments. If the form is not returned, the student is not allowed to attend until the form is provided.

Dosage and Age Requirements

State Law regarding immunizations has been amended and affects children enrolling in school for the first time (K-1) after July 1, 1994.

North Carolina Law requires that each child be immunized with:

- Diphtheria-Tetanus-Pertussis: 5 shots of DTP vaccine (diphtheria, tetanus and whooping coughs); if the fourth dose is after the fourth birthday, a fifth dose is not required.

- Polio (OPV): 4 doses of oral polio vaccine; if third dose is after the fourth birthday, a fourth dose is not required.
- Measles: 2 doses received at least 30 days apart: one dose on or after the first birthday and a second dose before enrolling in school (K-1) for the first time. (Commonly given as MMR).
- Mumps: 2 doses received at least 30 days apart; one on or after the first birthday. (Commonly MMR).
- Rubella: 1 dose given on or after the first birthday. (Commonly given as MMR).
- Haemophilus Influenza type B (Hib): 1 dose at or before 15 months or the complete series. Hib is not given, if the child is 5 years or older.
- Hepatitis B (HBV): 3 doses (children born on or after July 1, 1994).
- Varicella: 2 doses for children born on or after April 1, 2001 without documented history of the disease.
- Pneumococcal conjugate: 4 doses. 3 doses by age seven months and a booster dose at 12 through 15 months of age.

Health Room

The Health Room is located near the receptionist/office area. This area is for students who are ill or injured and are waiting to be picked up.

Students will be sent home if they have the following symptoms:

- Temperature of 100.4 or higher (A child should remain at home for 24 hours after the temperature has returned to normal without medication.);
- Nausea, vomiting;
- Severe headache;
- Diarrhea;
- Red, watery eyes with yellowish discharge;
- Undiagnosed rash; and/or head lice. (Students will need to be checked upon returning to school to control outbreaks in the school.)

Student Illness/Injury

If a child becomes ill or is hurt at school, the teacher or instructional assistant will accompany the child to the office in grades K-2. Another child may accompany the child in grades 3-5. Teacher or instructional assistants should take the child's temperature in the room for non-emergencies. **If the temperature is 100.4 or greater the child must go home.** If a student is injured on school grounds, an accident report is required. Administration and parents will be notified as soon as possible when an injury occurs.

School Insurance (Accidental and Dental)

School insurance is available to all students. Information is available on the Wake County Public Schools Website, www.wcpss.net. Purchase of the insurance is optional.

School Wide Behavior Management Plan

Philosophy

An effective school climate is one that is nurturing, safe, and conducive to learning. In establishing a discipline policy, it is important to focus on encouraging students to make good choices and be responsible for their behavior. In making these decisions, students learn that there are rewards and consequences for their actions. Our job as educators and parents is to guide students to rewards for appropriate choices and to assist them in learning from their mistakes. Within this framework, teachers certainly have the leeway to establish a variety of individualized behavior management plans that support the school's philosophy. It is hoped that the consistency provided by the school-wide plan will help students realize their potential and make the learning environment as productive as possible.

Through both direct instruction and modeling, all adults at Holly Grove will make every effort to help each child be a contributing member of our school community that is both safe and conducive to learning. We will work closely with students to ensure that everyone is familiar with class and school wide procedures.

Positive Behavioral Interventions & Supports (PBIS)

Positive Behavioral Intervention Support is the school-wide discipline plan that we use to make our school a wonderful place to learn. PBIS uses proactive measures and school wide expectations to enable students to achieve social and academic success in school. Such supports and expectations are developed, implemented, and monitored by all staff members working in the school. Implementing these expectations school wide can reduce frequency of students who engage in problem behavior.

We believe...

- expectations for all students, staff, and administrators should be clear, positive, and consistent.
- communication and support among parents, staff, and administrators are critical for a positive school-wide climate.
- a caring environment that nurtures the whole child must include peer interactions for both adults and children.

We expect that students, staff, and our school community will respect themselves, others, and property.

Hedgie Rewards

Hedgie rewards are part of a behavior support/reward system to encourage students to collaboratively adhere to our school-wide expectations and procedures.

- Rewards are given to whole classes when they are "caught" working together to fulfill a school wide expectations in hallways, restrooms, cafeteria, extensions, assemblies, playground, and at dismissal.
- The class will put the reward on their class poster and once they get to certain milestones, they will receive a choice class reward from a menu of options.
- Once each milestone is reached, classes will be announced on morning announcements.

- Class Hedge Rewards posters will be displayed in a common area on each grade-level hallway for all to see.
- Hedge rewards tokens/stickers will be in accessible envelopes in various areas throughout the building for ease in staff using them.
- Hedges of the week will be recognized on the announcements and in a group picture that will be displayed in the main hallway.

Social Emotional Learning

Supporting student mental health is imperative in today's educational climate. To that end, teachers will:

- Teach "Second Step" lessons to every class
- Implement the Zones of Regulation in each classroom and maintain a calm down space
- Hold a "Morning Meeting" each day to foster healthy communication and relationships within the classroom
- Implement initiatives suggested the SEL Committee for the benefit of students

Non-Discipline Interventions

- It is important that non-disciplinary interventions are attempted when trying to affect student behavior. Some of these interventions include:
 - Conferencing with the students and parents
 - Involving the guidance counselor in the discussion and asking the counselor to work with the student
 - Securing outside resources to help support the student
 - Changing seating arrangements within the classrooms
 - Altering the student's schedule

Student Discipline Plan

Teacher Initiated Consequences for Student Misbehavior

Teachers, teacher assistants, extensionists and other staff members at HGES are empowered to do everything the administrators can do, except for assigning ISS (Time in Office) and OSS. The following list contains suggested teacher-initiated consequences:

- Verbal warning(s)
- Conferencing with the student, either individually or with the other team teachers
- Calling and/or conferencing with the parent(s)
- Assigning silent lunch/lunch detention
- Suspension/removal of classroom privileges
- Placing the student on a behavior contract
- Changing a student's seating assignment
- "Time Out" with another teacher
- Initiating other punishments or consequences within school board policy

Parent/Guardian Contact

- Parents/Guardians will be informed by the referring teacher of any discipline referrals.
- Teachers will make every effort to contact parents/guardians regarding student behavior and

potential consequences. **Teachers will contact the parent/guardian by phone, email/Talking Points.**

- All parent/guardian contacts or attempted parent contact will be documented.

Examples of Minor Referral Behaviors

The following are examples of some types of minor behaviors:

- Classroom disruptions (talking, out of seat, throwing paper, noises, etc.)
- Eating or drinking outside the cafeteria
- Littering
- Running in the hallways or common areas
- Playground misbehaviors
- Inappropriate behavior in the cafeteria (i.e., not keeping the area clean)
- Profanity that is not directed at a staff member
- Presence in an off-limits area
- Horseplay such as pushing, shoving, kicking, hitting, etc.
- Unprepared for class or not completing assignments
- Inattention in class
- Disrespect to Peers
- Disrespect to adults, such as talking back, mumbling, rolling eyes, sucking teeth, etc.
- Dress code violations

There are several other offenses not listed that require teacher redirection. An example of this is gum chewing. There are no specific rules about gum chewing. However, if a teacher asks a student to discard his/her gum, and the student refuses or repeats the offense, a minor referral for "non compliance/insubordination" may be completed.

Automatic Major Referrals

Misbehaviors that are considered "Major" will require the attention of an administrator. These actions include but are not limited to:

- Fighting or acts of violence
- Serious threats to commit acts of violence
- Flagrant disrespect of faculty or staff members
- Profanity towards faculty or staff members
- Spitting and/or biting
- Weapons
- Vandalism
- Theft / Stealing
- Sexual offenses
- Smoking /possession of tobacco or other controlled substance.
- Chronic misbehaviors that have not been resolved after the teacher has tried to correct the student (3 or more times with the same behavior) with the actions listed in the preceding section.

Consequences for Inappropriate Behavior

Time-Out

- Time out can be assigned by any teacher throughout the day except during recess (*not for prolonged periods of time*).
- The teacher moves a student from his/her classroom and places them in another room under the supervision of another staff member.

Lunch Detention or Silent Lunch

- Lunch detention or silent lunch can be served in the lunchroom or front office.
- Students are expected to be silent and not interact with other students/staff.
- Students may work on any assignments or tasks given by the teacher and if given by them, they will monitor the student.

Time in the Office or In School Suspension (ISS)

Students will be counted present and allowed the opportunity to complete assignments for the day. The student will remain in this location for the day or part of the day. Teachers and Extensionists will send work for the students to complete or request the student attend class for a particular portion. The teachers will be notified when one of their students has been assigned time in the office or ISS. Students will meet with an administrator or counselor for counseling and/or reflection of behavior choices.

Out of School Suspension (OSS)

- OSS is to be counted as an excused absence and students can make up all assignments for full credit.
- Teachers are required to provide work for all students in OSS.
- The beginning date of the suspension and the date the student is allowed to return to school will be clearly noted.
- Students serving OSS are not allowed on campus during the length of the suspension.

Mediation

- In appropriate situations, students are invited to participate in mediation to resolve conflict.
- Teachers, counselors, and administrators can lead mediation.
- Parents will be informed of the decision to use mediation.

Recess

- Recess cannot be taken away and students cannot be required to walk/run laps as a result of behavioral consequences.

Corporal Punishment

- Corporal punishment can never be allowed on a Wake County Public School campus. NO adult is permitted to administer corporal punishment for any reason; this includes parents.

WCPSS CODE OF STUDENT CONDUCT (Policy 4309)

Students are expected to be familiar with all rules of behavior in the Code of Student Conduct. Students are to help promote a safe and orderly school environment. Students are encouraged to report to school authorities any serious violation of the Code of Student Conduct.

Violations of Board policies, the code of Student conduct, regulations issued by individual schools or North Carolina General Statutes may result in some level of disciplinary action. Teachers and principals are encouraged to use various disciplinary consequences to achieve a positive change in student behavior.

The Student Code of Conduct rules are leveled, indicating the severity of violation and type of consequence.

Level I - Possible Short -Term Suspension Only

Level I rule violations should generally result in in-school interventions in lieu of out of school suspensions. In cases where a student refuses to participate in the in-school interventions or engages in persistent violations of a level I rule, or where there are other aggravating circumstances, the principal may impose a short-term suspension that shall not exceed two school days. Level I rule violations shall not result in a long-term suspension.

Examples of Level I violations are: Disrespect/non-compliance, inappropriate language, electronic devices, trespassing, tobacco, gambling, and misconduct on a school bus.

Level II - Short-Term Suspension/ Possible Long-Term with Aggravating Factors

Level II rule violations involve more serious misconduct that may warrant a short-term suspension that shall not exceed five school days. Principals may recommend a long-term suspension based upon aggravating factors regarding the severity of the violation and/or safety concerns which may warrant the recommendations of long-term suspension. Any long-term suspension recommendation based on aggravating factors shall be approved by the impartial hearing panel pursuant to Policy 6500D.

Examples of Level II violations are: Integrity, inappropriate literature or illustrations, violation of computer access, class/activity disturbance, school disturbance, school transportation disturbance, disruptive protest, false fire alarm, fire setting, property damage, theft, extortion, indecent behavior/sexual behavior, harassment/bullying, threat, false fire alarm, physical aggression, fighting, gang and gang related activity, weapons and dangerous instruments, failure to report a firearm, hazing, and aiding and abetting.

Level III - Long-Term Suspension/ Possible Short-Term with Mitigating Factors

Level III rule violations are more severe in nature and support long-term suspension. The principal may recommend a short-term suspension (10 days or less) based on mitigating factors. Any reduction to short term suspension based on mitigating factors shall be approved by a panel of the Discipline Review Committee appointed by the Superintendent.

Examples of Level III violations are: Possession, use, intent to distribute narcotics, alcoholic beverages, controlled substances, chemicals, and drug paraphernalia, assault, bomb threat, or acts of terror.

Level IV - Suspensions Required under State Law

Level IV rule violations compromise the safety and welfare of students and staff and require a suspension under NC General Statutes.

Examples of Level IV violations are: Firearm/Destructive device.

Level V - Expulsion

Level V allows for expulsion of a student, as provided by state statute, for a violation of the Code of Conduct, if the student is fourteen years of age or older and the student's behavior indicates that his/her continued presence constitutes a clear threat to the safety of the students, employees and the Board determines that there is no other appropriate educational program. Additionally, any student who is a registered sex offender under NC statute 14-208 may be expelled.

HGES Miscellaneous Guidelines & Procedures

Cellular Phones/Smart Watches/Electronic Devices – Students (Pending change to policy – see WCPSS Policy as guidance)

- Per WCPSS policy, students are forbidden to use cellular phones/smart watches during the instructional day. The instructional day begins when the student arrives on campus and ends when the student leaves campus on their bus/car ride or is released to attend an after-school event.
- Students can bring cellular phones or smart watches to school if they are turned off and placed securely in their book bags during the instructional day.
- HGES does not require that students furnish their own devices. We will provide and allow access to any forms of technology that will enhance education.
- Students are to take their devices home daily.
- Confiscated items will be tagged with the student's name and held for parent pick up in the main office. The main office is open from 8:00 am to 4:30 pm during every school day.
- We will provide as much security as possible for confiscated items; however, we are not responsible for their loss.
- WCPSS will not be responsible for lost, stolen or damaged electronic device(s) of any student.
- Use of cell phones and smart watches includes, but is not limited to, phone calls and sending and receiving text messages.

Internet Use - Student

- Parents/Guardians have the option of denying their child access to the Internet and/or prohibiting them from obtaining a district issued email account. To exercise this option, they must complete and return the **Parental Request to Deny Access** form provided by the school.
- The form is available on the district's external website though it is expected that parents wanting to deny access will contact the school directly to request a copy of the form.
- All students registered in the Wake County Public School System will automatically be given access to the internet.

Printer Use - Students

- Students are only to print with the teacher's permission. Be mindful of excessive printing.
- Color copies should not be printed.

Lost and Found

- Students finding a lost/misplaced item should place the item on the Lost and Found table located outside the gym or to their teacher or a staff member.
- Write names on all personal items (jackets, sweaters, backpacks, lunch boxes etc.). All unclaimed lost and found items will be cleaned and donated to charity or repurposed for emergency clothing for the health room the day before winter break and the day after the school year ends.

Pledge of Allegiance

- At HGES students will recite the Pledge of Allegiance daily.
- Students may be excused from reciting the Pledge due to religious or personal reasons. Those students may sit or stand quietly when the class recites the Pledge.

Media Center

The media center is an essential part of the school's instructional program. It helps students learn to become proficient readers and independent users of information. The media center will be open for students every school day from 8:45 a.m. until 3:45 p.m. and will have a Media Extension. Teachers, in collaboration with the Media Specialist, will bring classes in for circulation, and may assign students independent projects for research in the media center, may bring their entire class or send small groups for instruction or research.
