Student Profile

- Student is often failing or at-risk of failing several HS credits.
- Student can be redirected by teachers and administrators within the traditional setting.
- Student has demonstrated a history of building positive relationships with teachers in the referring school setting.
- Student has a desire to “catch up” (22 credits are needed to graduate for all students).
- When/if discipline issues occur, they are most frequently observed in larger, less structured times/area of the school.
- Student may need flexible scheduling options.
- No history of severe or aggressive acting out, or behaviors requiring significant restrictive programming.
- Student has demonstrated a positive response to smaller environments (if available) within the traditional setting.

Transportation

All students who ride buses are transported to Phillips HS through Enloe HS magnet transportation.

Application Process

All students should work with their counselor at their base WCPSS High School to complete an application for admission.

Dress Code

All students must follow the WCPSS dress code.
