2023-2024 Parent Involvement Policy

We believe it is important for parents and the school community to work together to insure student success. In order to support this valuable home-school collaboration, we will:

1. Hold an annual public meeting (Orientation) to provide an overview of parent rights' and responsibilities, the School Compact and Interventions.
2. Offer a series of parent meetings, educational workshops and activities throughout the year and provide:
 - a. Activities for the whole family
 - b. Translators as needed
3. Provide a process for parent input in planning and reviewing programs and policies by:
 - a. Conducting a parent survey
 - b. Requesting parent representation at advisory meetings
4. Provide parents with information in a timely manner by:
 - a. Providing parents with advanced notice for meetings
 - b. Communicating with parents about their child's progress
5. Describe curriculum and assessments through:
 - a. School website
 - b. Collaborative parent conferences
 - c. Interim and Report cards
