TRACK 4 VIRTUAL OPEN HOUSE

We will still conduct our Open House event scheduled, however, we will move the session to a virtual option. Families will still learn about the wonderful happenings here at HGES. Teachers will take time to familiarize their students' parents/guardians with curriculum standards, expectations, procedures, communication preferences, facilities, events, and ways for you to play an active role. Open House Google Meet links are being populated on [this list](#) and will be shared directly with families by teachers. AIG will also provide a pre-recorded session to families. *Please note: Live sessions will be recorded and shared for reference.

Schedule:

6:00 - 6:35 ~ Session 1

6:40 - 7:15 ~ Session 2
