

**Dear Families of Forest Pines Drive Families,**

**WCPSS is partnering with the Hurricanes to encourage students to read 20 minutes outside of school every day. The program began Monday, October 2, 2017, and will conclude on January 12, 2018. The Hurricanes are offering incentives and prizes throughout the READvolution. Students that achieve the goal of reading 20 minutes daily will receive a FREE ticket to a Hurricanes game. Not only are there incentives for individuals, but there are whole school rewards as well. We could win the chance for the whole school to go to the PNC arena to watch a practice, participate in activities, and meet the players. The most important part of this initiative is involving our community in making sure our students are college and career ready!**

**Please use the link below to log in a track minutes. Your child's log in information was sent home. (Older students know how to log in and enter minutes.)**

**<https://www.nhl.com/hurricanes/community/readvolution>**

**Please contact Mrs. Dunn ([adunn2@wcpss.net](mailto:adunn2@wcpss.net)) or Mrs. Marley ([amarley@wcpss.net](mailto:amarley@wcpss.net)) with any questions. We want ALL of our students logging in and tracking minutes read at home!**

**Thank you for supporting your child, our school, and our district in this READvolution!!!**
