Test Scores

GPA

Testing

- ❑ Most four-year colleges use test scores in their admission decisions
- ❑ Test scores are not the most important factor – grades are!
- ❑ Most colleges publish their test score data
- ❑ Admission tests let colleges find you
- ❑ Don't test numerous times on the SAT or ACT
- ❑ Your test scores can earn you scholarships
- ❑ Scores can be used to determine your placement in college courses
- ❑ Most four-year schools require scores, most two-year schools *recommend* them
- ❑ You are responsible for submitting your scores
- ❑ Subject Area Tests (SAT only)

SAT Testing

- ❑ Three hours; plus an additional 50 minutes for the *optional* essay
- ❑ Three test components: Reading, Writing and Language, and Math; optional essay.
- ❑ Composite scores range from 400 to 1600, with 1600 being the highest possible score. The essay is scored separately, on a 2 – 8 scale.
- ❑ Register and send scores via collegeboard.org

ACT Testing

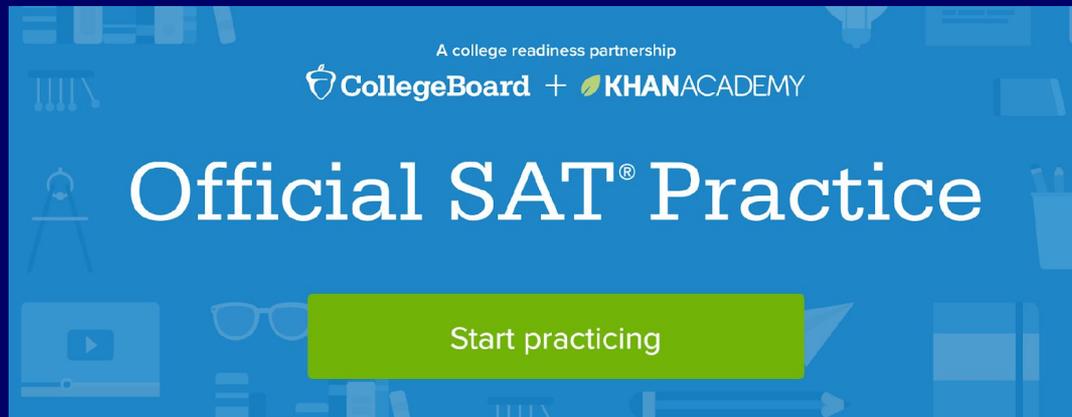

- ❑ Two hours and 55 minutes; plus an additional 40 minutes for the *optional* writing test
- ❑ Four Test Components: Reading, English, Math, and Science
- ❑ Scores range between 1 and 36. The writing section is scored separately on a 1 – 36 scale as well.
- ❑ ALL Juniors will take the ACT on February 25th for free during the school day and students will receive their scores by April.
- ❑ Register for additional testing sessions and send scores via actstudent.org

ACT Updates

- Beginning in September 2020:
 - Online Testing/Faster Score Results***
 - Students will, for the first time, have the option of online or paper testing on national test dates at ACT test centers. Online testing will offer faster results – as soon as two business days.
 - ACT Section Retesting***
 - Students who have taken the test at least once will be given the choice to retake individual ACT section tests (English, Math, Reading, Science or Writing), rather than the entire ACT test.
 - Easier Superscore Reporting
 - For students who have taken the ACT test more than once, ACT will automatically report a superscore showing the best scores from all test administrations (and a superscored composite score).

***These changes do not apply to the on-campus administration we give.
