

## **MONTHLY STEM CHALLENGE: SHARING YOUR CREATIVITY**

Dear Aversboro Families:

Each quarter Aversboro will feature a STEM Challenge for students and families. We start our challenge season with a look at the 4C's of Creativity, Collaboration, Critical Thinking and Communication.

On Sept.13th, Aversboro will celebrate “International Dot Day”, a global celebration of creativity, courage and collaboration. The celebration was inspired by the book, “The Dot” by Peter Reynolds. The Dot is the story of a caring teacher who dares a doubting student to trust in her own abilities by being brave enough to “make her mark”. What begins with a small dot on a piece of paper becomes a self discovery about creativity and courage.

Students have already been stretching their minds and “making their mark” in art class. We would like to take the challenge to the family!

### **CHALLENGE: MAKE YOUR MARK AS A FAMILY AND CREATE YOUR DOT!**
