COVID-19 GRADING AND SCHEDULING

Grading during the spring 2019-2020 school year:

Per [North Carolina State Board of Education Policy GRAD-009](#), students in grades 9-11 during the 2019-20 school year were provided two options for final grades: Numeric grades or a PC19 or WC19. Numeric grades reflect the highest-grade representing learning as of March 13, 2020 or as improved through the semester as remote learning continued. PC19 represents a passing grade and a full credit towards graduation; WC19 represents a lack of evidence of mastery in the course and indicates that the school is unable to award a full credit. Numeric grades are factored into the GPA and class rank; PC19 and WC19 grades are not.

SCHEDULING DURING THE 2020-2021 SCHOOL YEAR

Due to Wake County Public Schools' decision to create a Virtual Academy within our school, some courses were limited for our students during the 2020-2021 school year. Students could choose Virtual Academy, for the fall semester or for the entire year.

SCHEDULING DURING THE 2021-2022 SCHOOL YEAR

Wake County Public Schools made the decision to create a Virtual Academy option through the district for students this year. Students had to select to stay the 2021-2022 school year and had to opt in to the program. Students within the VA schedule are taking a combination of classes from WCPSS teachers throughout the district and North Carolina Virtual Public Schools (NCVPS).
