SCHOOL HIGHLIGHTS:

Heritage Middle School believes each student is uniquely capable and deserves to be challenged. We believe highly effective teachers, well supported by administration and the community, are essential to success for all students. We believe that a diverse, inclusive, and respectful school community promotes a positive learning and working environment. We work collaboratively to support every student and eliminate the predictability of achievement.

By June 2020, Heritage MS will reduce the achievement gap 10% while increasing overall proficiency in all subgroups as measured by the NC EOG/EOC, and all students will meet or exceed academic growth in reading and math as reported by EVAAS.

Enrollment: 1,227 Students (as of January 2019)

Calendar: Multi-track Year-round
