# How Do Students Find Their Book List?

All the directions can be found on the Wake STEM website, [www.wcpss.net/stemec](http://www.wcpss.net/stemec). Then go to:

1. STUDENTS tab
2. NCSU Books/Online Access Information
3. Click on "How to Find Your Booklist"
4. If your class doesn't have a list. Keep checking and double check your syllabus on the 1st day of class.

# HOW TO REQUEST BOOKS

FOLLOW THE FIRST TWO STEPS ABOVE

Fill out the Google form on the Wake STEM website. The sooner you submit your lists, the more likely you will have your books/access codes on the first day of classes.

You may submit this form more than once since your different professors may submit their lists at different times.

If you currently have a book from the last semester that you are going to use for the upcoming semester, please note this on the form.
