June 2025 Permission to Leave After Exam

Students may leave only after the entire class has finished the exam **(must be after 9:30 am)** and only if the parent has provided a completed permission form. Students who submit this permission slip must exit the building, leave campus immediately, and provide their own transportation home; students will not be allowed to re-enter the building. All transportation must be arranged in advance.

A signed copy of this form must be submitted to the exam teacher prior to the start of their exam if the student plans to leave before 12:00 PM. The earliest any student can leave on an exam day is **9:30am; students taking an EOC should anticipate staying longer**. All students in the room must also be done testing.

Additionally, students will not be allowed to hang-out on campus in areas like the media center, the gym, commons, or outdoor basketball court.

If a student does not have an exam, the student does not need to come to campus.

A separate form must be submitted each day stating that you are authorizing early release from school on the specified exam day.
