

Conn Magnet Elementary School
2024-2025 Classroom Environment Request Form

Student _____

Rising Grade _____

Dear Conn Magnet Elementary School Families,

All students benefit from a warm and nurturing learning environment with enough structure for children to meet expectations and learn successfully. At Conn Magnet Elementary, we are fortunate to have teachers who consistently provide such a setting.

Each year, numerous considerations must be made to form balanced and heterogeneous classrooms. The merits of your request will be considered along with the needs of the entire grade level to create classrooms that provide the most productive learning environment for all students.

Please answer the following questions to describe your child's unique needs that require special placement considerations. Please complete the form and email it back to our Data Manager, Ms. Jones, at sjones16@wcpss.net by July 28, 2024.

Thank you,

John Corey, Principal
