

# meet MS. JOYNER

Hello! I am an intervention teacher at Dillard. I have been in education for over ten years and I love what I do! I was born in Maryland and moved to North Carolina at the age of five. I attended elementary, middle and high school right here in Wake County.

I like to spend my free time with my family and friends. We like to play board games and travel to different places with each other. I have two sisters who allow to be the best auntie to my nieces and nephews. I am so happy to be a member of the Dillard family!
