# Student Organization Offerings 2019-2020

Name of Organization	Description (including leadership and/or university connections)	Meeting Days/ time	Faculty Advisor(s)
Peer Leaders	Peer Leaders is a group that aims to help in building and sharing the Leadership Habits through service and school-wide initiatives such as an Anti-Bully Prevention Program.	Every 2nd & 4th Tues. 2:30-3:30	Durenda Ward + Jess Maskulka
Select Choir	The select choir is an audition-only after school chorus that expands vocal knowledge and performances. As a member of this organization, students will learn choral leadership skills in their roles as section leaders and in their sectionals. This group is yearlong and consists of teacher direction as well as an independent group leader direction.	Thurs. 2:30-4:00	Willem Lutter
Dance Ensemble	The Dance Ensemble is an audition-only after school dance troupe that expands dance knowledge and performance skills. This group is yearlong and consists of teacher direction as well as an independent group leader direction.	Wed. 2:30-4:00	Fareedah Williams-Appah
Student Council	Student leaders come together to come up with ideas to foster a positive environment for all students and staff at Centennial Campus. Activities include planning Wolf Rallies, advising the PTSA, creating the yearbook, etc.	Wed. 2:30-4:15	Raveen Reese + Lindsey Linton
Theater Club	Lead by NC State University, Centennial Campus students develop their theater skills (in addition to other skills like listening, communicating, planning, synergizing, etc.) while building connections with each other and having fun!	Multiple dates throughout the year: see school calendar for updates	Jess Maskulka + Lindsay Strickland
Mock Trial	Students who participate on this team learn the craft of argumentation and persuasion as they prepare to argue a case before a judge and jury. While participating in this club, students learn the art of working together in teams of three to present their case. The team develops confidence in public speaking, as well.	Tues./Thurs. 2:30-3:30	Lori Glasco + Jeff Holland

Multicultural Club	Our club recognizes and celebrates the diversity of our Centennial family while providing educational and leadership opportunities for our club members to interact and share new experiences together.	Wed. 2:30-4:30	Heather Campbell + Mike Magee + Helima Diaz
State Math Team	Students in Math I and Math II prepare to compete against students from throughout the region in the regional and state math team competitions.	Monthly on Fri. 2:30-3:30	Jeff Holland
Math Science Engineering Network	The mission of the NC State University North Carolina Mathematics and Science Education Network Pre-College Program (NCSU NC-MSEN PCP) is to prepare underserved students at the middle and high school levels (grades 6-12) for careers in education and science, technology, engineering and mathematics (STEM).	Alternating Wed. 2:30-4:00	Joy Bibbs + Anthony Bowser (FI)
Math Tutoring	Math 7 students will have the opportunity to reinforce math skills learned that week and ask questions on their homework. Supported by NC State University.	Thurs. 2:30-4:00	Lindsey Linton + Cximere McCoy
Paint Box Art Club	The students will use their creativity to create different types of art in this afterschool club.	Multiple dates throughout the year: see school calendar for updates	Durenda Ward +Kate Chapman + Debbie Chaffin
Intramurals	After school sports program which provides a variety of sport and non-traditional activities that promotes life long physical activity and healthy living for students. Intramurals will allow exploration of individual skills and talents in an inclusive student-centered environment.	Tues./Wed. /Thurs. 2:30-4:30	Pricilla Herring
Battle of the Books	Students engage in reading books from the challenge list (linked <a href="#">HERE</a> ) then engage in a quiz bowl type tournament. The goal is to enjoy reading!	Friday 2:30-4:00	Jennifer Calvo
