Magnet Middle School**

Student Club Offerings

2022-2023

*Specific meeting dates can be seen on our school calendar located on the website and by students on the Student Announcement Slide Deck, the Sharpen Your Saw bulletin boards & on the information sheets club advisors give to students.

Name of Organization	Description	Meeting Days/ time	Staff Advisor(s)
The Art Pack	Art Pack is for any student who loves using their creativity and imagination to create art. In addition to making art projects of our own, we may also have visiting artists come to our club.	Dates TBD	Ms. White
Centennial Chorus/Karaoke	Students will sing along to some familiar favorites, as well as expand their musical experiences. Students will learn a variety of different songs in different styles, including popular music of today, Broadway, classics, and more. Students will also work to build fundamentals of note reading, sight-singing, and vocal production.	Yearlong, Tuesdays, 2:30-3:15 Begins Aug. 30	Ms. Fellenbaum
Dance	A 6 week Hip-Hop workshop for our students after school. Students will explore the fundamentals of Hip-Hop and learn to create choreography using the Hip-Hop movements. A 6-week latin/salsa workshop will be held for 6 weeks beginning in January.	Hip-Hop Dates: Sept. 7, 14, 21 Oct. 12, 19, 26 Latin/Salsa Dates: Jan. 18, 25 Feb. 1, 8, 15, 22 Time: 2:30-3:15 pm	Ms. Williams

Student Council	Are you a student leader who wants to make a difference in our school community? Are you interested in serving and helping others find their voice? Do you like to have fun and plan exciting activities for others? Are you interested in helping with the yearbook? If yes to any of those questions, then STUDENT COUNCIL is the place for you!	*Yearlong ; Virtual & in-person ; Meeting dates given to students & parents Begins Aug. 24th	Ms. Edmundson
Theater Workshop	Our partners at NCSU lead this exciting theater workshop where students practice the fundamentals of performance and learn from college students who major/minor in theater. More information on when this workshop will be is coming soon.	*Dates TBD	Ms. Strickland
Math Science Engineering Network (MSEN)	<p>The North Carolina Mathematics and Science Education Network Pre-College Program (NC-MSEN PCP) is a STEM-enrichment program that recruits students from underserved populations in grades 6 through 12 and provides them with experiences that will equip them to attend a four-year college/university to pursue majors in science, technology, engineering and mathematics (STEM) fields. One of four public university campuses across North Carolina that offers this program, the NC State chapter partners with school districts and schools in northeastern and central North Carolina. The program includes:</p> <p>Exposure to STEM careers Information about college admissions and scholarship Enrichment courses in engineering, math, science, and technology Opportunities to participate in local/state competitions</p>	*Oct.-April, Biweekly, Thursdays 2:30-4:30	Ms. Bibbs + Anthony Bowser (NCSU Friday Institute)
Diversify Architecture Club	<p>Do you love building in Minecraft? Are you obsessed with Lego Architecture kits (or Legos in general)? Have you ever wondered who shapes and builds the city around you? Like - who designed Hunt Library? If you could redesign our school, what would you change?</p> <p>Join the Diversify Architecture Club: learn build and design concepts, with a real architect leading the projects.</p> <p>This is an excellent opportunity to explore what it takes to be an architect and have fun making things too!</p>	Yearlong ; Dates TBD	Ms. Calvo + Ms. Auteri
Robotics	Are you interested in robotics and completing challenges and working with a team to compete at regional robotics meets? This is the club for you!	Dates TBD	Mr. Woods + Mr. Townsend
