# Student Organization Offerings 2020-2021

Name of Organization	Description (including leadership and/or university connections)	Meeting Days/ time	Faculty Advisor(s)
The Art Pack	Art Club is for any student who loves using their creativity and imagination to create art. In addition to making art projects of our own, we may also have visiting artists come to visit our club or take virtual field trips to art museums. We will explore both digital and traditional media (clay, paint, crayons, etc.) in this club.	Once a week, Yearlong; Tues. 2:30-3:30	Ms. White + Ms. Clancy + Ms. Ward
Centennial Chorus	Centennial Chorus will be the premier performance group at Centennial. We will learn songs and create a virtual choir with an eye towards performing in person when it is safe to do so.	Yearlong, Once a week, Wed., 2:30-3:30	Mr. Lutter
Yoga for Relaxation	Yoga for relaxation will focus on yoga poses to release tension in the body as well as the stretching of muscles. We will also concentrate on breathing techniques to help with your overall well-being.	1st semester, Wed., 2:30-3:00	Ms. Williams-A ppah
Student Council	Attention all RED Wolves, Are you a student leader who wants to make a difference in our school community? Are you interested in serving and helping others find their voice? Do you like to have fun and plan exciting activities for others? Then STUDENT COUNCIL is the place for you!	1st & 3rd Thurs. during Advisory & Tues. 2:45-3:45	Ms. Marissa Smith
Girls Who Code	Work in teams to complete a computer science impact project that solves a real-world problem in your community while also learning the concepts of loops, variables, conditionals and functions that form the basis of all programming languages.	Biweekly; Tues. 2:30-3:30	Ms. Bowman + Mr. Valerio
Writing Club	Do you like writing? Do you find yourself wanting to be a writer? Maybe you just have a lot to say and want a place to write it down! This club is for any student who is or wants to write. Whether you only write when you have to in class or if you are currently writing your next novel you can join! We will tailor our activities to whatever our members are	Yearlong, Once a Week, 2:30-3:30	Ms. Margaret Smith

	interested in. This could mean fun group writing games, peer editing, or even a space to bounce ideas off of each other!		
Multicultural Club	The Multicultural Club provides a friendly environment in which to make friends, play games, talk, and hang out with classmates from different cultural backgrounds.	Yearlong, Biweekly, Wed. 3:00-4:00	Ms. Campbell
Centennial Fan Club	Calling all sports fans! The Centennial Fan Club will serve as a place for fans of all sports and teams to come together to discuss (and maybe debate!) all the hot-button sports topics, share our love for our favorite teams, make predictions for upcoming games, and maybe even partner up with the athletics program of our neighbors at N.C. State. No matter what sport or team you love, the CFC is the place for you!	Yearlong, Biweekly, Tues. 2:45-3:45	Mr. Renaud
Math Science Engineering Network	The mission of the NC State University North Carolina Mathematics and Science Education Network Pre-College Program (NCSU NC-MSEN PCP) is to prepare underserved students at the middle and high school levels (grades 6-12) for careers in education and science, technology, engineering and mathematics (STEM).	Oct.-April, Biweekly, Wed. 2:30-4:00	Ms. Bibbs + Anthony Bowser (FI)
CARE Club	Students will have the opportunity to focus on personal self-care as well as care for our community through different outreach activities. Students will help lead the direction of the group by contributing and selecting areas of CARE that interest them most. Examples of self-care: meditation, write a letter to yourself, yoga, exercise, arts & crafts, games, virtual field trips. Examples of community outreach: Notes to Assisted Living Facilities, Friends/Family, Deployed Troops and Essential Workers, The Chalk Project, Clean Out Your Closets.
