

TCE Chorus will begin lining up at 3:30 pm. Please try to be in line by 4:30 pm. Note, most of the roads close at 4pm. Remember: the parade starts promptly at 5pm! And the parade goes on rain or shine.

PARADE VEHICLES –

*Line up on Ambergate Station Rd entering from Hunter St (In front of the Apex Town Hall/Community Center) there **will be volunteers and police officers placed at the entrance to Hunter and Ambergate Station. The volunteers will be wearing vest and are very helpful to assist you. TCE Chorus is number 49 in the lineup. Please ask the volunteers to assist you in finding our lineup number.** Please do NOT come up Laura Duncan because it gets too backed up, the bands and Commercial rented floats come up that way. The volunteers will help guide you to your place in the parade. **No vehicles allowed on Ambergate Station unless they are entries in the parade.***

For everyone's safety The Apex Peakway is closed to vehicle traffic.

Bathrooms are available in the Community Center or on the Ball fields directly next to the parade line up again this year.

The parade ends and disbands at the BOTTOM of Moore St. by the Apex Public Works building. *DO NOT STOP on Salem St or on the hill for the safety of your walkers and vehicles and the entries behind you. We will have police officers and volunteers there to keep the parade moving down Moore St. We have Portajohns set up again at the end of the parade this year.*

Very Important:

Parents, please sign your child in with one of our chaperones and PLEASE sign your child out with the same chaperone before you collect your child from the truck bed.

Please watch the parade and gather around Apex Baptist Church. When you see our TCE Chorus turn the corner and proceed down the hill toward Apex Public Works, please surround our trucks and walk with us to the Apex Public Works building area until we come to a complete stop. Then, please sign your child out with their chaperone.
