About Enloe

Now known as Enloe GT/IB Magnet High School, William G. Enloe High School opened in 1962. Named in honor of the Mayor of Raleigh, it opened as Raleigh's first integrated high school. During the spring of 1979, Aycock Junior High School (now the east building) was merged with Enloe to form a 9-12 school. In the 1980-81 school year, the Gifted & Talented magnet component designed to provide specialized courses was added to the academic program at Enloe. In 1997, the IB Diploma programme was added.

Enloe students enjoy the school's diversity reflected in the curriculum and in the student population. If Enloe could be summed up in one word, it would be excellence. Enloe offers students the opportunity to explore and grow to their full potential. Whether it be through academics, sports, or the arts, Enloe provides students the opportunity to perform, to learn, to grow, and to dream.

Enloe High School maintains a commitment to excellence. The administration, teachers, and staff seek to maintain a positive learning environment where students are provided challenging and unique opportunities to gain knowledge and develop their full potential. It takes the efforts of the administration, faculty, students, and parents working together to maintain a safe, exciting, and productive school environment. Courteous, respectful, and acceptable behavior should be exhibited at all times.

Gifted & Talented

The Gifted and Talented magnet program at Enloe is implemented in 3 ways:

- Extensive elective menu across all subjects, available to all Enloe students.
- Eight world languages: Spanish, French, German, Italian, Russian, Latin, Japanese, & Chinese
- Extensive AP and IB course offerings available to all Enloe students

International Baccalaureate Programme

The IB Diploma Programme is a rigorous pre-university course of studies that meets the needs of highly motivated students in beginning to develop skills to create a better world. The IBO mission states: **“The International Baccalaureate Organization aims to develop inquiring minds, knowledgeable and caring young people who help to create a better and more peaceful world through intercultural understanding and respect.”** To this end, IBO works with schools, governments, and international organizations to develop challenging programmes of international education and rigorous assessment.

Daily Operations

Announcements: Announcements of school activities and events are broadcast at the end of first period on the ‘Loe Down morning news broadcast and over the school’s intercom system (only school events and school recognized clubs/organizations). Afternoon announcements will be limited to bus changes, cancellations, and emergency announcements. All announcements must be approved by a faculty member. If an emergency announcement needs to be made other than during first period announcements, it must be approved by an administrator.

Building Access: The building will open each day at 6:55 am. Buses will not drop students off until 6:55 am. Prior to 6:55 am, only the front door of the building will be open. All students should plan their arrival to campus after 6:55 am as we do not have student supervision until that time. At the end of the day, the building will be locked at 3:00 pm. **Only students who are under the direct supervision of a teacher/coach will be permitted in the building. All other students should leave campus following the dismissal bell.**

School Meal Information:

Lunch Information: You may eat lunch in the cafeteria, the courtyard, the West Gym lobby, and/or in the classroom under the direct supervision of a teacher (a pass must be displayed to the adult on duty).

Locks & Lockers

Students will be required to formally request a locker this year. Forms to request a locker will be located in the main office. The forms need to be submitted to the office, and will be processed within 1-2 school days. Students are encouraged not to share their combinations with others as a loss prevention and/or risk of theft. The school will not be responsible for the security of any item(s) stored in lockers. Books and/or other belongings placed in an unassigned locker or in a locker designated to another student will be removed. Lockers are the property of the school and may be searched at any time by a school official. Students should contact the Assistant Principal in charge of lockers to determine the proper procedure to replace a broken or lost lock. If a lock is broken or lost by a student, the replacement cost is \$6.00. If the fine is not paid promptly, it will reflect on the student's obligation summary. Students must provide their own locks and place them on the lockers during physical education and dance classes.

Lost & Found

Lost and found articles should be turned into the main office. Lost items may be reclaimed from the office during the school day. Lost and found items not picked up in a reasonable time will be donated to charity.

School Clubs & Organizations

Enloe High School is proud to offer over 100 academic and student interest clubs. All students are encouraged to become involved in at least one extra-curricular activity while here at Enloe. School clubs and organizations are categorized as either School-Sponsored or Student-Initiated. School-Sponsored clubs are defined as student council, academic, service, or honor organizations or an extension of a school-sponsored program. Student-Initiated clubs are those that do not meet one of the criteria above. More information about specific clubs, including advisors and room locations, can be found on the school website.

Posting Information & Announcements: Students may display posters that are related to approved school activities such as club meetings, school activities, and events. Signs must be approved by the club advisor prior to being approved by administration. If an advisor gives approval for a sign, the advisor should print a hard copy or email an electronic copy to obtain approval from the Assistant Principal. The club will be responsible for making copies, posting and removing their signs from approved areas. Approved areas are denoted with signage stating, "POSTING STATION". Special approval **MUST** be acquired to hang posters in other areas of the school. Do not use tape on the bulletin boards. Failure to follow the above regulations may result in a club being unable to post information for the remainder of the school year.

Instructional Technology / Media Services

The Media Center is open daily for students to work on school work or to read: In the morning from when the building opens until first period begins, during the school day with their class or with a pass from a teacher, during lunches as space permits, and after school for at least thirty minutes, except Wednesdays. Closings may occur on short notice due to special events. This information will be posted outside the media center doors. Students must have a pass to leave the media center at any time during a class period.

Enloe's Media Center holdings include 17,000-plus book titles, CDs, DVDs and VHS tapes, online electronic databases, and internet access. Most books may be checked out for a three-week period. If a book is not returned, the patron is charged for a replacement in the amount the media center originally paid for the book. A patron may choose to purchase a copy of the lost book and donate it to the media center. Selected reference and reserve materials may be checked out only overnight.

There are more than sixty computers in the media center for students and teachers to access a variety of electronic resources and software applications. One copy machine is available for student and staff use at a charge of \$.10 per page. Students may electronically print a maximum of five pages for free per class assignment. Color printing is not available in the school.

Students are expected to follow the media center rules and respect the media center resources. Computers may only be used for school related work. Electronic devices may only be used for school work and must be in silent mode. All students, staff, and faculty must abide by the Wake County Schools Acceptable Use Policy (AUP). No food or drink is allowed in the Media Center or in the computer lab.

Fees & Fines: Media Center fines should be cleared with the Media Specialists. All other money owed to Enloe should be paid to the Guidance Technician in Student Services. Seniors are expected to resolve all financial obligations before graduation rehearsal. Seniors and Juniors are expected to resolve all financial obligations before applying for a parking space.

Academics

Wake County Public School System is committed to maintaining rigorous performance and achievement standards for all students and to providing a fair and consistent process for evaluating and reporting student progress that is understandable to students and their parents and relevant for instructional purposes. Additional updates may be forthcoming subject to Leadership approval.

For students at risk of academic failure, our school seeks to provide a prevention/intervention system that promotes successful completion and mastery of work.

Homework

The following are school-wide expectations for homework:

- The Enloe Magnet High School faculty and administration believe that homework is an integral part of the learning process.
- Homework is an extension of class work and affords students the opportunity to practice skills and apply concepts learned in the classroom.
- Students should be prepared for nightly homework in all subjects.
- Students should exercise time management skills and communicate regularly with their teachers.
- If a teacher assigns homework over a break, the teacher must give students time to complete assignments either prior to or following a scheduled holiday break. Students may choose to structure their time accordingly.
- Late homework may receive grade deductions at the discretion of the PLT. (TO BE UPDATED)
- PLTs must create and communicate in their syllabus a consistent homework plan.

Missed Work

The following are school-wide expectations for missed work:

- Students are expected to make up any and all missed work.
- If the absence is approved in advance and/or if the work is assigned by the teacher in advance, all make-up work, including tests assigned for the day of return, is due upon the student's return to school. Teachers should use discretion and may make exceptions in the case of students whose excused absences were not planned in advance, were beyond the student's control, and the nature of which would not support make-up work the day of return.
- If the make-up work has not been assigned in advance, for absences of one (1) to three (3) days, the student will have one day for each day absent. For absences exceeding three (3) days, the student may have two (2) days for each day absent to make up work. Special consideration will be given in the case of extended absences due to injury or chronic illness.

Academic Integrity

Academic honesty is essential to excellence in education and is directly related to the Board's educational objectives for students to promote integrity and self-discipline in students. As all schoolwork is a measure of student performance, academic honesty facilitates an accurate measurement of student learning.

Each student, parent, family & staff member has a responsibility to promote a culture that respects & fosters integrity. Academic integrity & honesty requires that all stakeholders share responsibility in the fulfillment of the policy.

In fulfilling these responsibilities:

- students will collaborate with their peers to foster a culture of academic integrity; refrain from participating, either directly or indirectly, in any form of cheating or plagiarism; and adhere to the honor code;
- parents and family will actively support the honor code by encouraging their child(ren) to foster and uphold a culture of academic integrity;
- staff will establish and annually teach expectations regarding academic integrity and honesty; and promote the honor code.

School Safety and Discipline

CAMPUS SAFETY GUIDELINES

In order to provide for the safety and supervision of all students, students are expected to remain on campus during the instructional day. This includes lunch periods. The only exception is for juniors and seniors who have approved lunch passes and may leave during their assigned lunch period. Once students are on campus, they must follow the appropriate check out procedures to leave. This includes having to return to your car to get a textbook, etc.

For safety reasons, there are several areas of the campus designated as "off-limits" during the instructional day: wooded area between the East and Main buildings, Clarendon Crescent, academic hallways during lunch, practice fields, breezeway, baseball field, track, any construction areas, and parking lots. If students are found in these "off-limits" areas, they will receive appropriate disciplinary action.

Students who drive or are transported by other students are to get out of vehicles upon parking and enter the building. Students are not to remain in cars after 7:25 am. Also, students are not allowed to sit in their vehicle during any lunch period. Students are not allowed to congregate on Clarendon Crescent before, during, or after school. Students may not use the sidewalk on Clarendon Crescent during class change.

HALL PASSES

Students are not permitted in the halls during the school day unless they have an official 2022-23 hall pass. Students without a hall pass will be sent back to class and/or receive appropriate disciplinary action. Students are responsible for getting a hall pass from a teacher if they are in the hall during class time and especially during lunch periods. Students are not permitted out of class, with or without a pass, during the first 10 minutes and last 10 minutes of class.

School Safety

SAFETY DRILLS

When the fire alarm signal begins, students should exit the building quickly and quietly and proceed to the designated location away from the building. A chart is posted in every room near the door showing the

route to be followed in case of a fire drill. When the signal is given indicating that the drill is over, students should return to their rooms in a quiet and orderly manner.

Tornado drills are announced over the public address system along with a drill tone. Students should report to the location indicated by their teachers. Students will be instructed to get into a kneeling position and remain there until the conclusion of the drill.

Per Wake County policy and in order to be prepared for a neighborhood emergency, Enloe will conduct random lockdown drills throughout the school year. Per Wake County policy, random K-9 safety searches will also be performed at the WCPSS Security's discretion.

STUDENT ACCIDENT INSURANCE

A student accident insurance program is available to all students at the beginning of the school year with enrollment in the program offered on a voluntary basis. The premium will be assumed by the respective parent or guardian. Student activities requiring student accident insurance coverage are: Interscholastic athletic program, Intramural athletic program, Marching band, Cheerleading, and any groups involving overnight trips. Students who participate in school sponsored sports must purchase this insurance unless covered by another insurance policy.

DANCES

All school rules apply at school dances. All students/guests must have a picture ID to be admitted to a school dance. Once students leave a dance, they are not allowed to return. All non-Enloe students must be accompanied by an Enloe student and must complete a Guest List Request Form which can be found on the school's website and/or in the main office.

DELIVERIES (OFF-CAMPUS FOOD, BALLOONS, FLOWERS, GIFTS, etc.)

The office will not accept deliveries of food, balloons, flowers, stuffed animals or gifts of any nature. Students are not allowed to carry balloons or flowers during the school day. This applies to special days like Valentine's Day, birthdays, etc. Food deliveries from outside vendors are not permitted (pizza, fast food, etc.).

SAFETY TIPS

- Protect your mobile devices by using a password.
- Avoid placing mobile phones in back pockets of pants/jeans where they are visible.
- Do not leave items in the PE and dance hallways. Lockers are available in both of these areas and students are encouraged to bring locks to put on these PE/dance lockers during their class period.
- Students are encouraged to clear all valuables (books, phones, electronic devices, laptops, etc.) from their cars so that nothing is visible through the windows.
- If there is an emergency during school hours, parents should call the school NOT their mobile phones.
- In the cafeteria (and other areas), do not be so distracted talking on your cell phone and talking to friends that you do not stay aware of your surroundings.
- Report any suspicious behavior to a teacher or administrator immediately.

Behavioral Expectations

All students in K-8 are responsible for complying with and are expected to be familiar with the WCPSS Code of Student Conduct and school board policies governing student behavior and conduct. We believe all students are capable of demonstrating positive behaviors through intentional structure and modeling. We need parents to serve as partners as we work to encourage our students to meet and exceed our Enloe expectations. All Code of Student Conduct policies are contained in the WCPSS Student/Parent Handbook, which is distributed to all

students and parents at the beginning of each school year or upon enrollment in the WCPSS. If there is a conflict between the rules expressed in this handbook/agenda/planner and the Code of Student Conduct policies, the WCPSS Code of Student Conduct policies shall take precedence. Please use the link below to access the WCPSS Student/Parent Handbook for more!

Any student violating this School Board Policy will be subject to receiving a long-term suspension from school for 365 days and felony charges by the local authorities.

GANG AND GANG RELATED ACTIVITIES

The WCPSS does not support or condone gang membership or gang activity. No student shall commit any act that furthers gangs or gang-related activities. Conduct prohibited by this policy includes:

- Wearing, possessing, using distributing, displaying, or selling any clothing, jewelry, emblems, badges, symbols, signs, visible tattoos and body markings, or other items, with the intent to convey or promote membership or affiliation in any gang; communicating either verbally or

non-verbally (gestures, handshakes, slogans, drawings, etc.) to convey membership affiliation in any gang or that promotes gang affiliation;

- Tagging or otherwise defacing school or personal property with gang or gang-related symbols or slogans;

- Soliciting others for gang membership;
- Conspiring to commit any violation of this policy or committing or conspiring to commit any other illegal act or other violation of school district policies that related to gang activity.

THIS HANDBOOK SERVES AS A WARNING ABOUT GANG ACTIVITY. STUDENTS IN VIOLATION OF THIS POLICY WILL IMMEDIATELY RECEIVE DISCIPLINARY CONSEQUENCES IF THEY ARE INVOLVED IN ANY GANG ACTIVITY.

FALSE FIRE ALARM

No student shall set, attempt to set off, or aid and abet anyone in giving a false fire alarm. No student shall interfere with or damage any part of a fire alarm, fire detection, smoke detection, or fire extinguishing system. Any student violating this School Board Policy shall receive disciplinary consequences.

THREAT/FALSE THREAT

No student shall make any threat through written or verbal language, sign, or act which conveys a serious expression of intent to cause harm or violence. Furthermore, no student shall make a false threat of harm or violence, even in jest, which causes or is reasonably likely to cause fear or a disruption to school activities.

HAZING

Hazing is prohibited. No group or individual shall require a student to wear abnormal dress, play abusive or ridiculous tricks on him/her, frighten, scold, beat, harass or subject him/her to personal indignity. This includes extra-curricular activities during Homecoming, Spirit Week, etc.

INTIMIDATION/DISRESPECT/BULLYING

Verbal, nonverbal, or physical conduct that interferes with an individual's learning environment is prohibited. Intimidation, bullying, repeated teasing or taunting, or the use of offensive or degrading language including, but not limited to, remarks that demean a person's race, religion, sex, national origin, disability, intellectual ability, sexual orientation or physical attributes are specifically prohibited. This also includes cyber-bullying. A student who violates this School Board Policy shall receive disciplinary consequences.

HARASSMENT

It is the priority of the Wake County Board of Education to provide each and every student in the Wake County Public School System with a safe, orderly and caring learning environment. To this end, the Board prohibits bullying and harassment under any circumstances. This policy is in addition to the Board's sexual harassment policy.

Harassment means any offensive verbal, nonverbal or physical conduct that is sufficiently severe, persistent or pervasive to interfere with a student's ability to participate in or benefit from an educational opportunity or activity. Prohibited conduct may include, but is not limited to, abusive jokes, insults, slurs, name-calling, threats, bullying or intimidation.

STUDENT INTERNET ACCESS AND ELECTRONIC MAIL

Wake County Public Schools is now offering Internet access and electronic mail (e-mail) for student use. Access to the internet will enable students to explore thousands of libraries, databases, and bulletin boards while exchanging messages with Internet users throughout the world. Families are warned that

some material accessible via the Internet may contain items that are illegal, defamatory, inaccurate, or potentially offensive to some people. While our intent is to make Internet access available to further educational goals and objectives, students may find ways to access other materials as well. We believe that the benefits to students from access to the Internet, in the form of information resources and opportunities for collaboration, exceed any disadvantages; but ultimately, parents and guardians of minors are responsible for setting and conveying the standards that their children should follow when using media and information sources. To that end, the Wake County Board of Education supports and respects each family's right to decide whether or not to deny their child's access. Each child will automatically be given access to the Internet and e-mail unless the parent or guardian completes the Parental Request to Deny Access form. These forms may be obtained from the Enloe website.

Individual users of the Internet are expected to abide by the generally accepted rules of network etiquette. The following are specifically not permitted:

- Accessing, producing, posting, sending, or displaying material that is offensive in nature. This includes obscene, discriminating, profane, lewd, vulgar, rude, inflammatory, threatening, disrespectful, or sexually suggestive language or images including images of exposed private body parts.
- Harassing, insulting, or attacking others.
- Attempting to damage computers, computer systems, software, or computer networks. Using another's ID or password.
- Plagiarizing or infringing copyrights of works you find on the internet. Illegal use of data in folders or work files.
- Intentionally wasting limited resources. This includes distributing mass e-mail messages, participating in chain letters, creating and participating in unauthorized newsgroups, and storing files on file servers without proper authorization.
- Employing the network for commercial purposes. Using the system for political lobbying.
- Posting personal or private information about you or other people on the internet. Arranging or agreeing to meet with someone you have met on-line.
- Attempting to gain unauthorized access to the WCPSS network.
- Engaging in any illegal activities or accessing material advocating illegal acts or violence. This includes pornography and hate literature.
- Posting information that could be disruptive, cause damage, or endanger students or staff. Posting false or defamatory information about a person or organization.
- Downloading files without prior approval from supervising staff.
- Accessing chat-rooms unless assigned by your teacher for a valid educational purpose.

In the event a student engages in any of the above referenced activities, his/her access privileges may be revoked and other disciplinary measures may result.

Early Release/College Release/Late Start

Early release students are expected to be off campus no later than fifteen minutes after their last assigned class. Students who are on campus after this time must be under the direct supervision of a teacher. If the student chooses to remain on campus after their last class, the student will risk losing the privilege of early release and will be assigned a class to attend. They may also be subject to disciplinary consequences from the administration. Students enrolled in an early release program will be issued a permit indicating the time they may leave campus. Students should have the permits in their possession at all times. Students with a "late-start" are expected to be on campus no earlier than 15 minutes prior to their first class. If the student chooses to arrive too early, the student will risk losing the privilege of "late-start" and will be assigned a class to attend.

Attendance

Consistent school attendance is necessary for academic success and therefore we place a great deal of emphasis on consistent school attendance. Students should be present daily unless there is a valid reason for being absent.

At Enloe High School, cumulative absences (any combination of excused and unexcused) above ten (10) in a semester or twenty (20) in one or more classes in a year are considered excessive. After ten (10) days in a semester class or twenty (20) days of accumulated absences in a year-long class and failure to meet the set expectations, the student may be subject to failure, retention, or summer school.

Students with chronic illnesses or chronic health problems and who have approved medical documentation on file with the school's attendance office will be exempt from the 10 day/20 day absence requirement of the attendance policy provided that the absences are related to the student's medical condition. Students need to submit the medical documentation to the school at the beginning of the school year.

Office personnel may not supply student attendance information to parents/guardians by phone due to confidentiality.

A student must be present for at least half of the day in order to participate in any extra-curricular activities that day.

Absences

Valid conditions for **excused absences** include:

- Illness or injury which makes the student physically unable to attend school
- Isolation ordered by the State Board of Health
- Death in the family
- Medical or dental appointment or an appointment that has been approved in advance by the principal
- Court when a student is under subpoena
- Religious observance, as suggested by the religion of the student or the student's parents
- Participation in a valid educational opportunity such as travel as documented on the "Request for Excused Absence for Educational Reasons" and with prior approval by the principal
- Family Emergency(Explaining the Family Emergency)

Unexcused Absences: Any absence not meeting the requirements of an excused absence shall be an unexcused absence. Unexcused absences involving class truancy and/or failure to follow attendance policies and procedures may result in disciplinary action. Credit given for make-up work missed during an unexcused absence will be determined in accordance with the school's attendance policy (see "Make-up Work" section).

Absences' Notes: When a student returns to school after being absent, the student must bring a note signed by the parent or guardian. The note should include the following information:

- Name of Student & Student ID#
- Date(s) of absences & Reason for absence
- Phone number where the parent can be reached during the day
- Parent signature

The student should take the note to the **Attendance Office (East) or Main office (West)** before classes 6:55-7:25, during lunch, or after school. **Notes should be presented within 2 days of the student's return to school (including physician notes).** Failure to comply will result in the absence being recorded as unexcused. All attendance notes will be collected by the attendance clerk to be recorded and filed. **Notes received after the two-day window following a student's return will not be accepted and the absence will remain unexcused.**

Approved Educational & Out of Town Trips

Approved Education & College Visitation Days: A student who plans an educational leave and has scheduled the trip during a regular school day needs to obtain a "Request for Excused Absence for Educational Leave" form from the attendance office and have his/her parent complete the form. Seniors are allowed two (2) educational leave days, including college visits, which do not count toward absences for exam exemptions. The form should be turned back into the attendance office **AT LEAST TWO DAYS PRIOR** to the day of the visit. At that time, the attendance staff member will give the form to their Apha Administrator for approval. **Failure to submit a Request For Excused Absence For Educational Reasons form prior to the college visitation will result in an absence that will count against the senior for exemption purposes, and all students will receive an unexcused absence.**

Out of Town Trips: If a student is aware in advance that he/she will be absent from school, he/she should bring a letter from a parent to the attendance clerk prior to the absence. Planned absences that are not approved in advance will not be excused. We encourage students to check the calendar for dates of student holidays prior to making arrangements for trips.

Field Trips

Students who are scheduled to go on a field trip need to have each one of their assigned teachers sign their field trip form so that the teacher will be aware of the absence. Students going on field trips are responsible for completing and submitting their assignments before or immediately following the field trip. Individual field trips must be approved prior to the trip. Failure to do so will result in an unexcused absence from school.

Late Arrivals & Tardies

Tardy Procedures

To maximize student instruction, all students must report to class on time and be prepared to learn. In order to ensure a positive outcome, all teachers will be committed to the procedures below:

- Classroom doors will be closed and locked at the tardy bell (teachers use discretion when students are within sight)
- Students who are in class are not allowed to leave the room for the first 10 minutes of class and the last 10 minutes of class (this procedure is being looked at)
- Teachers will sweep/clear the halls
- Students will go to the nearest tardy station (locations will be in the East, West, and Towers).
- After the halls are fully clear, teachers will stop sweeping
- Students sent to the tardy station will give their name and ID # to the adults at the table
- Tardies will be tracked

- Students will receive a tardy pass back to class unless they have more than six per quarter, then they will receive a pass to ALC to serve a period of ALC or a day of ALC depending on the number of tardies accumulated
- Teachers will accept students' passes upon return and let them in the classroom
- Students will be given a "clean slate" each quarter and tardies will start over at zero on day one of the new quarter

Tardy Consequences & Documentation Guidelines

If a student is tardy these steps will be taken:

Step 1 - For each tardy #1- 6 - Warning from the tardy station, pass to class, Intervention contacted

Step 2 - For each tardy #7- 9 - One period of ALC

Step 3 - For tardy #10 - One day of ALC

Step 5 - For tardy #11 - 13 - resets to step #2 (11, 12, 13 is one period of ALC and so on)

Step 6 - For tardy #14 - One day of ALC

Other attendance issues:

If a student is legitimately late for school, the student must receive a late pass from Ms. Jiles who is located in the East.

Checkout Information

Anytime a student is being checked out of school, parents/guardians must present proper photo ID (Driver License/ID) to the attendance secretary and complete the check-out form. Only those who are listed in the school database will be permitted to checkout a student. Students will not be granted permission to leave campus unless parents or guardians are reached. This includes students who are 18 years of age or older. Students who leave without checking out will receive an unexcused absence. This includes leaving for lunch and not returning to school.

In the event that a student must leave campus for a planned appointment, the student must report to the attendance office **before school** and present to the attendance clerk a note for verification. Upon verification, the attendance technician will give the student a pass to be dismissed from class at the appropriate time. At the designated time the student will then **report to the attendance office to sign out** and meet his/her parent. Upon returning to school, the student must check in with the attendance clerk and present the signed check-out note.

Notes from parents requesting check-out for appointments should include the following information:

- Name of Student & Student ID#
- Reason for early dismissal
- Phone number where the parent can be reached during the day
- Parent signature

Parents & Visitors

Visitors to Campus

Upon arrival to campus, any visitor should report to the main office to sign in using the visitor management system. Visitors will be issued a Visitor's Identification Badge from the visitor management system to wear while on campus. IT IS VERY IMPORTANT THAT ALL VISITORS SIGN IN AT THE MAIN OFFICE SO THAT THEY WILL NOT BE CONSIDERED TRESPASSERS. For liability reasons, students may not bring visitors to school during the school day. Designated visitor parking is available in the circular drive located in front of the Main Building. Visitors are not permitted to visit classrooms without prior approval from an administrator.

Parent Volunteer Registration

We value our stakeholders and look forward to another great year of working together. All of our parents and other community members are encouraged to register as a volunteer with the Wake County Public School System. The process is relatively simple and just requires a few moments of your time.

Any new volunteer applicants for the school year must register and have a criminal background check prior to engaging in volunteer work. Applicants may register at any WCPSS site through the intranet. The volunteer system will be open daily for registration with the exception of midnight Saturday to noon Sunday. Applicants will be notified by email once their application has been approved. Applicants who are not approved will receive notice from Employee Relations.
Note: Current WCPSS employees do **NOT** need to register as a volunteer.

No individual may begin as a volunteer in any capacity on WCPSS property until the principal/department leader has received notification of the volunteer's approval. Please note that Mr. Brick, Assistant Principal, will be the contact point for all correspondence sent from the Human Resources Department regarding the status of a volunteer.

Student Services

Enloe Magnet High School Office of Student Services seeks to provide a positive impact on student's academic, personal and career development through a continuum of support services that involve the school, family and community. Counselors provide individual counseling, classroom guidance, small group counseling, consultation with teachers and parents, and referral to community agencies to meet the needs of all students.

During the school year, various programs for parents and students will be offered. Dates and times for these programs will be posted in the PTSA newsletter, on the Student Services website and via Facebook, Twitter and Remind; on the Enloe website; and in school announcements.

Student Services Homepage

Student Services provides resources for students and parents, including college and vocational catalogs, career information files, interest inventories, and information on preparing for standardized college achievement tests. Resource materials on scholarships, grants, financial aid, and community agencies are available. Students and parents are welcome to use Student Services resources before school, during school, during lunch, and after school until 3:15 pm.

Career Services

An adjunct to Student Services is the Career Development Counselor who works closely with students in helping them make a smooth transition from high school to work and/or further education and obtaining information about possible higher educational opportunities. Students are encouraged to utilize the Career Development Counselor's services to assist them in their career and college planning. The Career Services Center is located in room 1302B in the Media Center.

Transcripts

Your high school transcript is a record that includes the following information: personal data, school performance, minimum admission requirements, class rank and GPA. Your transcript will reflect the courses completed along with the credits and grades earned in high school. **All documents** are to be requested through the web address <https://wcpss.scribborder.com>. Student information cannot be given out over the phone, you must request it online.

All transcripts ordered by current students, through Sciborder, are free of charge and will be emailed to the student, organization or college.

The final transcript option will be available from Mid-May to June 30th for **seniors ONLY!** Please choose Mid-Year Transcript if your college requires it.

Allow a minimum of 3 business days for transcripts to be processed. *Transcripts will not be processed in person.*

College & Career Promise Transcripts: Any student wishing to apply for the College and Career Promise (CCP) program at Wake Tech Community College (WTCC) will need a transcript at the

application and each time they plan to register for fall, spring and/or summer semesters. Students should review the Enloe Student Services website for instructions to request a transcript.

CFNC Electronic Transcript: Senior students will have the ability to request transcripts online free. This is done through a partnership with The College Foundation of NC (CFNC). Students can apply to any North Carolina college and request that their transcripts be sent to that school. Keep the following in mind.

- Students must have or create a CFNC account.
- Students can only request transcripts to schools to which they are applying.
- SENIORS SHOULD NEVER REQUEST A TRANSCRIPT BEFORE THE FIRST RANK IS RUN IN SEPT. GET THIS DATE FROM STUDENT SERVICES because the transcript is sent electronically as soon as the student makes the request and students don't want an old Rank/GPA sent with their college application.
- While transcripts can be sent free, colleges do charge a fee for application to the school.

Medical Services

School Nurse: The school nurse is at Enloe one day a week. The school nurse serves the role of increasing students' awareness and knowledge of health-related issues so that improved attendance and academic performance can be achieved. In addition, the school nurse serves as a liaison between the school and community health agencies. A student who wishes to see the school nurse should receive a pass from their teacher before visiting the nurse's office.

Medications & Illnesses: If a student is required to take a daily prescribed medication during the school day, the parent and doctor must complete Form 1702 and bring the completed form with medication to Student Services, located in the East Building. If a student feels ill during the school day, the student must notify the teacher and the teacher will send the student with a pass to student services, attendance, or the main office. If necessary, the parent will be contacted. If the student is in an emergency situation, the teacher will contact the main office and request assistance from an administrator. Only parents and/or legal guardians may grant permission for a student to check out of school.

Influenza & Meningitis: The flu is a highly contagious respiratory illness caused by influenza viruses. It can cause mild to severe illness, and at times can lead to death. Symptoms include: fever (usually high), headache, extreme tiredness, dry cough, sore throat, runny or stuffy nose, and muscle aches. Meningococcal meningitis is another respiratory illness with symptoms that may resemble the flu. Seek immediate medical care if your child develops fever, headache, stiff neck, nausea, vomiting, confusion, sleepiness, and sensitivity to light. With any contagious respiratory illness the best method of prevention is good health habits. It is important to stay at home when sick. Avoid close contact with people who are sick, cover mouth and nose with a tissue when coughing or sneezing, avoid touching eyes, nose, or mouth and wash hands to protect from germs. Information about the flu or Meningococcal meningitis may

be found at www.immunizenc.com and www.wcpss.net. Additional health-related information is linked below to include **Covid information** and updates.

NCAA Eligibility Requirements

The NCAA has established a central clearinghouse to certify athletic eligibility to Division I and II institutions. Students, who intend to participate with or without a scholarship as a freshman in college, must register with and be certified as eligible by the NCAA Eligibility Center. Please note that initial-eligibility certification pertains only to NCAA requirements for participation in Division I or II athletics and has no bearing on admission to a particular Division I or II institution. Please note the following:
