

Meet the Teacher

Ms. Jennifer Gracias

Ms. Gracias is a new addition to the 3rd grade team. She was born and raised in India. After moving to NC, she volunteered at a Montessori School. Working there inspired her to go back to school and pursue education. She began her career in Vance County Public Schools in 2010. She has been teaching for 15 years now. She is the mother of two wonderful children (twins), a boy (Jaden) and a girl (Eliana). When she has a moment to spare, she loves reading to her children, listening to music, cooking for friends and family, and watching movies. She is honored to be a part of Baileywick Staff and will strive to be a positive addition to our school family.

Education

Ms. Gracias has a graduate degree in Accounting and Business Management. She has a bachelor's degree in Elementary Education from North Carolina Central University. She has a master's degree in Reading K-12 from Meredith College. She also received National Board Certification.

Hopes and Dreams

She hopes to always help each child reach their full potential. She loves to see the children play, learn, and grow in knowledge every single day.
