

2021-22 ELECTIVE COURSE REGISTRATION FOR 6TH GRADE STUDENTS

Carnage Magnet Middle School

Student Name: _____

Elective courses are not required subject areas like reading and math, but are optional courses that may be of interest to your child. Each middle school offers unique elective courses that your child can choose to take. The elective courses listed below are options for 6th grade students. Your elementary school will support your child in entering their selections in our system. It is important to note that the availability of elective courses is dependent upon each school's master schedule and choosing an elective does not guarantee its availability in your child's individual schedule.

Elective Registration: Choose a **TOTAL** of **20** electives

- 15 primary choice electives
- 5 alternate/second choice electives
- Please review your options carefully. Please see [Course Descriptions](#) to help you make your choices.
- Be sure to choose electives from a variety of content areas
- Electives with a '*' indicate Prerequisite/Teacher Approval/Audition
- All electives are quarter-long unless otherwise noted (S= Semester Long, Y= Year Long)
- **You will be attending a GT Magnet Middle School. In addition to entering your elective choices in PowerSchool, you will be given the opportunity to prioritize which courses you would like. This does not guarantee you will receive your top choices, but it will give your school more information about what you'd really like within the choices you made in PowerSchool. [Carnage GT/AIG Magnet prioritized choice form](#)**
