This fall, Partnership Magnet Elementary School will be making activity bags for children staying in local hospitals. Partnership students will be actively engaged in this project by creating and assembling the bags themselves. The bag activities will contain a mixture of student created activities and purchased items. Each grade level will have an assigned role aligned to their grade level's standards. In order to support the gathering of materials for the project, each grade level is asking for specific items to be included in the bags. First grade needs your help in donating children's books and coloring books. Thank you for your support of this project!

We would also like for each family to bring a special item that will be used by the entire grade. The special item will be shared during Meet the Teacher.

We are thrilled about the upcoming year and look forward to seeing all of you on Wednesday, July 24th from 3-5pm for Meet the Teacher!

Also, please mark your calendars for Back to School Night. It will be held on Tuesday, August 6th from 5-7pm.

Sincerely,

The 1st Grade Team
