# 4 HOUSES 1 FAMILY

Altruismo traces its origins to the rainforests of the Amazon, where a group of powerful Brazilians were given the name because of the Portuguese meaning behind it: “the Givers.” This special group is known for striking a balance between bold strength and altruistic giving — a team that knows that real power comes not from looking out for yourself but from empowering others. They care deeply about lifting others up, but they also maintain a fiercely competitive spirit and pride.

Isibindi is a tight-knit group of individuals, like a pride of African lions, where family means everything. The House’s symbolic animals, the mute swan and the lion, serve to empower incoming members. While new students might be quiet or shy at first, the longer that they are in the House, the more they begin to display the characteristics of strength and bravery. In Zulu, Isibindi means “courage.”

Rêveur is a royal House whose name in French means “dreamers” or “idealists” — because the members who fill this group are students filled with freedom and wild abandon who recognize their dreams and will let nothing stand in the way of achieving them. This can be seen in the unicorn, which is on the center of the House’s crest, a powerful creature who is almost impossible to tame. Similarly, the House of Rêveur is a House of passion.

Sollevare is the House that originates from Italy. It was formed by a group who understood that the true strength of being undefeated warriors lies in always getting back up, no matter how many times they may be knocked down. The members of the House of Sollevare are known for their uplifting nature — always rising above, and helping others do the same. This is where their name comes from in Latin, meaning to “lift” up.

## The International Baccalaureate® (IB) Program

International Baccalaureate® (IB) programmes aim to do more than other curricula by developing inquiring, knowledgeable and caring young people who are motivated to succeed. The MYP is a challenging framework that encourages scholars to make practical connections between their studies and the real world. We strive to develop scholars who will build a better world through intercultural understanding and respect. The MYP is a five-year programme, which can be implemented in a partnership between schools, or in several abbreviated (two, three or four year) formats. Scholars who complete the MYP are well-prepared to undertake the IB Diploma Programme (DP) or Career-related Programme (CP).  
<https://www.ibo.org/programmes/middle-years-programme/>

The IB's programmes are different from other curricula because they:

- encourage scholars of all ages to think critically and challenge assumptions
- develop independently of government and national systems, incorporating quality practice from research and our global community of schools
- encourage scholars of all ages to consider both local and global contexts
- develop multilingual scholars.

IB/MYP Learner Profile - IB scholars are...
<b>Inquirers</b> – We nurture our curiosity, developing skills for inquiry and research. We know how to learn independently and with others.
<b>Knowledgeable</b> – We develop and use conceptual understanding, exploring knowledge across a range of disciplines. We engage with issues and ideas that have significant local and global significance.
<b>Thinkers</b> – We use critical and creative thinking skills to analyze and take responsible action on complex problems. We exercise initiative in making reasoned/ethical decisions.
<b>Communicators</b> – We express ourselves confidently and creatively in more than one language and in many ways. We collaborate effectively, listening carefully to the perspectives of other individuals and groups.
<b>Principled</b> – We act with integrity and honesty, with a strong sense of fairness and justice, and with respect for the dignity and rights of people everywhere. We take responsibility for our actions and their consequences.
<b>Open-Minded</b> – We critically appreciate our own cultures and personal histories as well as the values and traditions of others. We seek and evaluate a range of points of view, and we are willing to grow from the experience.
<b>Caring</b> – We show empathy, compassion and respect. We have a commitment to service and we act to make a positive difference in the lives of others and the world.
<b>Risk-Takers</b> – We approach uncertainty with forethought and determination; we work independently and cooperatively to explore new ideas and innovative strategies. We are resourceful and resilient in the face of challenges and change.
<b>Balanced</b> – We understand the importance of balancing different aspects of our lives – intellectual, physical and emotional – to achieve well-being for ourselves and others. We recognize our interdependence with other people and with the world.
<b>Reflective</b> – We thoughtfully consider the world and our own ideas and experience. We work to understand our strengths and weaknesses in order to support our learning.

## 2024-25 EGMMS School-Wide Grading Policy

The purpose of the EGMMS grading system is to appropriately and consistently measure and communicate an individual student's level of mastery of defined learning objectives. EGMMS grading and reporting practices will support and encourage the learning and teaching process, promoting success for ALL scholars. Grading practices are not to be punitive in nature and will be based on factors directly related to the learning objectives, reflecting appropriately scholars' academic mastery of their learning objectives.

#### **Academic Integrity - Policy Code: 4310 Honor Code**

- scholars are expected to present their own work that should not be copied from any other student, the Internet, a book, an article, or any other reference material.
- Scholars violating the Honor Code may or may not have their grade be impacted based on PLT guidelines and may or may not receive a disciplinary consequence depending on the severity of the behavior.

#### **Honor Roll (WCPSS Board Policy 3440):**

A student honor roll is published at the end of each quarter. "A" honor roll recognizes scholars who earn a grade of "A" in all subjects for which grades are given. "AB" honor roll recognizes all scholars who earn an overall grade average of "B" or better with no grade lower than a "C" in all subjects for which grades are given.

#### **Grading Periods/Interims/Report Cards**

Grades are computed and reported to parents once every nine weeks. EGMMS requires teachers to issue interim reports to all scholars every three weeks. These special reports are designed to help parents monitor their child's progress before official grades are assigned. Parents are encouraged to contact teachers directly if they are not receiving interim reports.

## **WCPSS STUDENT CODE OF CONDUCT**

### **Policy Code: 4309 Student Behavior – Code of Student Conduct**

A safe, orderly, and welcoming school environment is essential for student learning. scholars are expected to be familiar with all rules of behavior in the Code of Student Conduct. scholars are to assist in promoting a safe and orderly school environment and are encouraged to report any serious violation of the Code of Student Conduct. Teachers and principals are encouraged to utilize a variety of disciplinary consequences to accomplish a positive change in student behavior. The WCPSS Student Code of Conduct rules are leveled, indicating the severity of violation and type of consequence:

**LEVEL I:** Level I rule violations generally result in in-school interventions rather than out-of-school suspensions. In some instances, a student may receive an out-of-school suspension of up to two days for a repeated Level I rule violation.

**LEVEL II:** Level II rule violations may warrant a short-term suspension, not to exceed five school days. Principals may recommend a long-term suspension (more than 10 days) based on aggravating factors.

**LEVEL III:** Level III rule violations are more severe in nature and may support a recommendation for long-term suspension, even without aggravating factor

**LEVEL IV:** Level IV rule violations compromise the safety and welfare of scholars and staff. State law requires the school principal to recommend a 365 calendar-day suspension.

## **EGMMS School Discipline Plan**

**Classroom Discipline Hierarchy:** Consistency is a vital element to an effective discipline plan. Teachers will apply the following steps in addressing **minor** behaviors that interrupt learning in all classrooms. Teachers will refer scholars directly to an administrator for significant disruptions or **major**

Step 1-Verbal Warning

Step 2-Change of seat

Step 3-Parent Phone Call

3rd Incident- After School Detention- If the student does not attend, ISS will be assigned.

4th Incident- In School Suspension for 3 days.

5th Incident- Out of School Suspension.

Consequences are assigned according to the seriousness of the behaviors and range of potential disciplinary consequences. The range of consequences is listed below:

#### **Afterschool Detention (AD)**

Scholars may receive an after school detention for low level infractions and academic non-compliance. Scholars assigned to after school detention will report to the designated classroom at all dismissal. Parents will be notified of the pick up time as this may vary.

#### **Out-Of-School Suspension (OSS)**

- OSS is the most serious consequence. scholars are not permitted to attend school, attend school activities or be on any WCPSS property during suspension from school (OSS).
- Scholars will be allowed to make-up missed work, including tests, upon their return to school.
- Scholars and parents will receive an email from the assigning administrator by the end of the next school day with assignments.
- To ensure the safety of our campus, students returning to school from an out of school suspension related to creating an unsafe learning environment will be expected to return to the main office upon their return. A counselor will welcome the student upon their return and will determine if a counseling session, an opportunity to have a peer group restorative circle, one on one tutoring to catch up on missing assignments, and a coaching session to reenter the classroom with success is needed.

# EGMMS INFORMATION

## After School Activities

- Only scholars participating in supervised after-school activities may remain on campus after dismissal.
- Scholars should report immediately to the teacher in charge of that activity and are required to remain with that teacher until the student safely exits the campus.
- If a student leaves the designated after-school location, he/she must have a hall pass from the assigned teacher.
- Scholars who stay after school for a supervised activity may be picked up in the carpool area no later than 5:00 PM or ride the activity bus home unless another time is specified by the teacher/coach. Any student who is not picked up within 30 minutes of the end of an after-school activity may not be allowed to attend future after-school activities, including dances.
- All school policies will be enforced during after-school activities.

## Athletics

Seventh and eighth grade scholars interested in participating in athletics should familiarize themselves with the following eligibility requirements and athletic policies. Listed below are the sports seasons and the athletic programs during that season.

Fall Sports: Cheerleading, Football, Girls Soccer, Volleyball

Winter Sports: Cheerleading, Girls & Boys Basketball

Spring Sports: Boys Soccer, Softball, Boys & Girls Track

Visit <https://www.wakecountyathletics.com/eastgarner> for information about eligibility and to obtain forms.

## Bathroom Procedures

Students must be in class to learn and using the bathroom frequently can be an avoidance behavior, but we also understand students have needs. Bathrooms are also the center of off-task, disruptive behavior and are difficult to monitor. Students will be permitted to use the bathroom according to established procedures. Parents will be contacted by staff if their student is using the bathroom frequently without a medical need.

## Bus Routes and Bus Behavior Expectations

Student cooperation and student safety is a priority of our transportation system. It is a privilege, not a right, to ride the school bus. All WCPSS rules apply to scholars while waiting at bus stops and while riding the bus. At the end of the school day, scholars are required to report directly to their bus when their route is announced. Scholars may only ride to and from school on their assigned bus and only use their assigned stop. The bus driver is the representative of the school and will ensure that scholars comply with all WCPSS policies. Each bus driver has the right to add additional rules/requirements and to assign scholars to a specific seat on the bus. Violation of bus rules will result in disciplinary actions, including a temporary or permanent removal from school transportation services. Serious or repeated violations may result in disciplinary action as outlined in the WCPSS Parent/Student Handbook, which will be recorded on the student's discipline log. The WCPSS Department of Transportation can be reached at 919-805-3030.

## Cafeteria and Food Policy

- All students are eligible for free breakfast and lunch due to the Community Eligibility Program.
- Scholars are required to follow all directives from staff members when dining in the cafeteria.
- Scholars must enter the cafeteria in an orderly fashion and stand in line, one behind another facing forward.
- All food and drink must be consumed in the cafeteria. No food, drinks, or snacks may leave the cafeteria.
- Food items/drinks in home packed lunch must be individual size. Family size snacks/drinks and sharing food items are not permitted.
- **Lunches or other meals purchased outside of the school are not allowed in the cafeteria.**
- **Door Dash, Grub Hub, and all food delivery services are prohibited on campus for student use.**

## Carpool Procedures

- At the end of the day, all carpool students will report to the Media Center to be dismissed.

## Cell Phones and other Wireless Communication Devices

- Per WCPSS Policy Code 4309, personal technology devices (including, but not limited to smartphones, tablets, laptops, etc.) may be used by scholars for instructional purposes ONLY with the permission and under the supervision of the teachers in compliance with the Technology Responsible Use policy. The school system assumes no responsibility for personal technology devices brought to school.
- At East Garner Middle School, we believe that phones distract from learning as scholars are preoccupied with social media interactions. Scholars are allowed to bring cellphones to school as long as they are PUT AWAY during the school day and scholars comply with school expectations that are aligned with district policy.
- Staff are expected to confiscate phones when they are out.
- **Violation of Policy** - We will follow district policy with school-wide expectations.
- Scholars are permitted to use phones during after-school activities, such as athletic events, club meetings, or other supervised campus activities (except for after-school detention).
- Confiscated items will be tagged with the student's name and held for parent pick up in the main office. **Phones must be picked up by parents at the end of the school day, they will not be returned to the scholar.**
- If a parent is unable to obtain the device, they may submit a written request, email or phone call to the grade level administrator to have it returned to the student **at the end of the following day.**
- Refusal to comply with staff requests to relinquish electronic devices will result in additional disciplinary action.

## **Dances**

- Dances are considered a privilege for scholars who are in good academic and behavioral standing. scholars may be excluded from dances based on prior behavior referrals, poor work habits, academic failure or attendance issues.
- All dances are open to EGMMS scholars only. This includes the Year Three formal dance.
- Scholars are not allowed to attend after school events if they were not in school.
- Scholars must follow the WCPSS & EGMMS Dress Code policies.
- If scholars are not in school or have OSS on the day of the event, they will not be able to attend the event.
- Inappropriate dancing will not be tolerated. The first offense will result in a warning. The second offense will result in a call to parents/guardians, removal from the dance, and the student will not be allowed to attend dances for the remainder of the year.
- Scholars are not allowed to leave the event area once they enter until a parent arrives or until the event ends.

## **Dress Code - Policy Code: 4316 Student Dress Code**

Scholars are expected to adhere to standards of dress and appearance. Our guiding principles for the student dress code are similar to those experienced and expected in the workplace: attire that furthers health and safety of scholars and staff, enables the educational process, and facilitates the operations of the school. Parents are asked to partner with the school district to monitor student attire to help adhere to the guiding principles set forth in the policy.

To promote these goals, scholars may not wear or carry clothing, jewelry, book bags, or other personal articles that:

1. Depict profanity, vulgarity, obscenity, or violence;
2. Promote the use or abuse of alcohol, tobacco, or illegal drugs;
3. Are prohibited under Policy 4309 III-2 (Gang/Gang Related Activity) or any other provision of the Code of Student Conduct;
4. Threaten the health or safety of staff or scholars; or
5. Are reasonably likely to create a substantial disruption of the educational process or operations of the school.

Specifically:

- a) scholars must wear clothing that covers their skin from chest to mid-thigh with opaque (non-see-through) fabric in front, back, and on the sides.
- b) scholars must wear shoes at all times except when changing for physical education or athletic practices or events or when specifically directed otherwise by a teacher or administrator.
- c) Clothing must cover undergarments (waistbands and straps excluded).
- d) Breasts, genitals and buttocks must be covered with opaque (non-see-through) fabric.
- e) Clothing must be suitable for all scheduled classroom activities including physical education, science labs, wood shop, and other activities where unique hazards exist.
- f) Specialized courses may require specialized attire, such as sports uniforms or safety gear.
- g) Head coverings (including hats, hoods, sweat bands, and bandanas) are prohibited in the school building. However, scholars may wear head coverings in the school building as an expression of sincerely held religious belief (e.g., hijabs or yarmulkes) or cultural expression (e.g., geles) or to reasonably accommodate medical or disability-related issues (e.g., protective helmets).

**Enforcement:** Any school dress code enforcement actions should minimize the potential loss of educational time. When a school staff member or school administrator discusses a dress or grooming violation with a student, the adult should be the same gender as the student if practicable. Staff concerns about student attire should be discussed discreetly and out of earshot of other scholars to the extent practicable. Teachers or staff discussing a dress or grooming violation with a student should present options for obtaining appropriate clothing (e.g., school clothing closet) or otherwise complying with this dress code (e.g., removing a problematic item). School-directed changes to a student's attire or grooming should be the least restrictive and disruptive to the student's school day.

## **End of Year Activities**

End of year activities are an opportunity for scholars and staff to celebrate and to recognize scholars for their hard work and good citizenship. End of Year Activities for Year 1 and 2 may include field day, performances and an awards assembly. Activities for Year 3 include the dance, field day, an awards assembly and last day picnic/celebration. These activities are privileges for scholars who comply with the Code of Student Conduct, completing work, meeting promotion standards and attending school regularly. All fees and fines must be cleared prior to any event for eligibility. Scholars may be excluded from these activities based on behavior referrals, poor work habits, not meeting promotion standards, owe fines or have attendance issues.

## **Field Trips - Policy Code: 3320 School**

- School trips are designed to be appropriate extensions of the classroom learning and stimulate student interest and inquiry and to provide opportunities for educational growth and development.
- School trips are a privilege. Scholars who are on good academic and behavioral standing are eligible to attend field trips. Scholars may be prohibited from attending a field trip for major violations – even if the student has already prepaid for the field trip.
- Scholars remain subject to all rules of conduct, including disciplinary consequences, during the school trip.
- School trips may be canceled when necessary by the principal, superintendent, or Board of Education. The school system cannot guarantee reimbursement when such cancellations occur.

## **Hall Passes**

- Students are not permitted to leave class during the 1st and last 10 minutes of the period. Scholars are expected to have their agenda outside of the classroom.

**Hallways**

- Scholars are expected to walk quietly, quickly, and on the right hand side of the hallway between classes.
- Scholars should not scream, yell, or otherwise be loud or disruptive while in the halls.
- Skipping, running, shoving, dancing in the halls is not permitted.
- Scholars should keep their hands to themselves.
- Scholars will receive consequences for inappropriate behavior in the halls as it creates a disruption to learning.

**Lockers – Gym**

- There are not enough gym lockers for every student to have his or her personal gym locker on a full-time basis. However, there are more than enough gym lockers for all scholars to secure their belongings during PE and/or athletic events and practices.
- All scholars taking a physical education class or participating in an extracurricular sport should bring a lock from home and securely lock their possessions in a gym locker to protect themselves from theft.

**Tardy (Start on Time)**

- It is the expectation that every student is in class on time with appropriate materials.
- Teachers will record tardies in their gradebook.
- Students will earn an administrative referral upon the fourth tardy. Consequences for multiple tardies will result in students having after school detention.
