Spring 2020 Semester: Per North Carolina State Board of Education [Policy GRAD-009](#), students in grades 9-11 during the 2019-20 school year were provided two options for final grades: Numeric grades or a PC19 or WC19. Numeric grades reflect the highest grade representing learning as of March 13, 2020 or as improved through the semester as remote learning continued. PC19 represents a passing grade and a full credit towards graduation; WC19 represents a lack of evidence of mastery in the course and indicates that the school is unable to award a full credit. Numeric grades are factored into the GPA and class rank; PC19 and WC19 grades are not.
