RECOMMENDED:

Students are encouraged to bring a laptop/Chromebook/iPad tablet to use in classes. **Cell phones are HIGHLY DISCOURAGED** for educational purposes; days when cell phones will be used in the educational setting will be very limited. We have found that cell phones have provided more of a distraction than an aid in the application of curriculum skills. Additionally, several of our applications do not translate well to the smaller screen.

EXTRA DONATIONS for teachers - Appreciated all year long :)
