

Walker and Bike Rider Permission Form 2022 – 2023

We are fortunate to have our school in the downtown area which allows many of our students to walk and bike to & from school and access the city bus line. When available, the City of Raleigh posts crossing guards at the Martin/Person intersection and Bloodworth/Davie intersection to assist our students in safely crossing.

This form is intended to notify parents of the importance of permission for your student to walk/bike home. Likewise, it is intended to promote a safe and orderly method of dismissal from school in alignment with procedures for carpoolers and bus riders. It is not intended to grant permission to facilitate carpool pick-up off school campus as the school is unable to supervise those areas. Parents are reminded that local vendors have asked that students not hang out in stores and vendor spaces without parent supervision, and responsibility for student safety and wellbeing is the parent/family's responsibility when students depart.

By completing this form, you are indicating your permission for your student to walk/ride off campus to their pre-arranged destination. Once off campus, students will not return except in cases of emergency. In order to ensure the safety of our staff and students, the following have been established:

- Students will not be allowed to walk/bike to or from school until Moore Square has a signed permission slip on file for the student.
- At dismissal, students will be released from the school to leave campus at designated areas - all "Walkers" will exit the building using the lobby doors located at the Person St/Martin St intersection.
- Parents who choose to walk with their child may stand at the Person/Martin entrance to pick up their child. Parents may NOT park in the carpool lane to wait for their child.
- Bike riders will WALK their bikes under the breezeway to Davie St. Once on Davie St., students can begin riding to their destination.
- Students walking/riding a bike off campus unaccompanied by parents are expected to walk/bike directly home or to their parent-designated area. Students are NOT to loiter on or near campus to wait for rides.

I hereby grant permission for my student, _____
to walk/bike at the end of the school day to the parent-arranged destination.* I
understand my child will be traveling unsupervised if not met by a parent on
campus.
