

Athens Drive Magnet High School: Kickoff to Registration for 2023-2024

Drive Time - February 28, 2023

Registration Overview

- We are ready to begin the registration process for our rising 10th, 11th and 12th graders by providing this overview during Drive Time.
- Feb/March: Students will be provided individual appointments with their counselor to discuss registration choices and enter them in PowerSchool.
- Students will be given the opportunity to make changes to their course registration choices until June 9, 2023.

Registration Overview

To access course registration materials:

- Go to the Athens Drive Magnet High School website
- Click on “Students” in the header bar
- Click on “Student Services” in the drop down menu
- Click on “Course Registration” on the left menu
- Use the appropriate grade level document to plan for your courses next school year (each grade level is now on the website)

Registration Overview

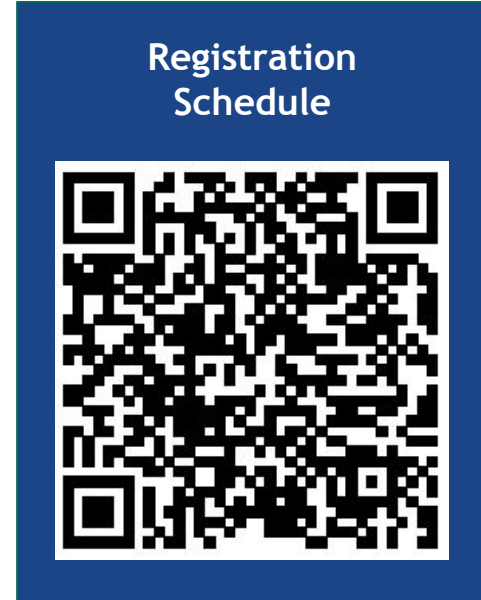

- Individual meetings have been scheduled, either through English classes or appointment times, for students to meet with their alphabet counselor to discuss their registration choices and to enter the selections in PowerSchool.
- In order to maximize this meeting time, students should review the [course registration materials](#) prior to the meeting and come prepared to discuss their choices with their counselor.
- Please communicate with your counselor directly if you have questions about the scheduled meeting.

Remainder of Drive Time:

- Please take some time to explore your grade level registration document on the website and start thinking about what courses you may be interested in taking.
- Review the “Graduation Requirements” tab on the Student Services website and any additional tabs you are interested in learning more about.
- Talk with your teachers about their recommendations for you for next year.
- Start making a list of the courses you want to register for in your meeting with your counselor.

Thank you for
your attention!
