Notes:

- The students will experience consistency between the In-Person Learning Environment and the Online Learning Environment.
- Teachers will work in PLTs (Professional Learning Teams) to design lessons that will provide a consistent experience across all environments.
- Within each block, students can expect daily live instruction for a portion of the class time. Students will also engage in independent work, small group virtual activities, and teacher support.
- Special Education Services will be scheduled into students' core and/or elective classes as reflected on their IEP. Specialty teachers (SPED, ESL, AIG, Intervention) will push into both in-person and remote classes.
- The Independent Work (IW) time is built into each class to allow practice with the content. There is a one hour lunch time/ independent time built into the schedule to allow students time to work.

- Special Education, AIG, ESL, Intervention teachers, etc. may meet virtually with students during the Leopard Time block. The teachers will schedule these meetings with students.
- When clubs and activities begin they will meet from 3:00-3:30.
