

HILBURN ACADEMY

## **COURSE REGISTRATION FOR 2018-2019 SCHOOL YEAR Hilburn Academy Rising 7<sup>th</sup> & 8<sup>th</sup> Grade Students**

March 2018

Dear Parent or Guardian,

As we near the end of the school year, it is time for you and your student to begin planning for the 2018-2019 school year.

Your child will be selecting preferences for his or her elective courses and a math course for next school year online using Powerschool. Your child's current math teacher has noted their data-based recommendation for a Math course for next year in Powerschool. If you are not in agreement with the teacher's recommendation, please contact the teacher directly to discuss this further. Teachers have assisted students in claiming accounts/login information, so please check with your child on how to do this. If you are having difficulty accessing Powerschool, please check with your child's teacher and/or the school's data manager, Ms. Sturdivant, for assistance.

Once in Powerschool, students will click on *Class Registration* and follow the directions listed. Be sure to click *Submit* on the final registration screen. Families will have the opportunity to register at home between March 19th and March 29th. Students will also have the opportunity to receive assistance from Mrs. Warren at school prior to March 29th, 2018, if needed.

The 2018-2019 WCPSS Middle School Program Planning Guide can be found via the following link: <https://www.wcpss.net/middle-school>. Please be sure to visit this website and read course descriptions as necessary, for both math and elective courses. Please note that only the elective courses listed in Powerschool will potentially be available at your child's next school, depending on staff availability and student interest. The course descriptions in the planning guide cover all classes offered at various middle schools in Wake County.

Thank you in advance for your time and support in helping us register your child most accurately. Our goal is to have an appropriate schedule prepared for your child when she/he returns to school in the fall. These schedules should be available at open house in August. If you have any questions regarding registration, please feel free to contact me at (919)571-6800 ext. 26028 or [jwarren@wcpss.net](mailto:jwarren@wcpss.net).

Sincerely,

Jenna Warren  
School Counselor, 5th-8th Grade
