

What is a School/ Home Compact?

A shared responsibility for the improvement of student academic achievement and it builds a partnership between teacher, student, and parent. The parents, teachers and students worked jointly together sharing ideas to develop the school/home compact.

What does it Mean to be a Title One School?

The emphasis in a schoolwide Title I school is on serving all students. Schoolwide programs maximize the impact of Title I funding in that all students in the school are served as funds are used to improve the entire educational program.
