

March Madness: The BIG RIVALRY GAME

By Jayson Coats

The big game in March Madness is coming soon! UNC vs Duke will be an exciting game, but it all depends if UNC and Duke make their way through the rounds in the tournament. Last year in March Madness UNC beat Duke. Let's hope that Villanova doesn't get in the way by defeating UNC. UNC's next game with Duke will be March 4TH, 2017 at 8:20pm in the ACC tournament.
