

East Wake High School

Daily Announcements – March 12, 2020

Wake Tech is coming to East Wake High | Wake Tech Department of Health Sciences will be on campus March 25th during 1st and 2nd blocks to inform students about 5 unique program areas in the medical field. Students must register to attend. 10th-12th graders interested in attending, please see Mrs. Coble in 2223D or email her for more information!

FFA March Chapter Meeting | Attention FFA Members: March into spring with the FFA. Join us for fun, games and dinner at our next meeting, which is Tuesday, March 17th at 6:00 in the agriculture shop. See you there!

AP Permission Forms | Students taking AP Exams should receive the off campus permission form for May testing in 1st block this week. If you were enrolled in an AP class first semester or this semester, please check with your 1st period teacher for your form. Forms are due back to Student Services by April 3rd.

Wake Tech On Site Admissions | Seniors, are you interested in applying to Wake Tech? On Tuesday, March 24th, Anthony Garnes from Wake Tech Admissions will host an on-site admissions session in the media center. Come by Student Services to sign up. We have room for 30 students so sign up before all spots are taken!

Warrior Closet Shopping Experience for Prom | We are offering free prom dresses for any student who plans on going to the prom. You are free to browse through the selection of dresses in our Warrior Closet by yourself or with a friend. If you are interested in a free prom dress of your choice, please contact Mrs. Aina in student services. There will also be a separate Free Formal Dress, Shoe and Costume Jewelry Giveaway at Quest Fellowship Church to help 16 girls get ready for prom. It will be held from 10:00 a.m. to 4:00 p.m. this Saturday, March 14. To sign up for this giveaway, also see Mrs. Aina in student services.

Good Hygiene Practices | The CDC and health departments emphasize the importance of good hygiene practices and maintaining normal cleaning routines to fight germs and prevent the spread of illnesses like:

- Regular, thorough hand washing with soap and water. Students and staff are also encouraged to thoroughly wash their hands prior to eating lunch each day.
- Stay home if you have had a fever, have used fever-reducing medication, or experienced symptoms of illness within the past 24 hours.
