Duke Energy visiting East Wake | In the electrical utility industry, Lineworkers are similar to front line soldiers in the military. They are the boots on the ground performing very specialized work on the infrastructure which actually delivers electricity to customers...such as utility poles, transformers and towers. East Wake High is pleased to welcome Duke Energy on November 27th. Juniors and Seniors interested in a career with Duke Energy and/or learning more about the industry should see Mrs. Coble to obtain a pass to the event, which will be held during 3rd and 4th blocks. Teachers interested in bringing a class should contact Mrs. Coble via email.
