Duke Energy visiting East Wake | In the electrical utility industry, Lineworkers are similar to front line soldiers in the military. They are the boots on the ground performing very specialized work on the infrastructure which actually delivers electricity to customers...such as utility poles, transformers and towers. East Wake High is pleased to welcome Duke Energy on November 27th. Juniors and Seniors interested in a career with Duke Energy and/or learning more about the industry should see Mrs. Coble to obtain a pass to the event, which will be held during 3rd and 4th blocks. Teachers interested in bringing a class should contact Mrs. Coble via email.

Zebulon Times seeking intern | The Zebulon Times is seeking a mature Junior or Senior who has a passion for writing copy for their local newspaper. Students would ideally demonstrate excellent writing skills and show interest in current events in our community and at East Wake High School. The student may also enjoy photography and design. The student may be able to earn school credit for this Internship experience. Please see Mrs. Coble or email her at kcoble@wcpss.net if interested.
