

# East Wake High School

## Daily Announcements – September 20, 2018

**Employee of the Week** | Congratulations to Mrs. Louise Price for being selected Employee of the Week for last week. Mrs. Price is our Media Coordinator and we would like to affirm her for all her hard work, patience, respect, and care as she meets our media and technology needs throughout the school. Thank you for all you do, Mrs. Price!

**Scholarship available** | Calling 9th-12th grade women! Applications are open for the National Center for Women & Information Technology (NCWIT) Award for Aspirations in Computing. Recipients receive engraved awards, scholarship and internship opportunities, entry to a peer-network of technical women in the NCWIT AiC Community, various prizes, and more. Students can apply online at [www.aspirations.org/AiCHSAward](http://www.aspirations.org/AiCHSAward) no later than 8:00 p.m. MST on November 5, 2018. Students with any level of experience are encouraged to apply: NCWIT recognizes aspirations as well as accomplishments!

**Senior Parent Meeting** | There will be a meeting for senior parents on Monday, October 1st from 7-8 pm in the Media Center.

**Interact Club Meeting** | Interact Club will have a meeting after school on Thursday September 20th from 2:30-3:45 in the Media Center. Please bring your ideas!

**Hurricane Florence Supply Drive** | East Wake High will be hosting a water and non-perishable food drive for our neighbors in need following hurricane Florence. We will begin collecting this Thursday morning at carpool, the atrium and student parking. We also will have donation boxes available at the homecoming game this Friday night. The drive will run through September 28.

**Chick Tech Opportunity** | ChickTech: High School is a free year long program that introduces 100 high school girls to technology. The program kicks off with a 2-day event on Dec 1st and 2nd at Meredith College and then continues with monthly workshops around different careers, technologies, and companies. Food will be provided during the kick-off and all workshops. We also provide, on an as needed basis, transportation to and from events and childcare. Our program provides a fun, positive learning experience designed to build participants' confidence in their technical abilities, give them positive role models, create connections with other young women from the RDU area, and create a positive association with technology creation. If you are interested, please see Mrs. Coble in 2223-D. Teachers, if you would like to nominate a student, please email Mrs. Coble.

**Full Scholarship Opportunities** | Any Senior interested in applying for the Morehead (UNC), Park (NCSU), Levine (UNCC), or Cheatham White (NCCU & NCA&T) scholarships should contact their counselor ASAP. These scholarships are full scholarships at each respective school.
