

East Wake High School

Daily Announcements – September 21, 2018

SGA Homecoming Dance | YAY! Congratulations EWHS, we sold 100 tickets and the dance is a GO!!! We will be selling tickets during all lunches today in the cafeteria!

Yearbooks on sale | Get your yearbook now for the lowest price. See Ms. Anderson in room 159 or go to jostensyearbooks.com. Only \$59 until Friday, Sept. 28th.

Picture Day | Don't forget Monday is underclassmen picture day. Dress your best!

Hurricane Florence Supply Drive | East Wake High will be hosting a water and non-perishable food drive for our neighbors in need following hurricane Florence. We will begin collecting this Thursday morning at carpool, the atrium and student parking. We also will have donation boxes available at the homecoming game this Friday night. The drive will run through September 28.

Pet Drive for Hurricane Florence Victims | East Wake FFA is collecting pet items for Hurricane Florence victims. We need your help to collect dog food, cat food, cat litter and cleaning supplies. There are also many displaced horses that need horse feed, horse halters and lead ropes, vet wrap and treats. Thank you for your help to save the animals!

Senior Parent Meeting | There will be a meeting for senior parents on Monday, October 1st from 7-8 pm in the Media Center.

Scholarship available | Calling 9th-12th grade women! Applications are open for the National Center for Women & Information Technology (NCWIT) Award for Aspirations in Computing. Recipients receive engraved awards, scholarship and internship opportunities, entry to a peer-network of technical women in the NCWIT AiC Community, various prizes, and more. Students can apply online at www.aspirations.org/AiCHSAward no later than 8:00 p.m. MST on November 5, 2018. Students with any level of experience are encouraged to apply: NCWIT recognizes aspirations as well as accomplishments!

Chick Tech Opportunity | ChickTech: High School is a free year long program that introduces 100 high school girls to technology. The program kicks off with a 2-day event on Dec 1st and 2nd at Meredith College and then continues with monthly workshops around different careers, technologies, and companies. Food will be provided during the kick-off and all workshops. We also provide, on an as needed basis, transportation to and from events and childcare. Our program provides a fun, positive learning experience designed to build participants' confidence in their technical abilities, give them positive role models, create connections with other young women from the RDU area, and create a positive association with technology creation. If you are interested, please see Mrs. Coble in 2223-D. Teachers, if you would like to nominate a student, please email Mrs. Coble.
