

East Wake High School

Daily Announcements – September 28, 2018

Senior Parent Meeting | There will be a meeting for senior parents on Monday, October 1st from 7-8 pm in the Media Center.

Yearbooks on sale | Get your yearbook now for the lowest price. See Ms. Anderson in room 159 or go to jostensyearbooks.com. Only \$59 until today, Friday, Sept. 28th.

Food Pantry | Did you know that our school has their very own Food Pantry? If you are experiencing or you know of a family that is experiencing a stressful time and is in need of food, the East Wake High School Food Pantry is here to help. The Interfaith Food Shuttle recently stocked our pantry with fresh fruit, vegetables, and meats for families that may be experiencing difficult times. EWHHS Food Pantry is open to any family in need. Please see Mrs. Bell for more information or call 919-365-2625 x23925.

Senior Conferences | Senior Conferences will be held September 24 - October 12. Counselors will meet with seniors to discuss graduation requirements, post-secondary plans, college & career information. Passes were distributed in second period. Also, appointment times were sent to each senior's WCPSS email account and are posted outside Student Services..

Scholarship available | Calling 9th-12th grade women! Applications are open for the National Center for Women & Information Technology (NCWIT) Award for Aspirations in Computing. Recipients receive engraved awards, scholarship and internship opportunities, entry to a peer-network of technical women in the NCWIT AiC Community, various prizes, and more. Students can apply online at www.aspirations.org/AiCHSAward no later than 8:00 p.m. MST on November 5, 2018. Students with any level of experience are encouraged to apply: NCWIT recognizes aspirations as well as accomplishments!

Chick Tech Opportunity | ChickTech: High School is a free year long program that introduces 100 high school girls to technology. The program kicks off with a 2-day event on Dec 1st and 2nd at Meredith College and then continues with monthly workshops around different careers, technologies, and companies. Food will be provided during the kick-off and all workshops. We also provide, on an as needed basis, transportation to and from events and childcare. Our program provides a fun, positive learning experience designed to build participants' confidence in their technical abilities, give them positive role models, create connections with other young women from the RDU area, and create a positive association with technology creation. If you are interested, please see Mrs. Coble in 2223-D. Teachers, if you would like to nominate a student, please email Mrs. Coble.
