

Technology Device PRIDE Contract

For Students

Please read, discuss, and initial each section. Then, sign the bottom of this form and return to your child's teacher.

PRIDE Expectations

Politeness

I will share my device with my partners or my group when necessary.
I will get teacher permission before I begin using the Network, Internet, or apps.
I will follow all rules set up by my teachers.

Respect

I will keep all devices at a respectful volume when I am using them.
I will immediately comply with teachers' requests to shutdown a device.
I will place my device securely on a desk, table or in my lap while it's being used. I will carry the device with two hands with teacher permission.
I will always use appropriate, polite language on the Internet and Google Classroom or other sites.

Integrity

I will list the sources of all information and images used in my reports and I will respect copyright laws.
I will uphold the privacy of my classmates by not trespassing in other people's folders, work, files, or accounts.
I will be patient with my device when completing tasks.
If inappropriate material appears on my screen, I will notify and show my teacher (not my classmates) immediately.

Discipline

I will only visit websites directly related to my school assignments.
I will practice internet safety guidelines.
I will not take or post photographs/videos of any person on campus to public or social networking sites.
I will only print when I have permission.
I will only stream music or videos related to school assignments when asked to by my teacher.

Excellence

I will share my knowledge and skills with others through coaching or modeling.
I will do my best to complete assignments using appropriate technology tools.
I will choose technology tools that are best for showing my knowledge and learning.
I will apply what I have learned in class to make a meaningful product to share.

- ❖ We will use a 1, 2, 3 system. If a student is not adhering to any item on the contract, he/she will have:
 - 1- A reminder of the appropriate behavior
 - 2- A warning about possible loss of device usage
 - 3- Loss of privileges of using a device
