

LET'S LEARN TOGETHER

YMCA SCHOLASTIC SUPPORT CENTERS

YMCA Scholastic Support Centers are a place where your K–8 students can go to participate in their online school or Virtual Academy classes. The program is offered either Monday– Friday 7:30 a.m. – 3:30 p.m. with an extended day option for those who need full-day care, or as a full-day program from 7:30 a.m. – 6:00 p.m. Hours vary by location, and exact times may vary depending on school system student attendance policies.

Each center is staffed by YMCA Program Directors, counselors and education specialists who are trained to assist your child with their remote learning and schoolwork. Our spaces are designed to comply with state and local guidelines for safety and social distancing.

Small classes of students will be grouped in quiet rooms for study and remote learning time.

When online school/ remote learning is completed, students will have time for homework or structured, age-appropriate academic enrichment activities.

Wi-Fi is provided at every location to support video chats, streaming media and other online school demands.

Each student should bring a device, headphones and appropriate school supplies. Please make sure your student knows how to log in to their school's website and learning platforms and how to operate their devices and software. Parents will receive an email each week with more details about what to bring, drop off and pick-up times, Director contact information, and lunch menus.

Students should pack two snacks, a water bottle and lunch. The Y has partnered with WCPSS to provide hot lunches for students daily. Please dress comfortably.

Registration

Parents can register for the days of care they need. Only need care on Tuesdays and Wednesdays? Register for those days. Need care all five days? Register for those days. Need Extended Day care only Mondays? That's fine too. Capacities are limited and registration is open now at www.ymcatriangle.org/programs/school-programs/scholastic-support-centers.

The YMCA will collect a \$5 per week, per program deposit and the balance will be due on the first of the month for care within that month. More information about registration and payments can be found on our website.
