1 pack of college ruled notebook paper

Classroom use:

1 pack of baby wipes (for classroom use)

1 box of tissues (for classroom use)

Extra glue sticks

BYOD/DEVICE INFO: We use BYOD as an option to help maximize access to digital resources. Phones will not be permitted. A contract will go home on the 1st day and must come back signed BEFORE devices will be allowed in. FYI, if you are looking into purchasing a device for your child, Wake County uses the google apps suite which works very well with a chromebook. You can often find great deals on refurbished chromebooks. A keyboarded device is preferred over a tablet, but tablets are allowed.

Mrs. McCuiston's wish list

Colored dry erase markers (thick)

Paper towels

Extra pencils

Plastic utensils

Extra glue sticks

Plastic sheet protectors

Band-aids
