Welcome Message from Administration

Welcome to Rolesville High School for the 2019-20 school year! We hope that you all are as excited as we are about what is sure to be an outstanding school year in Ram Country. As a school, we are strong believers that everyone plays a huge role in the overall success of students and our school as a whole. As such, we want to do our very best to ensure that all members of our school community—especially students and parents—are informed when it comes to what is happening at our school, as well as the policies and procedures that will guide all of what we do.

As such, we have developed this student-parent handbook, which provides some key details that will surely interest you. Please keep in mind that this handbook was designed for use in conjunction with the *WCPSS Student/Parent Handbook* along with the *WCPSS High School Program Planning Guide*. Both of these documents can be found at www.wcpss.net. We hope this information will be helpful as we start a new school year, and we look forward to working with you.

**** Additional bell schedules (1-hour delay, etc.) can be found on the RHS website when needed.** There are no Early Release Days scheduled for the 2019-2020 school year. Additional Teacher Workdays have been added throughout the calendar to allow for staff Professional Learning; students do not report to school on these Teacher Workdays.

Academics

Academic Concerns: Parents and/or students who have academic concerns should make contact with the teacher first via e-mail or leaving a message for the teacher through the school secretary at the main school number (919.554.6303). If there are outside circumstances that are impacting academic performance, it may be appropriate to also involve the student’s guidance counselor.

Assessments of Student Learning: As a part of each course that students take at RHS, they will be evaluated using a variety of assessments—some formal and others informal. Specific details regarding such assessments will be determined by individual professional learning teams (PLTs), which consist of teachers who teach the same subject within an academic department.

Blended Classrooms: Students enrolled in certain courses are taught in a blended setting, meaning that both honors and academic students are taught in the same class. Students in blended classes are automatically enrolled in the honors section of the course; however, they will have the opportunity to opt out of the honors level and switch into the academic level if they make the request by the deadline (September 4 for the Fall semester and February 6 for the Spring semester). For the academic success of the child, it is best that this be done as soon as possible. Also, please note that opting out of a certain level would only change the course level, not the actual class, as the student would still have the same teacher and class period. Below is a list of blended courses that will be offered during the 2019-20 school year:

- | | | |
|-------------------|----------|----------------------|
| Animal Science II | Foods II | Microsoft (MS) Excel |
| Apparel Design II | | MS Word/Powerpoint |

Final Exams: At the end of each semester, all students will take a final exam. Students taking Biology, English II, Math I and/or Math III will take the state-mandated End-of-Course (EOC) exam. Students taking CTE courses will take the state-mandated CTE post-assessment. Students in other courses will either take a state-mandated North Carolina Final Exam (NCFE) or a teacher-made exam. Per board policy, EOC and non-EOC exams will count for 20% of a student’s final grade in a course.

Unlike underclassmen, seniors may qualify for final exam exemptions; however, it is important to note that no student can be exempted from state tests including End-of-Course exams, NCFEs, CTE post-assessments, and/or any other state field tests. To qualify for these exemptions, seniors must meet the following criteria for the course exams they would like to be exempted

from. Per WCPSS Policy 6000 R&P, in accordance with the high school attendance plans, seniors will be exempt from non-State exams under the following parameters:

- o 3 or fewer excused absences with an A average
- o 2 or fewer excused absences with a B average
- o 1 or fewer excused absences with a C average

The principal (consistent with [GS 115C-288](#)) is responsible for the final determination of exam exemption eligibility.

A student with any unexcused absences in a course will **NOT** be exempt from his/her exam regardless of the number of absences he/she has or his/her course average. Students, however, who do not have any tardies for a semester can earn back one absence simply for the purpose of exemptions. Actual attendance records WILL NOT be changed; one absence will simply be “forgiven” for the sake of a senior exemption.

A student with any unexcused absences in a course will **NOT** be exempt from his/her exam regardless of the number of absences he/she has or his/her course average. Students, however, who do not have any tardies for a semester can earn back one absence simply for the purpose of exemptions. Actual attendance records WILL NOT be changed; one absence will simply be “forgiven” for the sake of a senior exemption. For example, if a student had four (4) excused absences in a class, an A overall average, and no tardies, the fourth absence will not be counted when calculating exemptions, making the student exempt from their exam.

Teachers must notify Seniors of the exam exemption status five days prior to the exam. Seniors should be aware that additional absences or tardies after notification of their exam exemption status will impact their exemption status as it aligns with RHS and WCPSS policy.

Seniors may have two college visits that meet the requirements for educational absences that will not count against them when calculating exam exemptions. Students should note that all other excused absences, regardless of type, will be considered when calculating exam exemptions. See page 12 (Educational opportunities for more information regarding college visits.)

Grade Point Averages: To calculate GPA, the total of all quality points a student earns will be divided by the number of courses taken. Advanced Placement (AP) courses and Honors courses carry additional quality points (see chart below) depending on when the student entered high school. The results are rounded to the fourth decimal place to determine class rank.

For students entering 9th grade *in or after* 2015-2016:

Letter Grade	Academic	Honors	AP/CCP
A	4	4.5	5
B	3	3.5	4
C	2	2.5	3
D	1	1.5	2
F	0	0	0

Grading Scale: Per the State Board of Education’s decision to adopt a new standard grading scale, students are now graded on a 10-point scale, which is outlined below.

A (90-100) *B (80-89)* *C (70-79)* *D (60-69)* *F (Below 60)*
I = Incomplete *WP = Withdrawal, no penalty* *WF = Withdrawal with an F*

Grading Composition: For grade composition, Professional Learning Teams will determine grade categories and the weights each assignment category will carry. The purpose of grades is to communicate mastery of skills and content to parents and

students. Grades should not include assignments that are not tied directly to content and skills. For example, academic grades will not include parent signatures on documents or submission of supplies.

Rolesville High School does not offer assignments for extra credit. Grades should reflect student understanding of the content and skills. As such, the grade should communicate to the student and parents the level of content and skill mastery.

The Student and Parent Portal to PowerSchool gives students and parents access to real-time information including attendance and grades. Parents and students who had access to PowerSchool during the 2019-2020 school year will be able to log into the system using the same account information. Individuals who do not remember their login information or who are new to Wake County Schools can request access by contacting our Data Manager (Ms. Jane Stever) at 919.554.6303, ext. 20398. Parents will get a different access ID for each child. Please keep these in a secure and private location so that you are the only one to have access to this information. If there is a situation where a parent or legal guardian should not receive access to student data, please notify the school immediately.

Homework: At Rolesville High School, we believe homework assignments should be purposeful continuations or extensions of the instructional program. Furthermore, homework should help students become responsible, self-directed learners, improve their academic achievement and provide reinforcement opportunities (Wake County Board Policy 5510). In accordance with WCPSS Board Policy, homework should not exceed 10% of a student's academic grade for a marking period. Individual departments will determine percentages for homework and communicate this to students and parents. If a department combines homework with another category, homework itself should still not count more than 10% of a student's grade. In accordance with WCPSS Board Policy, homework should take no more than 30 minutes per subject and no more than 90 minutes total. Advanced Placement (AP) and College and Career Promise (CCP) courses may have more rigorous homework loads.

Honor Code: Members of the Rolesville High School community should embody personal honor, integrity, and responsibility upholding the honor code in all that they do. Per **WCPSS Policy 4310**, academic honesty is essential to excellence in education and is directly related to the Board's educational objectives for students to promote integrity and self-discipline in students. As all schoolwork is a measure of student performance, academic honesty facilitates an accurate measurement of student learning. Each student, parent, family and staff member must promote a culture that respects and fosters integrity and honesty. Academic integrity and honesty require all stakeholders to share responsibility in the fulfillment of this policy. In fulfilling these responsibilities:

- students will collaborate with their peers to foster a culture of academic integrity; refrain from participating, either directly or indirectly, in any form of cheating or plagiarism; and adhere to the honor code;
- parents and family will actively support the honor code by encouraging their child(ren) to foster and uphold a culture of academic integrity;
- staff will establish and annually teach expectations regarding academic integrity and honesty; and promote the honor code.

Prohibited Behavior

Cheating is an academic deception where a student intends in some way to receive or attempt to receive credit for work not originated by the student, to give or receive unauthorized assistance, or to give or receive an unfair advantage on any form of academic work. Cheating includes, but is not limited to: copying from another student's examination, assignment, or other coursework with or without permission; allowing another student to copy work without authorization from a teacher or administrator; taking an examination, writing a paper, or completing any other assigned academic task on another student's behalf; using notes or resources in any form, including written or online, without authorization; sharing or accepting from another, without authorization, any examination content, questions, answers, or tips on an assessment or assignment through the use of notes, scratch paper, social media, or any type of written, oral, or electronic communication.

Plagiarism: Plagiarism is using passages, materials, words, ideas, and/or thoughts of someone or something else and representing them as one's own original work without properly crediting the source. Plagiarism includes, but is not limited to: copying text, images, charts, or other materials from digital or print sources without proper citation; intentional misrepresentation of work as your own by paraphrasing of items from digital or print sources without proper citation; using translation tools or resources to

translate sentences or passages without permission; using a thesis, hypothesis, or idea obtained from another source without proper citation.

Falsification or Deceit: Intentional acts of falsification or serious deceitful misconduct that threaten the health, safety, or welfare of others, or that cause a substantial detrimental impact on school operations or other individuals are prohibited. Falsification or deceit includes, but is not limited to: falsifying another person’s name on a school-related document such as a test or report; buying or selling test questions or answers; copying secure test materials and providing the materials to others; paying for or receiving anything of value to complete a school assignment.

Violations of the Honor Code: When a student cheats, plagiarizes, or falsifies, the student has violated a trust, and the logical consequence is to limit the privileges which show we trust the student. The following consequences will be assigned:

- **1st Offense:** Student/teacher conference, parental notification, documentation of the incident, advisers of extra-curricular activities will be notified, no participation in SGA for 2 semesters, Honor Society notified if a member, and student can redo the assignment (highest grade earned can be 60%).
- **2nd Offense:** documentation of the incident, advisers of extra-curricular activities will be notified, no participation in SGA for 2 semesters, Honor Society notified if a member, and student can redo the assignment (highest grade earned can be 50%). Student may be assigned administrative disciplinary consequences.
- **3rd Offense and after:** Student/teacher conference, parental notification, documentation of the incident, advisers of extra-curricular activities will be notified, no participation in SGA for 2 semesters, Honor Society notified if a member, and student cannot redo the assignment (a ZERO is given). Student may be assigned administrative disciplinary consequences.

Pledge: Each RHS student will be asked to sign the RHS Honor Code as follows:

As members of the Rolesville High School community, we commit ourselves to act honestly, responsibly, and above all, with honor and integrity in all areas of campus life. We are accountable for all that we say, do and write. We are responsible for the academic integrity of our work. We pledge that we will not cheat.

Honor Rolls: Because we believe that recognizing students and their achievements are important, we will recognize students who excel in the classroom by publishing two honor rolls at the end of each nine week period and celebrating at the end of 1st semester. Freshman Academy will have additional academic recognitions for students throughout the year.

- A Honor Roll is for students who earn an A in all subject areas for each quarter.
- A/B Honor Roll is for students who earn an overall grade point average of 3.0.

Late Work: Rolesville HS students are expected to complete and turn in assigned work when it is due. Work that is submitted after the due date will be penalized, but not by more than 10 percent per day, with a maximum deduction of 40 percent of original credit. School-wide cut-off dates for submitting late work are provided in the table below. Please note that there are two dates per quarter. The first cutoff date refers to the final date at which work from the first half of the quarter can be submitted for credit, and the second cut-off date refers to the final date at which work assigned after the first cut-off date will be accepted for credit. After these dates, the decision to accept late work will be determined by individual departments and PLTs. Please note that policies for late work may differ in Advanced Placement (AP) courses.

	<u>Quarter 1</u>	<u>Quarter 2</u>	<u>Quarter 3</u>	<u>Quarter 4</u>
First Half of Quarter	September 18	December 4	February 26	May 6
Second Half of Quarter	October 23	January 15	March 27	June 3

Missing Work: Missed work is work a student misses because he/she is absent from class. Below are some specific details regarding how missing work will be dealt with.

- If the absence is approved in advance and/or if the work is assigned by the teacher before the absence, all make-up work, including tests assigned for the day of return, is due upon the student’s return to school. Teachers should use discretion and make exceptions in the case of students whose excused absences were not planned in advance and the nature of which would not support make-up work the day of return.
- If the make-up work has NOT been assigned in advance, for absences of one (1) to three (3) days, the student will have one day for each day absent. For absences exceeding three (3) days, the student may have (2) days for each day absent to make-up work. Special consideration will be given in the case of extended absences due to injury or chronic illness (WCPSS Board Policy 6000).
- Objective/Unit Recovery: Due no later than the end of the quarter in which it was assigned (*teacher-assigned deadlines may be earlier - refer to date on contract from teacher*)
 - Q1: Oct. 30, Q2: Jan. 27, Q3: April 3, Q4: June 12
 - Recovery is only valid if there is a signed contract with a due date between students and teachers.

Reporting of Grades: The Student and Parent Portal to PowerSchool give students and parents access to real-time information including attendance and grades. Parents and students who had access to PowerSchool during the 2019-2020 school year will be able to log into the system using the same account information. Individuals who do not remember their login information or who are new to Wake County Schools can request access by contacting our Data Manager (Ms. Jane Stever) at 919.554.6303, ext. 20398. Parents will get a different access ID for each child. Please keep these in a secure and private location so that you are the only one to have access to this information. If there is a situation where a parent or legal guardian should not receive access to student data, please notify the school immediately. In addition, report cards are issued to all students at the end of every nine weeks, and interim reports are issued to all students at the midpoint of the grading period, except for Freshman Academy core classes (more details can be found in the Freshman Academy Rams Handbook on the RHS website). Below is a table that provides *anticipated* dates by which interims and report cards will be distributed.

Attendance

Attendance is taken very seriously at Rolesville High School. The staff and administration believe there is a high correlation between attendance and achievement; therefore, regular attendance is crucial to student success. Rolesville High School is a

place for serious study where each person respects oneself, other people and property. Below are some specifics in terms of what is expected from students in regards to attendance.

Absence Notes: Upon return from an absence, students are required to bring a note from a parent, doctor, or court to the Attendance Office. If there is a death in the immediate family, a note accompanied by a copy of the obituary or program is required. Notes must be brought to the Attendance Office within two (2) school days of returning from the absence and presented BEFORE the start of first period or during lunch. Absences not documented within two (2) days will be classified as unexcused. Absence notes should include the following:

- Student's name (first and last – no nicknames)
- Date of absence
- Reason for absence
- Parent/guardian signature
- Home and work phone number of parents/guardians

A student absence form will also be posted to the Rolesville HS website that parents and students can simply complete and submit to the Attendance Office. Students can also bring in written notes as long as the information above is included in the note.

Checking In: Students who arrive to school late must sign in at the Attendance Office even if they arrive between classes or at lunch. If the student has been to a medical appointment, he/she should bring a note from the medical office. Please note, if half of the class is missed, the student will be marked absent for the entire class period. Habitually late students will receive disciplinary consequences and may lose parking privileges and/or off-campus lunch privileges.

Check Out – With Note: A student who needs to leave school before the end of school (doctor/ dentist/ court note must be on letterhead) should present a note to the Attendance Technician before the start of first period indicating the following: student name, date/time of absence/appointment, reason for leaving, parent/guardian signature, home/work telephone of parent/guardian. It is then the student's responsibility to come sign out at the Attendance Office before they leave. Students who return to school before the day is over must sign back in or they are marked absent for the rest of the day.

Check Out – Without Note: If a student needs to check out early and does not have a note, a parent or guardian must go to the Attendance Office and check the student out. Phone calls, faxes, and emails will not be accepted. NO student may be checked out after 1:50pm. Students who leave campus without following proper sign-out procedures will receive a permanent unexcused absence in classes missed, and they will be considered skipping. Skipping will warrant disciplinary consequences.

*If a student drives to school and does follow procedures to check out, their parking privileges may be taken away.

Educational Opportunities: Students who will be absent from school for educational opportunities can request that the absences be excused. To do this, students are required to complete the Request for Excused Absence form, which is available in the Attendance Office. The Request for Excused Absence form is posted on the WCPSS website. The form should be turned in to the Attendance Office a **minimum of three days prior** to the absence to allow time for the principal's review. Upon the principal's approval the absence will be coded as an Educational Opportunity. In requesting an excused absence for an educational opportunity, please keep in mind that the intent of the experience should be educational from the outset and comparable to what the student would experience in school. Family trips and vacations that were not designed, initially, to be educational will not be excused. Juniors and seniors going on college visits should also use this form and then bring back verification of their visit from the college. Seniors are allowed two (2) college visits per year that do not count towards exam exemptions. Juniors are allowed one (1) college visit per year as an educational opportunity.

Excused vs. Unexcused Absences: Per School Board Policy 6000R&P Part C., excused absences are those that result from:

- Illness or injury which makes the student physically unable to attend school
- Isolation ordered by the State Board of Health or the Wake County Health Department
- Death in the **immediate** family

- Medical, dental, or other appointment with a health care provider for the student (or for a child for whom the student is the parent)
- Court appearance when a student is under subpoena
- Religious observance, as suggested by the religion of the student or parent
- Participation in a valid Educational Opportunity with prior approval as documented on the “Request for Excused Absence for Educational Reasons”
- A catastrophic event or natural disaster

Other absences, such as oversleeping, missing the bus, traffic, car trouble, or absences from class without permission are considered unexcused. Students who are absent from class without permission may face disciplinary consequences.

Participation in Interscholastic Activities: Per board policy, all students participating in interscholastic activities must be present in school for the entire day in order to participate in activities, performances, or practices, except where specifically exempted by a physician.

School-Sponsored Event Participation: Students will not be counted absent from school when participating in school sponsored events (e.g., athletic competitions, assemblies, programs, etc.). If students fail to attend the event, however, they will be marked with an unexcused absence.

Tardies: Classroom instruction is key to student success. As such, students are expected to be in their assigned classes at the start of each period. Students who fail to be in their assigned classroom at the sound of the bell must report directly to class. Students who appear for class more than 15 minutes late without a pass are to receive a discipline referral for skipping. Below are the consequences that will be administered to students who are late to individual classes:

- 1st Violation – Warning from classroom teacher
- 2nd Violation – Warning from classroom teacher
- 3rd Violation – Warning from classroom teacher & parent contact by classroom teacher (via Talking Points/email)
- 4th Violation – Parent Contact (via Talking Points/email or phone) and BCC: administrator
- 5th Violation – Teacher/PLT determined consequence (ex. before-school, lunch, after-school detention, parent contact)
- 6th Violation – Teacher/PLT determined consequence & notify counselor (counselor meets with student)
- 7th Violation – Administrator referral** (classroom teacher writes referral in ECATS)
- 8th Violation – Administrator referral & Parent Contact by student’s administrator (classroom teacher writes referral in ECATS)
- Additional Violations - Administrator Referral (classroom teacher writes referral in ECATS)

*Students who are more than 15 minutes late to a class will be written up for skipping, which will result in additional consequences.

**Tardies may also result in revocation of off-campus lunch passes and/or parking passes.

***Students who are assigned to ISS for a partial or full day will not be allowed to participate in any school-sponsored events (e.g., sports practices, games, productions, etc.).

****Failure to serve an assigned consequence will result in additional consequences being assigned by an administrator.

Athletics

Rolesville High School is a community that not only provides opportunities for students to learn and grow within the classroom, but also outside as well. One way that we do this is by providing a wide variety of athletic teams that we encourage students to participate in.

Below is a list of the different sports teams that we will field during different seasons. Additional information regarding student athletics can be found on the school website under the Athletics tab. There is also a separate athletics website that students and parents can reference for additional information.

Fall	Winter	Spring
Football (V/JV) Men's Soccer (V/JV) Women's Volleyball (V/JV) Cheerleading (V/JV) Women's Tennis (V) Women's Golf (V) Cross Country	Men's Basketball (V/JV) Women's Basketball (V/JV) Cheerleading (V/JV) Swimming & Diving Indoor Track Wrestling Women's Gymnastics	Women's Soccer (V/JV) Women's Softball (V/JV) Men's Baseball (V/JV) Men's Lacrosse (V/JV) Women's Lacrosse (V/JV) Men's Tennis Men's Golf Stunt

Academic Requirements for Athletic Participation: All students participating in interscholastic activities must meet all NCHSAA and WCPSS eligibility requirements and physical requirements to participate. This includes fulfilling requirements for minimum GPAs as well as attendance requirements among other things. Athletes will receive a copy of the Rolesville HS Statement of Discipline and team policies.

Admission to Games: General admission for Varsity Football is \$7; admission to all other athletic games is \$6 in the NAC VI conference. Any price changes will be advertised through the Athletics Department. Rolesville Athletic Club memberships will be available to families and students. This membership entitles holders to enter all RHS athletic events/games, excluding conference tournaments and NCHSAA playoffs. Please speak with a member of the athletic booster club for information on family season passes.

School Spirit & Sportsmanship: Rolesville High School students are encouraged to attend sporting events to support our student athletes and the teams they represent. With that being said, it is important that all students and visitors demonstrate good sportsmanship during these events. Athletes and spectators alike are expected to conduct themselves in a respectful way towards visiting fans, coaches, and referees/officials. RHS cheers should be positive and of an appropriate nature. Failure to abide by these expectations and/or failure to conduct oneself in a manner that appropriately represents RHS may result in disciplinary action, revocation of privileges, and/or dismissal.

Student Athlete Registration: As of this year, all student athletes now have to complete paperwork online to be eligible to participate in athletic activities at RHS. To do this, students should go to www.wakecountyathletics.com/rolesvillehs and click on the "Athletic Registration" tab. In addition to completing this online registration, student athletes must also turn in a required medical history and physical. This will not be completed online; it must be turned in physically to Head Athletic Trainer Raymond Watkins prior to participation in any athletic activities. Further questions on this process can be directed to the Athletic Director Tom Kinkelaar (tkinkelaar@wcpss.net).

Discipline & Code of Conduct

All students are responsible for complying with and are expected to be familiar with the WCPSS Code of Student Conduct and school board policies governing student behavior and conduct. All Code of Student Conduct policies are contained in the WCPSS Student/Parent Handbook, which is distributed to all students and parents at the beginning of each school year or upon enrollment in the WCPSS. If there is a conflict between the rules expressed in this handbook and the Code of Student Conduct policies, the WCPSS Code of Student Conduct policies shall take precedence.

The Wake County Code of Student Conduct applies to any student who is on school property, who is in attendance at school or any school-sponsored activity, or whose conduct at any time or place, on or off campus, has a direct and immediate effect on maintaining order and discipline or protecting the safety and welfare of students or staff in the school. Students are

accountable for knowing Board policies presented in the WCPSS Student/Parent Handbook found at <http://wcpss.net/handbook>.

Rolesville High School recognizes its responsibility to provide each student with an opportunity to receive an education and to provide an atmosphere which is conducive to learning. RHS students also share this responsibility. Students are expected to show good citizenship at all times and to follow instructions given to them by any teacher or staff member. Students who do not fulfill their responsibilities will be dealt with fairly but firmly to protect the rights of all students and staff members. Students are expected to be familiar with all rules of behavior in the Code of Student Conduct.

As outlined in the WCPSS Student/Parent Handbook, the Code of Student Conduct rules are leveled, indicating the severity of violation and type of consequence. In any given situation, based on the unique circumstances of a situation, the principal may utilize a different level of intervention than is indicated on the chart. Various interventions may be considered to address a student's behavior including restorative practices, detention, referrals to the counselor or community resources. Below is a breakdown of the aforementioned levels.

Level I - Level I rule violations can generally be addressed with non-disciplinary interventions or non-exclusionary discipline consequences. Except in the very limited circumstances described in Rule II-20, Level I rule violations may not result in out-of-school suspension.

Level II - Level II rule violations involve more serious misconduct that may warrant a short-term suspension up to five (5) school days, when in the judgment of the principal or designee, non-disciplinary interventions and non-exclusionary discipline consequences are insufficient to address the behavior and prevent its recurrence. Principals may impose a short-term suspension of six (6) to ten (10) days or recommend a long-term suspension of eleven (11) days or more based on one or more aggravating factor(s) regarding the severity of the violation and/or safety concerns, provided such aggravating factor(s) are listed in the written suspension notice.

- *Falsification or Deceit*
- *Inappropriate Illustrations, Images, or Other Materials*
- *Hacking and Unauthorized Computer Access*

- *Hazing*

- *Search and Seizure*
- *Aiding and Abetting*
- *Repeated/Willful Violations of Level I Rules*

Level III - *Level III rule violations are more severe in nature and may support long-term suspension. The principal may impose a short-term suspension of ten [10] days or less or decline to impose any suspension based on mitigating factors.*

- *Narcotics, Alcoholic Beverages, Controlled Substances, Chemicals, and Drug Paraphernalia*
- *Gang and Gang Related Activity*
- *Weapons/Dangerous Instruments/Substances*
- *Assault on a Student*
- *Assault on School Personnel or Other Adult*
- *Assault involving Weapon/Dangerous Instrument/Substances*
- *Bomb Threat*
- *Threats of Mass Violence*

Level IV - *Level IV rule violations compromise the safety and welfare of students and staff and require a suspension under NC General Statutes. Some examples of infractions that might be considered Level IV offenses include, but are not limited to, the following:*

- *Firearm*
- *Destructive Device*

Level V - *Level V allows for expulsion of a student, as provided by state statute, for a violation of the Code of Conduct, if the student is fourteen (14) years of age or older and the student's behavior indicates that his/her continued presence in school constitutes a clear threat to the safety of other students or employees and the Board determines there is no appropriate alternative education program. Additionally, any student who is a registered sex offender under N.C. General Statutes 14-208 may be expelled.*

General Student Information

BYOD: Rolesville High School has been established as a Wake County Public Schools BYOD (Bring Your Own Device) school. Teachers will incorporate BYOD in their lesson planning as they so choose. Please note that students who are unable to bring outside technology will be able to access and utilize the school's equipment. No student will be left out of classroom instruction that requires technology. This initiative will enable our students to become future-ready, empowering them with the "4 Cs" of 21st Century learning - collaboration, communication, creativity, and critical thinking to make decisions and solve problems. Students are encouraged to bring their own technology devices to the classroom to enhance their learning experiences. Students will only be allowed to use their personal devices during instruction if they have returned their signed BYOD permission forms. Students and parents must complete a BYOD agreement once while a student at RHS to allow for participation in BYOD.

Students should set their device settings so that they are not able to receive unsolicited information from others such as inappropriate content delivered through airdrop. It is the student's responsibility to protect their device from receiving inappropriate content while on campus as disciplinary action could occur if a student opens up, and then subsequently poses, inappropriate or illegal content by clicking on unknown shared content.

Cafeteria and Lunch Procedures: Below are specific guidelines regarding cafeteria use and expected lunch behaviors.

- The cafeteria is off limits to students unless it is their scheduled lunch.
- During a student's scheduled lunch, there are authorized areas for students to be in. These areas consist of the cafeteria or the media center with permission. Students are not authorized to be in any other place during their lunch unless they are under the direct supervision of a teacher.
- Within the first ten (10) minutes of lunch, students are expected to determine their location where they will eat lunch. Beyond this point, there should be no movement up and down the stairs.
- The dress code does apply during lunch time.
- Students are expected to clean up after themselves and deposit their litter in a trashcan.
- Students are not permitted to loiter in the cafe. Students not in line should find a seat in the cafeteria
- With respect to electronics, students are permitted to use electronic devices during lunch. However, phones and other electronic devices should only be audible to the owner. Speakers are not permitted at RHS.

Clubs & Organizations: All students are encouraged to participate in clubs and student activities. Participating in clubs is a privilege and is contingent on being a student in good standing. Clubs must be approved and have a staff sponsor. Ms. Pullen is the contact for student clubs. Students may post information about elections and other approved club activities on the cork strips and bulletin boards located throughout the campus. Posting with tape or other adhesives in undesignated areas is prohibited and will be taken down. Administrator signature is required on all postings; student organization postings larger than 8.5 x 11" will not be approved. For a list of clubs and additional club information, visit the RHS website link under the Activities tab. Fine Arts playbills and approved Student Council election posters in designated areas will be permitted at a larger size.

Decorum: All students are expected to act in accordance with all school policies and guidelines established within this handbook. There are also unspoken rules that we expect students to uphold. This includes, but is not limited to, using appropriate volume in the hallways, refraining from excessive shows of affection with others, etc.

Deliveries: Deliveries of flowers, gifts, balloons, food, etc. will not be accepted by the school for students. Additionally, drop off of projects, homework, equipment, etc. will not interrupt the flow of class. Students will be called to pick up items during lunch or after school; students will not be able to pick up items during class.

Dress Code: Per WCPSS Policy Code 4316 Student Dress Code Students are expected to adhere to standards of dress and appearance. Our guiding principles for the student dress code are similar to those experienced and expected in the workplace:

attire that furthers health and safety of students and staff, enables the educational process, and facilitates the operations of the school. Parents are asked to partner with the school district to monitor student attire to help adhere to the guiding principles set forth in the policy. To promote these goals, students may not wear or carry clothing, jewelry, book bags, or other personal articles that:

1. Depict profanity, vulgarity, obscenity, or violence;
2. Promote the use or abuse of alcohol, tobacco, or illegal drugs;
3. Are prohibited under Policy 4309 III-2 (Gang and Gang Related Activity) or any other provision of the Code of Student Conduct;
4. Threaten the health or safety of staff or students; or
5. Are reasonably likely to create a substantial disruption of the educational process or operations of the school.

Specifically:

- a. Students must wear clothing that covers their skin from chest to mid-thigh with opaque (non-see-through) fabric in front, back, and on the sides.
 - b. Students must wear shoes at all times except when changing for physical education or athletic practices or events or when specifically directed otherwise by a teacher or administrator.
 - c. Clothing must cover undergarments (waistbands and straps excluded).
 - d. Breasts, genitals and buttocks must be covered with opaque (non-see-through) fabric.
 - e. Clothing must be suitable for all scheduled classroom activities including physical education, science labs, wood shop, and other activities where unique hazards exist.
 - f. Specialized courses may require specialized attire, such as sports uniforms or safety gear.
 - g. Head coverings (including hats, hoods, sweat bands, and bandanas) are generally prohibited in the school building. However, students may wear head coverings in the school building as an expression of sincerely held religious belief (e.g., hijabs or yarmulkes) or cultural expression (e.g., geles) or to reasonably accommodate medical or disability-related issues (e.g., protective helmets).
- Implications: If a student's dress or appearance is such that it constitutes a threat to the health or safety of others, distracts the attention of other students or staff from their work, or otherwise violates this dress code, administration may require the student to change his or her dress or appearance. A second or repeated violation of this policy may result in disciplinary action.
 - If you are addressed for inappropriate attire, your options will be:
 - To call a parent to bring a change of clothes.
 - To change into something provided by the front office.
 - Failure to comply may result in other disciplinary consequences beyond simple dress code infractions.
 - Please be mindful that repeat dress code violations may compromise your ability to participate in school-sanctioned activities (e.g., attending school dances, participating on sports teams, attending pep rallies, etc.) and/or might prevent you from different privileges typically granted to students (e.g., obtaining a parking space, getting off-campus lunch pass, etc.).

Driver Education: Per state law, all students are now required to pass at least 70% of their classes to obtain or maintain a learner's permit or a driver's license. Since most students at RHS will carry a course load of four (4) classes, this means that students must be passing three (3) of their four classes to maintain eligibility. Students may take driver education without meeting the course passing requirements; however, they will not satisfy the driver eligibility rules and will not be eligible to receive a learner's permit or a driver's license. For more information on Driver Education, please see or contact Linda St. Clair (rhsdrivered@gmail.com).

Early Release: There are no Early Release days scheduled for the 2019-2020 school year. Instead, additional Teacher Workdays have been added throughout the calendar to allow for staff Professional Learning; students do not report to school on these Teacher Workdays.

Hall Passes: Students have the responsibility for obtaining a hall pass that is signed and dated by a teacher with a destination listed any time they are out of class during class time, including when working in the pod. Students who are out of the classroom during class time without a note are in an unauthorized area and subject to disciplinary action. If a student needs to return to a teacher for a particular reason, the student must have a pass to return to a specific place at a specific time. Passes must be issued by teachers and should indicate the following information: student name, time of departure/return, date, destination and teacher signature. Teachers are responsible for enforcing school-wide

expectations for use of the common hall pass with the required information. Students are expected to use the RHS common pass on the colored paper for each floor.

Students who are in pods must have a pass (with student name, date, time) from their teacher. Any student in a pod without a pass from a teacher in that pod will be sent back to their classroom and/or ISS. Teachers should write referrals for students who are in a pod other than where their classroom is during instructional time.

Lockers: Students who desire a locker will be assigned one for the year if they request one. Students will be informed of the process to request a locker at the beginning of the school year. Students may only use the locker that has been assigned to them. The school cannot assume responsibility for lost or stolen items. Lockers remain the property of Wake County Public Schools and may be searched at any time by school officials with or without a student's permission. Only combination locks may be used on school lockers and the combination should be given to the assigning teacher. Unsecured lockers will be emptied and secured.

Media Center: The Media Center is a central resource to our school's instructional program. The media center will typically open in the morning at 7:00am and will close at 3pm Monday-Thursday. An atmosphere conducive to learning will be maintained. The Media Center staff reserves the right to prohibit facility use to students who choose not to conform to Media Center and/or Rolesville High School guidelines and expectations. Students wishing to go to the media center during class must request a pass from their assigned teacher.

Messages: Students will not be called from class for incoming telephone calls. In an emergency, the parent/legal guardian must clearly state the nature of the situation and this must be cleared by an administrator before a student will be notified. Other messages will be left in the Student Services office where students should check before they depart school.

Movement Throughout Building: All students are expected to abide by all traffic patterns within the school building. This means walking on the right side of the hallways and using the correct stairwells. External stairwells on the end of academic pods should only be used for exiting at the end of the day as these doors will be locked from the outside. Students may enter the building beginning at 7am. Coaches and music instructors will explain procedures for how students will be able to drop off equipment that needs to be stored during the day. In the afternoon, students who ride the bus should use the exterior stairs closest to the bus lot (x400 pod and x700 pod side) to reach the bus lot. Students who are walking to the student parking lot should use the exterior stairs closest to the x600 pod and x900 pod. Athletes should use the RAMS stairwell to the 2nd floor and then access the locker rooms by way of the Weight Room hallway. All students should exit the building by 2:30pm or be with a supervising adult for a school-sanctioned event.

Off-Campus Lunch: Eligible juniors and seniors who have purchased a lunch pass and submitted appropriate paperwork are allowed to go off-campus for lunch. Any student who goes off-campus is expected to abide by all rules and regulations outlined on the Off-Campus Lunch Application. Abuse of this privilege will result in revocation.

Requirements for School-Sponsored Events: School functions including athletic contests, dances, prom, plays, assemblies, performances, field trips, etc. are extensions of the school day; therefore any expectation of student behavior that applies to the school day also applies at all functions of Rolesville High School whether on or off campus. Prior to certain school-sponsored events, students will be notified of conduct expectations prior to school-sponsored events. These expectations will pertain to discipline and even expected procedures for participation in the said events. (e.g., how and when to purchase tickets). Violations of these expectations or any WCPSS Level-2 policy violation or higher may result in that student NOT being allowed to attend any school sponsored event including athletic competitions, prom/dances, etc. Receiving an out-of-school suspension during the school year may also disqualify students from attending certain school-sponsored events. Furthermore, all students and their guests who are not students at RHS must submit a prom form at the time of ticket purchase, and all school fines must be cleared before purchasing a ticket.

Staying After School: All students are to clear the building **by 2:30 p.m.** unless they are under direct supervision of a teacher or coach. Students who remain on campus after 2:30 should wait outside at the front of the building for their ride. Students who remain in the building without authorization are subject to disciplinary action.

Student Parking: Eligible juniors and seniors are able to purchase parking spaces for the year. These parking spaces are the only places students are allowed to park. Parking in undesignated areas or on private property is not permissible and may result in booting, towing, fining, and/or further disciplinary actions by the school and possibly law enforcement if involving prohibited off-campus parking. Student drivers must exit the parking lot by 2:40 pm unless they are staying after school with a supervising teacher.

Telephone Use: Students may use the school telephone in Student Services during the school day only with the permission of a staff member. (Also see Electronic Devices Policy) In cases of an emergency, with permission from a staff member, students will be given permission to use their cell phone.

Textbooks: Students will be held responsible for all textbooks issued. If a book is damaged or lost, students will be assessed fines for the damaged or replacement cost of the book. Fines must be paid before new books are reissued. Students may be excluded from attending end of year activities until all books are returned or all fines are paid. To avoid liability for lost/damaged books, students are advised to never lend books to friends or leave textbooks unattended. If a book is lost, students should see the teacher who issued the book for replacement costs. Please note that not all courses will use textbooks. In this case, the teachers may utilize handouts and/or electronic resources for the students.

Valuables: It is recommended that students refrain from bringing valuables, large sums of money, expensive jewelry, etc. to school. Students are also cautioned against leaving money or valuables in lockers especially if unlocked. Students are responsible for marking their personal possessions so that lost possessions, if found, can be identified. **The school is not required to investigate or search for lost or stolen items.** This includes the loss or theft of electronic devices. Students who find items which do not belong to them should take the property to Student Services for entry into Lost and Found.

Safety & Security

Accidents on Campus: If a student is injured at school, the student has a responsibility to report it immediately to the teacher whose class the student is attending. If the injury occurs between classes, report to Student Services.

Emergency, Fire, and Disaster Drills: Fire drills at regular intervals are required by law and are an important safety precaution. When the fire drill signal sounds, students should form a single line and leave the building by the prescribed route quickly and quietly. A chart is posted in every room, near the door, showing the exit route. When notification is given that the drill is over, students should return to their rooms in a quiet and orderly manner. Disaster drills are performed to instruct students about safety rules to follow during a hurricane or tornado. Disaster drills are announced over the intercom. Students should report to their locations as indicated by their teacher and follow teacher instructions.

Inclement Weather/Emergency Situations: In case of snow and other dangerous weather or emergency situations, a decision may be made to close or delay school. When the decision is made to close school, all afterschool and evening events, which include athletic practices and games, will also be cancelled. Refer to local television stations for updates as well as the WCPSS website for cancellations and make-up dates. If a student has received an out of school suspension during the time school is not in session due to bad weather or other related emergency, the time at home does not count as an out of school suspension day served. Out-of-school suspension (i.e. OSS) days count only when school is in session. The student's return to school date is therefore extended in accordance with the number of days school is not in session.

K-9 Searches: Throughout the year, drug searches will be conducted by law enforcement using drug-sniffing dogs.

Lockdowns & Relocation: The WCPSS Security Department in conjunction with local law enforcement and Wake Emergency Services division have developed a **Critical Incident Response** plan to be utilized in the case of an **extreme** emergency at school. In the event of an extreme emergency we request that parents tune in to local media (TV, radio) for information regarding how to reunite with your child/children. It is critical that you follow the directions as given. **Parents should not come to Rolesville High** as their presence may hinder or delay the emergency response plan in process. Please abide by the directions given to you through the media outlets.

Notification of Health Conditions: It is the parent's responsibility at the beginning of each school year, or as soon as the condition is evident, to inform the student's grade level counselor, school nurse or administration if there are medical

conditions that require special measures such as dietary or activity restrictions. It is also the parent’s responsibility to notify the school to provide accurate and updated contact information.

Safe Schools Act: All students shall comply with all state and federal laws on or off campus. This code applies to any student who is on school property, who is in attendance at school or at any school-sponsored activity, or whose conduct at any time or place, **on or off campus**, has a direct and immediate effect on maintaining order and discipline or protecting the safety and welfare of students or staff in the school. In other words, the law permits the principal to discipline a student for an act off campus at any time if that act affects order, safety, or welfare on campus.

Searches & Seizures: A student’s person, personal effects, locker, or vehicle may be searched whenever a school authority has a reasonable suspicion to believe that the student is in possession of illegal or unauthorized material and the material could be found on the student, in his/her personal effects, locker, or vehicle.

SROs and Security Officers: To help maintain security, WCPSS provides the assistance of a uniformed security officer. Additionally the Rolesville Police Department provides two uniformed police officers. SROs are law enforcement officers that have the authority and duty to maintain a safe and orderly campus. Additionally, the officers are a resource for staff to educate students and parents regarding matters of law and safety.

Visitors: Upon arrival to campus visitors must report to the Main Office to sign in and be issued a Visitor’s Badge to wear while on campus. Visitors are not allowed beyond the Main Office unless accompanied by a staff member. Students may not bring visitors to school during the school day. Visitors who do not follow these procedures may be issued a trespass notice.

Student Services

Student Services seeks to provide a continuum of support services that positively impact the personal, academic, and career development of the students within our school. Counselors provide individual counseling, group guidance, small-group counseling, consultation with teachers and parents, and referrals to community agencies to meet the needs of all students. Students are assigned a counselor based on the first letter of their last name. Counselor information for the 2019-20 school year is provided below.

Counselor	Assignment/Caseload	Email Address
Mr. Tracy Miller	Dean of Students Early Graduates, Foreign Exchange Coordinator, CCP	temiller@wcpss.net
Ms. Dorothy Wood-Webb	Counselor, Last Names A-C, 11th grade activities	dwood@wcpss.net
Ms. Melissa Bell	Counselor, Last Names D-H, 9th grade activities	mmbell@wcpss.net
Ms. Paula Lucas	Counselor, Last Names I-Me, 12th grade activities	plucas@wcpss.net
Ms. Jacquelyn Harris	Counselor, Last Names Mi-R, 10th grade activities	jharris4@wcpss.net
Ms. Jessica McQuaig	Counselor, Last Names S-Z, Intervention	jmcquaig@wcpss.net
Ms. Claudia Collins	Student Assistance Counselor (SAP)	cncollins@wcpss.net

Appointments with Counselors: Students who wish to see their counselor should stop by Student Services to request an appointment by completing an appointment sheet. Student Services staff will document date and time on the appointment sheet. That sheet is the student’s ticket out of class to come back for the appointment. This can be done during lunch and before or after school. In case of an emergency situation, students may inform their classroom teacher of their situation and request permission to go to student services.

Course Adjustments: Students and parents are expected to carefully consider course selections during the course registration process, as this information is used to develop a balanced master schedule to serve the diverse needs of our entire student

body. Consequently, schedule changes will only be made during the first few days of the school year for the following circumstances:

- increase in rigor (i.e., switching from Academic English II to Honors English II)
- missing a course needed for graduation (seniors only)
- hole in student’s schedule (i.e., missing a 3rd period class)
- student has already taken and passed a class, for High School Credit, he/she is scheduled to take
- student is in a class with a prerequisite and hasn't taken prerequisite course
- student is scheduled for the same course twice

Course Withdrawal: Except when approved by the principal, students are not allowed to drop a course after the first ten days of school. If a student withdraws after the ten-day period and an emergency situation does not exist, a failure (WF) is noted as the grade, and the course is counted as a course attempted with no quality points earned.

Early Graduation Requirements: For graduation prior to one's class, a student must:

- show satisfactory mastery of high school academic skills and concepts
- show a need for early graduation
- meet the graduation course and testing requirements that were effective the year of enrollment in the ninth grade for the first time
- meet the credit requirements for the year of intended graduation.

Early (Mid-Year) Graduation: Seniors who wish to graduate at the mid-year of their senior year through acceleration, will need to consult with their school counselor during their Junior year regarding graduation credits and all local requirements.
