55		
4:00		

### Understanding Your Schedule:

**BLUE** = LIVE SESSION with your teacher using your Google Classroom Meet Code

**GREEN** = Students complete assignments related to instruction. This can be on the computer or off the computer. This is flexible time for families.

**YELLOW** = Lunch and time away from device.

Fourth grade students will not engage in 2.5 hours of live instruction the first day of school. Teachers will work the first two weeks of school to get students use to the schedule and learning online.

#### HOMEWORK

\*All Fourth Grade students are asked to complete 20 minutes of reading daily.

\*All Fourth Grade students are asked to complete at least one Dreambox lesson per day. Dreambox lessons help students practice math skills at their individual levels.

\*All Fourth Grade students are asked to complete 20 minutes of Istation practice per day. Istation helps students with reading skills at their individual level.

**There is flexibility within the day of when you complete practice assignments and HW.**
