July 2018

Welcome to a new year at Adams Elementary! I am honored to serve as your principal and partner with families, staff members, and the community to help every child reach their fullest potential. I come to Adams with 16 years in education, including 10 years as an elementary classroom teacher. My love for the classroom has a significant influence on my leadership approach, as I know teachers have the greatest impact on the children that walk into Adams Elementary each day. I look forward to spending time in classrooms, the cafeteria, and at car-pool as I get to meet and learn the families and students I will serve in the coming years.
