# Aviator News

A family tradition growing up in my house was going around the dinner table on Thanksgiving and sharing at least one thing for which we are grateful. During this time of year I can not help but think of all the ways in which I have been honored to serve as a leader at Adams Elementary. I am thankful for a staff that has remained open and receptive as I work with them to make sure we are reaching every student, every day. I am thankful for our students who come to school each day eager to learn, and ready to SOAR. I am thankful for our PTA who has worked numerous hours to coordinate fundraisers, help with painting, hosting a wonderful book fair, and treating our staff like royalty. Finally I am thankful for our parents, who entrust us with their most prized possessions each day. Parents who show up on a Saturday to paint, or trim bushes with a smile. Adams Elementary is a special place and I am so grateful to be on this journey with you!

**Adams Elementary Teacher of the Year**

## Melanie Frost

This is Mrs. Frost's fourth year teaching in the AU-2 classroom at Adams Elementary. She works with students from 3rd—5th grade and collaborates with teachers across grade levels to facilitate inclusion for her students to reach both social and educational goals.

## Volunteers Needed!

Would you like to help our 2nd and 3rd graders through a special new program we have? Read a Book will give students free books to practice reading at home and bring back to read at school. We need volunteers for Wednesday—Friday mornings from 8:45—9:15. Please contact Mindy Sorboro at [msorboro@wcpss.net](mailto:msorboro@wcpss.net) if you are interested.
