

Dear Barwell Road Elementary Families and Community,

I am filled with excitement and gratitude as I introduce myself as the new principal of Barwell Road Elementary School! It is truly an honor to become a part of this amazing school community, and I can't wait to begin this journey with each of you.

Barwell already shines because of the strong foundation built by Dr. Mitchell and the dedication of our incredible staff. Now, together, we will continue to grow, dream big, and reach even greater heights for our students.

As your principal, I come to Barwell as a culture builder and transformational leader who believes that every child deserves to feel known, loved, challenged, and celebrated. I believe in creating a school where joy and learning go hand in hand—and where every student is inspired to do their best every single day.

This year, our focus will be on growing every student and raising the bar for academic excellence. With high expectations and strong partnerships between school and home, we will help our students thrive in every way.

I can't wait to meet your children, connect with your families, and become part of this special Barwell community. Let's make this year one filled with growth, laughter, learning, and memories we'll never forget. The future is bright, and I'm so excited to see all that we will accomplish—*together!*

With joy and anticipation,

Chenetra Mangum

Principal | Barwell Road Elementary

Proud to be a Barwell Bear!
