

Dear Wake County NC Families,

Many families in our school and community deal with food insecurity and unfortunately, this is going to be compounded by the recent slow downs and closures due to Covid-19 virus related concerns. We have compiled a list of area food pantries to ease some of the burden during this time.

If you are able to help, please contact the organizations below. Please note monetary donations, gift cards for food or gas, bus passes and other non-tangible food items are always needed, especially now. Food donations must be pre-packaged and non-perishable, unless otherwise noted by the individual food pantry. No glass packaging allowed!
