Preventing the Spread of Illness

As we enter cold and flu season, students, families and staff are encouraged to:

- Avoid Touching- Eyes, Nose and/or Mouth
 - Germs are often spread when a person touches something that is contaminated with germs and then touches their eyes, nose, or mouth
- Cover Mouth and Nose
 - Cough or sneeze into a tissue, throw it away and wash hands
 - If you do not have a tissue, cough or sneeze into your upper sleeve or elbow, not your hands
- Hand Washing
 - Wash hands with soap and water
 - Scrub all hand surfaces for 15 to 20 seconds
 - Use alcohol-based hand wipes or gel sanitizers only when soap and water are not available
- Staying Home When Sick
 - Fever of 100 degrees F or higher (Stay home until you have been fever-free without taking fever reducing medication for at least 24 hours)
 - Nausea, vomiting, or diarrhea (Stay home until you have been without vomiting or diarrhea for 12 hours)
 - Severe headache
 - Red, watery eyes with yellow discharge
 - Undiagnosed rash
 - Inability to attend to learning activities
 - Change in usual medical status

If students become sick at school, parents will be called to come immediately to pick student up from school.
