# AP EXAM INFORMATION

- Students are automatically registered for the AP Exam when they join their AP Teacher’s classroom. This process has been completed by students in both 1st and 2nd semester AP Classes.
- Students were also give the opportunity of opting out of taking the exam. That process is complete as well and the AP Exam order has already been placed.
- Students who are registered for the exam but do not take it, will be charged a \$40 unused test fee.
- Changing an Exam date is only approved in extreme circumstances and there is a \$99 fee to change the date. *This does not apply to students who have more than one exam at the exact same time. Mr. Greene will contact those students.*
- It is VERY important that students and families view the Exam schedule and plan accordingly.
- It is recommended that students schedule no other event on the day of AP Exams, such as appointments, work etc.

**AM Exams start at approximately at 8AM**

**PM Exams start at approximately at 1PM**

- Students will receive an email (*sent to the email they have listed in their MyAP account*) as to the testing location and start time of their exam.
